

Thursday, April 1, 2004:

Jesus said: "My people, I am showing you this printing operation in order to put your reading time in perspective. You have only a certain amount of time each day that you set aside to read a newspaper or magazine articles. I have also asked you especially during Lent to do more spiritual reading. Try and estimate how much time you spend reading each day, even if it is just an average. Then spend half of that time reading the Bible or spiritual books. Just as you are conscious of your nutrition and exercise time, so your spiritual life should be nourished and not forgotten. Again average the amount of time that you spend on your hobbies or TV watching and you should spend half of that time in daily prayer time. If you are conscious of how you spend and allot your time each day, these suggestions could help you to make Me more a part of your life. Watching TV and secular reading will not help you get to heaven, but prayer and spiritual reading will support and strengthen your faith on your path to heaven."

Thursday, April 1, 2004:

Jesus said: "My people, this knife is a sign of the constant wars among man. The dirt represents the frailty of man and a look back at Ash Wednesday. This Scripture saying was: 'Remember thou art dust and unto dust thou shall return.' The body is that dust that will pass away, but the water of the pool represents Baptism and conversion. You all have the weaknesses inherited from original sin from Adam, but My death on the cross washes away your original sin with Baptism. I have given My apostles and the priests the power to forgive sins in Confession. I said: 'Whatever you bind on earth, shall be bound in heaven; and whatever you loose on earth, shall be loosed in heaven.' (Matt. 18:18) With My sacraments received frequently, you should always have pure souls. If not, then you are spiritually lazy and need to get to Confession more often. If you truly admit to your sins, you know that you need My forgiveness to cleanse them from your soul. So do not wallow in the dust of your sins, but have My Blood of forgiveness in Confession wash away the filth of your sins."

Friday, April 2, 2004:

Jesus said: "My people, as you approach the holiest week of the church year, you should spend some extra time to reflect on how much I suffered for your sins on My cross. You can even see how fleeting the glory of man is

when he celebrates My entry into Jerusalem with palms on Passion Sunday and then they call for My crucifixion. Everything written about Me in Scripture had to be fulfilled. Salvation of man from his sins has been promised for many years and My very life given for you was this sacrifice of My Most Precious Blood. No longer would man have to make any sacrifices of animals or crops for his sins, because I was the most worthy sacrifice that could ever be made. That is why I was incarnated as a man to atone for all of mankind's sins. As you meditate on My death on the cross, now you can see the significance of displaying My crucifix on the altar and in your homes. When you look at My crucifix, you are looking at the depth of My love for all of you and how you have been saved from your sins. My Resurrection that follows is a celebration of My victory over sin and death, and a promise to each of My faithful that you will be raised from the dead as well. Rejoice with Me as you come closer to appreciate My love for you."

Prayer Group:

Jesus said: My people, now is a good time for parents to teach their children of the richness of tradition in the coming Holy Week services. It starts with Holy Thursday at the Last Supper. As the Blessed Sacrament is reposed, traditions are to share with other parishes by visits to the Blessed Sacrament in three or more churches. Good Friday services commemorate My death on the cross by venerating My Crucifix. Saturday evening is the midnight Mass of My Resurrection followed by Easter services on Sunday."

Jesus said: "My people, the basement is usually very plain and houses many of your utilities. It may not appear as good as the upstairs, but it serves many useful purposes. This life is very much like the appearance of the basement compared to the beauty and glory of heaven. Just as you do not want to stay long in the basement, so you should have a strong desire for heaven over the cares and troubles of this world. Rejoice, that I have opened the door of your basement life by My death so you can now enter the joys and love of heaven."

Jesus said: "My people, just as you see the new life coming forth in My creation around you, you are sharing My new life of grace after My Resurrection. You have Christmas signifying a return of light as the days start to lengthen. At Easter you are celebrating cleansing rain and new life of spring as things green up and the winter snow is about over. See My love in even the celebration of My

Creation in your different seasons."

Jesus said: "My people, you have been doing some penances and extra prayers and reading for your Lenten devotions. With Holy Week your Lenten preparation will culminate in commemorating My death on the cross. Life is full of sufferings, but Lent is a special time as a retreat to focus more on fixing up your spiritual life. Be diligent in these last days of Lent to give Me some special time together so I can give you My graces and blessings to carry you on with the rest of your church year."

Jesus said: "My people, this people of Mine gave Me lip service in honoring My miracles and sermons. Then the religious leaders got the people to shout for My crucifixion. In the same way there are some people today, who call Lord, Lord, but they do not want to suffer for Me or give their will and things over to Me in consecration. It is My faithful remnant that truly lives their faith by following Me in their actions. It is easy to speak of My love, but it is more meaningful to prove your love by your prayers and good deeds for others."

Jesus said: "My people, many think little of the effort of those who prepare your meals for Easter. Just as I washed the feet of My apostles to show them how I wanted them to imitate My example of service, so those that prepare the table and the meal are being good servants to the rest of the family. You should do something to go out of your way in showing your appreciation by compliments and maybe even some flowers. Do not take those who serve you for granted, but honor their good service."

Jesus said: "My people, Easter is a beautiful celebration of My Resurrection, but keep your focus on Me and not the worldly trappings of candy and rabbits. Many times your shops commercialize Easter just as they do Christmas. My victory over sin in My death is the core of your faith, so it should have much more spiritual meaning than any earthly distraction. Give praise and glory to God for My Father sending Me as your Savior and Redeemer. Your sins have been forgiven so come to Me to receive My abundant graces. My love surrounds you at all times. Easter should be a time when you can send your love to Me as well. Share that love in helping your neighbors in need and your joy will know no bounds."

Saturday, April 3, 2004:

Jesus said: "My people, this vision of a snake about to bite with its fangs extended is a representation of the devil ready to attack an innocent victim with his venom of

sin. Wars and terrorism are one aspect of evil's influence. Abortions and sins of the flesh are more subtle attacks where many are giving in to sin. As I come to take sin away by conversion, the evil one is trying to draw more souls away from Me by his distractions and entertainment of the world. You need to be alert that the devil is lurking in the bushes ready to attack you when you least expect it. He preys on your weaknesses of impatience, anger, and lust. You must pray much for spiritual stamina to be able to withstand his temptations and put them out of your mind. Go to Confession frequently and your grace and pure soul will keep Me close to you."

Sunday, April 4, 2004: (Palm Sunday)

Jesus said: "My people, when I road into Jerusalem triumphantly on a colt, the people were jubilant and praising God. When I come again with the New Jerusalem, I will again be triumphant and My faithful and My angels will be singing songs of glory. This vision of people bowing down to Me in honor and homage is My rightful place for all of mankind to give Me praise and glory. You are praising your Creator, Judge, Savior, and Redeemer. I have many titles in My kingdom, but I am Lord over all creation and the plants and animals give tribute to Me as well. I do not force man to love and serve Me, but only those, who do so, will see heaven. All others will face punishment in the flames of hell. Do not be deceived by the cunning of the devil because he hates you and would torment you forever in hell. Better to follow Me who loves you, for you are My very creatures of My own making. As you raise your palms in praise of My glory, know that My faithful will receive a heavenly reward for obeying My Commandments and following My Will."

Monday, April 5, 2004:

God the Father said: "I AM is represented in this beam of light that fell down upon My Son on the cross. Many times you heard My Son say 'The Father and I are One.' You know the Blessed Trinity has three Persons in God the Father, God the Son, and God the Holy Spirit. I am reminding you of this because every blow upon the Son, I could feel and even His death as a man. All the members of your body know when your hand is hurt. In the same way all three Persons experience the same pain together. So when you think of the pain that My Son experienced in his crucifixion and death, know that God the Father and God the Holy Spirit experienced that pain as well. In the same

way that your sins cause My Son pain to atone for them, all of Us are offended and feel the pain of every sin. Think of this the next time you are about to commit a sin. Your sins affect Us and those around you and not just yourself. During Holy Week give praise and thanks to all of Us in the Blessed Trinity for granting you salvation for all of your souls and the forgiveness of your sins. We love you all dearly, even as evidenced in the death of My Divine Son on the cross."

Jesus said: "My people, the two most beautiful sacraments are Holy Communion and Confession. They are received more than once and they are the lifeblood of your spiritual life. To be worthy to receive your Savior in Holy Communion, you must have pure souls by frequent Confession. Since man is weak to sin, I have given you a remedy to cleanse your sins by coming to Me in the priest in the confessional. Do not be proud that you do not need My forgiveness, but be humble in confessing your sins at least once monthly. All of My saints and holy people confessed daily or weekly to witness their humility before Me. When you receive Me in Holy Communion, My grace strengthens your soul against future temptations to sin. I come into your heart as a temporary ark of the covenant to share My love with you. When you come to visit My Blessed Sacrament, you are giving Me honor, praise and glory. You are acknowledging the Master of this life and the next life. Encourage your children and grandchildren to a life of prayer, frequent Confession and daily Mass. When you are so close to your Lord, I will guard your spiritual life, for you are a special lover that I treasure, even more than those who only give Me lip service. Treasure My sacraments and My priests while you have them because soon it will be difficult to have a good Mass and Confession. Pray much for My strength when the evil ones will try to remove My tabernacles and My churches. You will be persecuted much for loving Me, but your reward in heaven will be great."

Tuesday, April 6, 2004:

Jesus said: "My people, who do people say that I am? Some thought that I was St. John the Baptist, Eliziah, Jeremiah or one of the prophets. Simon Peter answered and said, 'Thou art the Christ, the Son of the living God.' (Matt 16:16) This Holy Week man truly comes face to face with the fact that I came to the earth as a man to die for your sins to save all of mankind. You are reminded even by the movie on My Passion of how much I suffered for

love of all of mankind. Even more so at My Resurrection you are seeing My power in My rising from the dead. Death and sin have no power over Me. I died on purpose to save mankind's souls. I was always God the Son and I retained My power even as a man. I am the Resurrection and the Life.(John 11:25) I am the Alpha and the Omega, the beginning and the end of all creation. 'Amen, Amen, I say to you, before Abraham came to be, I AM.'(John 8:58) In other words I am the Creator of the universe, the earth, and all the creatures of the earth, including man. When you truly realize that you were made by Me, you should bow down and give Me glory and thanks that you have life itself because of Me. You should also be thankful that I lowered Myself to be a man so I could die and redeem you of all of your sins. This is how much I love every one of you. Just as a mother and father would be willing to die to protect their children, so I died to protect you from sin and hell. You are My children and I want to hold you all close to Me. It is those, who refuse Me that by their own choice have fallen away from Me. But My faithful I treasure and you will have an everlasting reward with Me in heaven."

Jesus said: "My people, in order to read properly you need to be able to focus on the words. Many people require reading glasses as they get older. I have asked you to keep your focus on Me and not to be distracted by the things of the world. Even as time goes on, it may even be harder to maintain your faith in your latter years. My people need to see through the eyes of faith to be able to discern right from wrong in a world that is no longer normal in following My Commandments. Do not just follow the crowd in everything because what is the easy way out, many times conflicts with My laws. Instead, struggle to be pure in your speech and in chastity of the passions. Many sins are following the pleasures of the body, so control your body by having a strong faith in your soul. See that following My Will is the only way to seek heaven."

Wednesday, April 7, 2004:

Jesus said: "My people, after My apostles died, there were those responsible to pass on the traditions of the faith by scroll and by word of mouth. When I said 'The gates of hell will not prevail over My Church,' these people were the means by which the Holy Spirit protected My words and passed them on to later generations. It was the forefathers and the hierarchy that interpreted My words to deal with heresies and the evils of the society. Even today the Vatican and appointed theologians are preserving

the deposit of faith. You have heard My Pope son speak out many times about the religious issues of your society. My laws and morals are taught to My people, but it is the individuals that must choose by their free will to follow Me. Everyone does not believe in Me or My laws, and that is why you have such immorality running rampant in your society. It is My faithful remnant that will preserve the faith, and only those, who accept Me as Savior and seek the forgiveness of their sins, will be saved. Those, who choose the world before Me, could be lost forever in hell. Work to bring souls to Me and you will have fulfilled your responsibility."

Jesus said: "My people, I am showing you these race cars because this is man's measure of success in the world. There is an ongoing race in all walks of life to be first in sports races, in the work place, and in your accomplishments in life. Man struggles to be independent and his measure of success is how much money and riches that he can accumulate in life. My view of a person's success can be measured in the spiritual world instead of earthly things. The worldly are drawn to fame, riches, and satisfying the body's cravings. The spiritual life draws you almost to complete opposites to this life. I draw you to love of Me and your neighbor instead of just doing everything for yourself. I draw you to humility instead of fame. I want you to seek heavenly treasures instead of earthly treasures. I call you to follow My Commandments, My Will, and My plan for your life instead of following your own will. I call you to share your earthly wealth with all of those in need. I call you to save your soul with My help as well as evangelizing others souls to be saved. In everything you must be open to Me running your life and being obedient to My ways. By giving in to Me and consecrating everything to Me, you will be on the right path to heaven. It is love and good deeds that I desire from you because all of your earthly wealth and accomplishments for your own glory will not help you to heaven. It is those things that give glory to Me that will benefit your soul. So keep your focus on Me to the finish line of your life and you will win your crown as a saint in heaven. Being with Me in heaven will be far superior than any race you could win on earth."

Thursday, April 8, 2004: (Holy Thursday)

Jesus said: "My people, My power is greater than all the demons and all the evil people put together. The Creator is greater than any of His creatures. Even so I

have condescended Myself to be a man that I could give My sufferings and My life as a sacrifice for all of mankind's sins. I love you so much that I have left you the gift of Myself in My Blessed Sacrament among you. You receive Me into your heart and soul at Holy Communion and you can adore Me at anytime in My sacred Host in the monstrance or in My tabernacle. I instituted My Eucharist as a sacrament at the Last Supper and the Mass commemorates this at the Consecration when I turn the bread and wine into My Body and Blood. My Real Presence in My Host is always available to you in prayer to help you in your troubles. So give thanks and praise to Me because My love is so generously poured out on everyone."

Friday, April 9, 2004: (Good Friday)

Jesus said: "My people, these trumpets blowing in heaven and among the dead are heaven's way to celebrate My Triumph of the Cross even in nature. While My Body was laying in the grave, My Spirit was gathering up all of the worthy souls that had died, but still needed to be released from their sins. My death was a victory over sin and death. The Triumph of the Cross was how I took the evil of killing the Son of God and turned My sacrifice into a greater good for the salvation of all of mankind. It is My Blood that cleanses the sins from your souls. This is an ongoing process that continues to cleanse your sins in My sacrament of Penance. There is no reason why you cannot have pure souls when you have ready access to frequent Confession. As your sins are forgiven in Confession, My Triumph of the Cross will release you from depression and the guilt of your sins."

Saturday, April 10, 2004: (Easter Vigil)

Jesus said: "My people, in today's reading the women at the tomb were struck with fear as they were greeted by two angels. They said: 'Why do you seek the living One among the dead? He is not here, but has risen. Remember how he spoke to you while he was yet in Galilee, saying that the Son of Man must be betrayed into the hands of sinful men, and be crucified, and on the third day rise.' (Luke 24:5-7) This vision of bright light in the early morning is the moment of My Resurrection from the tomb as I brought souls to heaven. It is the time that My Image was irradiated into My burial clothes in the Shroud of Turin. Even the soldiers were frightened at first when they saw this great light. The soldiers were paid by the chief priests and the elders to tell how the apostles stole My

Body while they were sleeping. (Matt. 28:11-15) The religious authorities did not want the Christian faith to spread, nor the story of My Resurrection from the dead told to everyone. My Church has always been persecuted, but I allowed the spread of My Word to all of the nations. Rejoice in My Resurrection which is your promise of eternal life after you die. Your faith is rooted in My death and Resurrection as a promise of My salvation for all of mankind. Believe in My Name and your faith will set you free of your sins."

Sunday, April 11, 2004: (Easter Sunday)

Jesus said: "My people, when I rose from the dead, I released all the worthy souls from their captivity so they could share eternal life with Me. In addition to those souls that have passed on, I am promising eternal life to the living who follow My ways. My disciples will one day die and make reparation for their sin. Even if you spend some time in purgatory, you know one day that you will also be released and share eternal life with Me in heaven. This miracle of My Resurrection is an inspiration and a hope for everyone that is depressed by life's trials. Do not give up as the devil would like, but call on My graces to help you. The joy and love of this feast is uplifting to all of mankind as creation is stirred to life once again in spring. Look at the beauty of creation and celebrate My love."

Monday, April 12, 2004:

Jesus said: "My people, the first Masses had to be offered in crude surroundings and many times in secret because of the persecutions. My apostles were called to break bread together and to serve each other. There were several accounts in the readings of My meeting with My apostles after My Resurrection to prove to them and My faithful that I truly rose from the dead. The reading today shows how the Pharisees paid the soldiers to lie that My disciples stole My Body because they could not deal with My Resurrection. My Resurrection gives all of My faithful hope that they also will rise again after death. Just as death had no hold on Me, it will not keep you from coming to heaven either. At every Mass you commemorate My death on the cross, but the Gloria shouts of My glory when I arose from the dead. At Holy Communion you all share in the breaking of the bread as you receive Me, Body and Blood, in My Real Presence. This tradition has been kept up since I instituted My Eucharist at the Last Supper.

Even through the years of troubles and persecutions, the Mass has survived as I promised My Church would prevail against the gates of hell."

Jesus said: "My people, this empty atrium is an example of how I go and prepare a place for you in heaven. You are seeing how the gardener prepares the ground for the flowers that he will plant. Once the flowers are planted and placed with care, there is a beauty of fragrances and colors of various flowers. Each person during life is like a flower where you grow and bloom for showing off My greater glory. You fulfill My plan by doing the best that you can with the talents that I have instilled in you. Give thanks and praise to Me for all that you have been given. When you walk through all the beautiful flowers, you are awed by the beauty and depth of My creation. Rejoice, My faithful, that you will bloom again in your glorified bodies in heaven."

Tuesday, April 13, 2004: (Maria Fallone funeral)

Jesus said: "My people, Maria has come to the end of her earthly life, but she has fought the good fight and finished the race. Now she will receive her heavenly reward. Many of her family are grieved at her death, but she has anxiously awaited to be with her Lord. All of the saints that she prayed to for prayers have also greeted her as she passed into the next life. Her soul lives on as I have promised My faithful and she will not forget her family. Give praise and glory to God for the gift of her life to all of you. The priest is right in speaking of her life as one who followed the readings of the Mass. Even though this is a sad time, it is still joyous knowing that she is receiving her reward with Me."

Jesus said: "My people, you are familiar with the deposits that grow from the ceiling down and the opposite end that grows up from the floor. It takes many years for these deposits to grow even an inch and many more years for these deposit flows to even grow together as one column of lime. In the same way My faithful are growing closer to Me over the years. By patient endurance, you will come to be one with Me in heaven. When you start out life as a young child, it seems like death is very far off. But as the years flow by, you see how short this life really is. I call on My faithful to be persistent in your prayers and good deeds and you will see how soon you will be one with Me also. As you see these deposits slowly grow, you see the time slowly slip away from you. In your next life you will be rewarded with My love in a constant ecstasy where

time will no longer affect you."

Wednesday, April 14, 2004: (Road to Emmaus)

Jesus said: "My people, in today's Gospel I walked with My disciples on the Road to Emmaus and it was just like the vision of a classroom as I taught them of the Scriptures that referred to My coming to earth. All of the Scriptures had to be fulfilled to the last letter. After Adam's sin, a Redeemer was promised to mankind and you have been redeemed from your sins by My death on the cross. In Isaiah (7:14) it is written: 'Therefore the Lord Himself will give you this sign: the virgin shall be with child and bear a son, and shall name Him Emmanuel.' Again in Michea (5:1) it is written: 'But you, Bethlehem-Ephratha too small to be among the clans of Juda, from you shall come forth for Me one who is to be ruler in Israel; whose origin is from of old, from ancient times.' Even as you have again commemorated My Crucifixion and suffering in Holy Week, there were also quotations how I would suffer. In Isaiah (50:6) 'I gave My back to those who beat Me, My cheeks to those who plucked My beard, My face I did not shield from buffets and spitting.' Again in the Psalm (21:19) 'They divided My garments among them, and for My vesture they cast lots.' Also Psalm (34:21) 'He watches over all His bones; not one of them shall be broken.' In Isaiah (53:5) 'But He was pierced for our offenses, crushed for our sins; upon Him was the chastisement that makes us whole, by His stripes we were healed.' I have given you just a few quotations of My death and Resurrection that were described in the Old Testament. If you want to be a good student, you could look for further sayings that described My first coming and when I will come again. For as those things of My death were given and fulfilled in Scripture, so also is My coming on the clouds to renew the earth yet to be fulfilled. I gave My people hope in a Redeemer and I give My faithful of today hope in your own resurrection when I will defeat evil and bring you to heaven."

Jesus said: "My people, those patients in nursing homes and old age homes require a special care that only dedicated people can handle. It requires training and a desire to help the elderly in desperate situations. The doctors and hospitals can do just so much, and then it is up to the patients to try and improve. Once a person has become so frustrated with their condition, they sometimes lose their desire to live and it may be difficult to have them get proper nutrition. Extraordinary means of feeding and breathing can be tried in the short term, but in time

these means may be futile as well. A deep faith commitment can help face death threatening conditions, but in the end it is up to each person whether they want to live or not. It is very difficult for the family when to stop extraordinary means of survival, especially in light of My Pope son's recommendations. In some cases it is only a prayer for a miracle or accept the inevitable that someone may die of their condition. Life is very fragile and in older years it may become even more prone to death with the least little obstruction. Call on Me in prayer for your older friends and relatives, but do not be disappointed when I call them home to Me."

Thursday, April 15, 2004:

Jesus said: "My people, I am showing you these grave sites because this is the result of war and terrorism. It is easy to kill and destroy, but it is difficult to build a new country into something that is not the people's choice. Forcing democracy on a Muslim society is not America's mission. Your country's occupation of Iraq has only triggered more killing and reprisals that are turning these people against you. You cannot force people to your thinking at the end of a gun. They are going to revolt and chaos will result as you are seeing now. It would be better to hand back control and gradually leave unannounced. The longer that you stay to enforce a government to your liking, the more difficult it will become and the more deaths that will result. This is why removing Saddam is not the answer because after you leave, another will take his place. Terrorism is a manufactured tool of the one world people to cause wars and a false front of security that will be abused to control people and make way for the Antichrist's reign. The longer these constant wars are allowed, it spells the end of your country financially and a degraded military. Work more to restore peace and love among your neighbors, or a world police state will result."

Thursday, April 15, 2004:

Prayer Group:

Jesus said: "My people, My angels are blowing their trumpets of jubilation at the four lamp stands of Revelation. You are all sharing My joy and love in this Easter Season because I am offering salvation to everyone who believes in Me. My Most Precious Blood is My sacrifice for all the sins of mankind in the past, present, and future. Give praise and thanks to God for My ransom of your souls so the gates of heaven could be open to you."

The four angels blowing their trumpets are also a foreshadowing of My coming again in victory over all the evil ones."

Jesus said: "My people, you can remember many burial services that you have attended for your friends and relatives. At every funeral Mass you are acquainted again with My Resurrection and My promise of your own resurrection. You grieve for the lives that have passed to the grave, but you know that these souls live on forever. One day the worthy ones will receive glorified bodies as they will be resurrected with Me. Without the promise of a reward in the next life, this earthly life would be fruitless. Heaven is where I will give you your reward for being faithful through all of your trials and persecutions."

Jesus said: "My people, you are in the Divine Mercy Novena and should be praying your intentions for all sinners of the world. This great mercy is being poured out on all sinners to make reparation for their sins. My love and mercy are My way of extending Myself to all of My creatures. Come to My Blessed Sacrament where My graces and mercy flow out to you as in this picture of My heart as a source of love. My love is everlasting and I call you constantly to Confession where My Blood can wash away your sins and grace can be restored to your souls."

Jesus said: "My people, these luminaries of the sky show light to your way both during the day and night. They are symbols of My Great Light that lights your way through the darkness of sin. Some commit sins in the darkness and want to hide from My judgment and do not want their sins revealed. But I am the Light of salvation and I call every sinner forward to seek the forgiveness of their sins. Come to Me with contrite hearts, for I will forgive the worst of sinners. As I love all sinners, I want My faithful to love everyone also, even your enemies. When you come into the Light of My truth, your guilt will melt away into My open arms of My love."

Jesus said: "My people, I prayed with My hands upon My apostles as they received the power and gifts of the Holy Spirit that would strengthen them to spread My Gospel of love. Even as I shared the Scriptures with My disciples of My mission on earth, already their hearts were burning with the joy of the knowledge of God's plan for man's redemption. Those, who receive the Holy Spirit in Confirmation, are also empowered by this same burning flame of spiritual life leading you to heaven. My sacraments of Baptism and Confirmation give My faithful the gifts needed

to evangelize souls and bring them to conversion."

Jesus said: "My people, there are beautiful vocations to married life and to single life, but the most glorious vocations are those who give their total service to Me in the priesthood or religious life. These souls are married to Me in a closeness that enables them to share My love and life in My very sacraments. Some are drawn to the contemplative life, while others serve in diocesan ministry. Pray for My priests, brothers and sisters who give inspiration to My faithful and draw you to My sacraments. As you can see in the Last Supper, My Eucharist is the center of the Mass as provided by the blessed hands of My priest sons. The gift of a priest enables you to receive Me in Holy Communion and to forgive your sins in Confession. So give thanks to Me for this holy priesthood."

Jesus said: "My people, you need the eyes of faith to believe in your Lord as Master of your life. You need My Light of truth, hope, and faith to guide you on your path to heaven. All the saints cherished the day when they could pass from this life into eternal life with Me. The saints gave up all of this world's possessions so they could focus entirely on serving only Me. Look at the lives of the saints and imitate their actions and love for Me. The joys of this life are nothing compared to the joys heaven has to offer you. So do not let earthly things distract you from that perfect love of your Savior and follow Me in every prayer and action of your life."

Friday, April 16, 2004:

Jesus said: "My people, the power of the Holy Spirit strengthened My apostles to speak My Gospel in foreign tongues and a gift of healing as the cripple in today's reading. There was a laying on of hands to pass on priestly powers and to provide deacons to help with My ministry. There was also a laying on of hands for a healing ministry as well. My disciples had a gift to heal people of their spiritual and physical infirmities. Remember that all healing should focus on healing of the soul and faith in Me that I could heal the physical sicknesses as well to heal the whole person. Many came to believe in Me and My apostles through the power of miracles and the Gospel message of My love. Even today My messengers are healing both soul and body through My power and their persistent evangelization efforts. Miracles did not stop with the death of My apostles. You are still seeing modern day miracles and signs to assure the faith of

My followers. It takes discernment of the messages given, but I will not leave My faithful orphans among the great evils of this age. Rejoice that miracles and My Gospel message continue to be spread all over the world."

Jesus said:

"My people, as you look around at your own age and those around you, you see how quickly earthly things and even people pass away in a short time. When you are young, you think that you have a lot of time left, but only by the grace of God do you continue on to another day. You do not realize how precious even an hour can be until you come down with a terminal illness. Even more revealing is the fact that you will have to account for every hour that you spent on earth at your judgment. All of the wasted hours on your own selfish entertainment cannot be used again for prayer or good deeds. You have to make the time for My service before you spend all of your time on yourself. I call on you to love Me in prayer and love your neighbor in helping them. Other than eating, sleeping, and working for a living, you should spend an equal time serving Me as yourself. If you are spending too much time on yourself, then it is time to change your priorities of time. Your prayer time and charity are a necessary part of your spiritual life and you cannot be irresponsible in how you manage your wealth and your time. The more you see the need to spend more time in prayer, the closer you will come to Me in your perfection."

Saturday, April 17, 2004:

Jesus said: "My people, mankind of today are in a fast pace of living which makes everything appear rushed without always thinking of what you are doing. Do not get caught up in a race to get things done, but do not let life pass you by without being involved. There are two different kinds of love; love of things and love of persons. Love of things can too quickly become a source of idol worship and leads you down the broad road to hell. It is the love of persons that your soul is called to intermingle with. Love of God should be first and the highest form of love that you could aspire to. Love of neighbor as yourself is following the second greatest Commandment after loving Me. If you truly love Me, then you must show it in your actions and not just give Me lip service. In the same way with your neighbors, you must show your love by actions of kindness and not just words. This agape and filial love is much higher than any erotic love for just pleasure alone. If you are married, be faithful to your spouse. If you are

a believer, be faithful to Me in leading a good life. By seeing love as a true feeling for Me and others, you will see the true meaning of life and how I want you to follow My ways to heaven."

Jesus said: "My people, this vision of many insects as locusts and mosquitoes is a sign that insect problems could be spreading all over the earth. As weather changes to warmer temperatures, you could see more insect infestations that could ruin crops and more disease will spread as West Nile virus. Every year you have been seeing new disease outbreaks and a spreading of the previous year's problems. Some have been natural, but some have been man-made to purposely cause problems. Fighting these new insect problems could require a major effort as you needed help with your fires a few years ago. Many natural disasters will also take a toll on your delicate economy and test your will with chastisements. Wars and terrorism will continue to drain your finances and your military. With all of these things going on at once, your nation will be tested dearly. It is your immoral society with your sexual sins that is bringing your country down in addition to your abortions. Pray for a conversion of sinners, or chastisements will only bring you further to your knees."

Sunday, April 18, 2004: (Mercy Sunday)

Jesus said: "My people, peace among mankind is very delicate and hate between various peoples can trigger more warfare. Rather than being concerned about killing people and destroying livelihoods, those, who enter into war, are only concerned with punishing their enemies in revenge for past offenses. When I came to My apostles, I said: 'Peace be with you.' My peace involves people loving each other and forgiving each other instead of seeking revenge. If you do not make an attempt to love each other, then it will be difficult to remove any hate in your hearts. It is proper to defend yourself for self-preservation, but starting unprovoked wars have no place in My plan for you. So now is the time to stop your madness of one unnecessary war after another. Just as I told St. Peter in the garden to put away his sword, so also I am telling all countries to stop your wars or be consumed by them. My peace in love is the only way you can live without war and killing."

Jesus said: "My people, I am your God of mercy and I wait for every sinner to come to Me seeking forgiveness. My mercy is available to everyone who asks for it. The first hope in a sinner is the realization that what they are doing is wrong. Some sinners just block this guilt out

of their minds. Once you admit that you have done something wrong, then there are consequences as making reparation and feeling sorry that you have offended the God who loves you. Be grateful that I have given you My sacrament of Confession so you can have your sins cleansed from your souls and grace restored. Even after having been forgiven, there is still reparation to be made for your sins either by prayer and suffering on earth or suffering in purgatory. My grace on Mercy Sunday is to even be so merciful as to remove the reparation due for your sins. I am showing you these lamps to represent the knowledge of My mercy and My love. Just as you do not put a bushel basket over a lamp, you place the lamp in the middle of the room to displace all the darkness. I am asking My faithful to be My Light in the world and do not keep your faith to yourself as the bushel basket over the light. Be a light of faith in the world and share My love and forgiveness with all sinners. I did not come to save the self-righteous, but sinners. Because of Adam's sin, You are all sinners and are in need of My grace and mercy. The joy in your heart when I forgive you in the confessional needs to be shouted from the rooftops. I ask you to be forgiven and to forgive those who have wronged you. Love one another as you follow Me and you will know the true meaning of forgiveness."

Monday, April 19, 2004:

Jesus said: "My people, many sculptors and artists have tried to depict My glorified Body. In the Scriptures it was difficult for My disciples to recognize My glorified Body because they did not understand how someone could rise from the dead. It was only when I called My disciples by name or when I broke bread with them that they realized I had risen from the dead. In the Gospel reading I spoke of being born again by water and the Spirit. It is not a physical rebirth, but a spiritual awakening of your spirit to believe in Me. By the waters of Baptism, your soul is cleansed of original sin and heaven was opened to you. In St. John's Gospel I poured out the Holy Spirit on My apostles just as My apostles and your priests confirm you with the laying on of hands. It is this water of Baptism and the Holy Spirit of Confirmation that make you a new person and a soldier for Me. This renewal of your spirit and true acceptance of Me into your heart is what gives your full commitment to Me. At Baptism your sponsors spoke for you. Now you must take to heart your Baptismal promises to renounce Satan and evangelize souls for Me.

Again you had a sponsor at Confirmation, but now you must take full responsibility to bring your soul to Me in full surrender of your will to Me. At some point in your life you will realize that I have given you everything and you are totally dependent on Me for having life itself. Being born again means you are willing to deny the desires of the world and fully direct your actions to love Me and your neighbor as yourself. Live your faith in love and actions that witness to My greater glory and you will receive your glorified body in heaven."

Tuesday, April 20, 2004:

Jesus said: "My people, today's Gospel continues to talk about being born again in the Spirit. I call all sinners to be converted in love of Me and to believe that I am Master of their lives and their Savior. I am all love and to follow Me you must live your faith by living in My Spirit of love. If you follow My Commandments and read all of the Scriptures and do not have love, then you are just a clanging symbol. Love must permeate your life in all of your actions. Whether it be driving your car, or at work, you should think of loving everyone and do everything for love of Me. When you have My peace always in your heart, you are one with Me. Satan will try to rush you and irritate you with events and testing people. But you must be patient and forgiving and never lose your peace. When you let rage and anger run your life, then you are letting sin control your life. No matter how much someone may anger you or irritate you, keep loving them in the Spirit of My love and you will conquer evil with good. You have man's justice in your mind, but think with My loving mercy and you can forgive and put aside any thoughts of anger or revenge. Even if you should falter, you can be forgiven in Confession and learn from your mistakes to heal any of your faults. Everyone should see love in your actions if you are to be witnesses of My Word and do not be hypocrites."

Jesus said: "My people, many people are proud and inquisitive about all of the new technology being developed by man. You have profited in efficiency and labor saving devices with your computerized machines. The problems arise in the abuse of your technology and the ethics of your research. When man wants to use stem cells from aborted babies, it is being used to generate body parts or tissues to heal various organs of the body. This encourages and exploits abortions which are against My Fifth Commandment of killing babies. It is using cell cultivation in a way that was never intended by man. Man

exploits DNA experiments to make human clones and even designs the genes of babies for certain traits. This abuse of DNA in plants and animals to try and make better crops and meats is making changes that I never intended and you are distorting the balance of nature. Even the abuse of computer chips to control people's lives is all part of the one world people's plan to control your money and what you can buy and sell. Technology can be used for good or bad, but it is the evil ones who will be exploiting the abuses that could affect your lives. Follow the natural order that I have created and avoid the unnatural uses of evil men. Money and pride are driving these abuses. So follow only My plan for how you are to live, and not Satan's plan."

Wednesday, April 21, 2004:

Jesus said: "My people, in the readings I am showing you the trust in Me that the apostles had even when they were being persecuted for speaking about Me in public. I performed many miracles of protection for them even as a witness to My Word in them. You have seen in the Acts of the Apostles how they healed people in My Name and several times I released them from prison. So I tell My disciples of today not to worry about being persecuted for preaching about My salvation in sacrificing My life for everyone's sins. It is My Light of mercy and grace that awaits every sinner. Evangelize all those souls that you can because they need to seek My forgiveness and accept Me as Savior in order to have eternal life. This life is quickly passing away, but the spiritual life of the soul lives on beyond time forever. You do not want to see souls lost in hell, so reach out to help them from drowning in their sins. Show them My Light in your life as an example and witness to the world so others will desire My peace and love that are in your life. Bring My Gospel Word of love to everyone and you will save your soul. Those, who listen to you, are responsible for their own actions and if they follow My Word in you, they could be saved. My love and grace are boundless. I died for everyone's soul and those, who reject Me and My forgiveness, are condemning themselves. This sin against the Holy Spirit of an unforgiving heart is the sin that cannot be forgiven. I told My apostles to go out to all the nations and preach the Good News of My redemption of all mankind. Then you will have My peace in your soul and your reward in heaven."

Thursday, April 22, 2004:

Jesus said: "My people, many are celebrating earth day today which should be an occasion to give Me praise and glory for all that I have created before you. Just as you are obligated to take care of your body as a temple of the Holy Spirit, so you should also take care of the world in general not to pollute it or abuse it in any way only for financial gain. Creation is My gift to everyone for your survival in sunlight, air to breathe, and water to drink. As you are celebrating My Resurrection in this Easter Season, the new life in nature parallels My new life in My Glorified Body. The vision of a new born baby is another new life that needs to be nourished both in the body and the spirit. The creation of mankind with body and soul adds another dimension of spiritual life beyond the physical creation. The value of souls is even more important to Me because the soul is eternal and will live on after the death of the body. The new life in the Spirit comes with Baptism as original sin is cleansed from your soul. Every time you go to Confession, the priest gives you absolution and you again experience new life in your soul as all of your sins are forgiven and My grace enters your soul again. After death My faithful souls will one day be resurrected and you will still again have new life in a glorified body with your soul. This perfection of new life to be one in the Spirit with Me in heaven should be the desire and aspiration of all of My created souls. You all are a part of My creation and you give greater glory to Me."

Thursday, April 22, 2004:

Prayer Group:

Jesus said: "My people, I am the Light of the world and this image of a chandelier rising out of the dirt represents this Light. I arose unstained by sin and My Light dispelled the darkness of sin. All of My disciples are cleansed of their sin at Baptism. Remember how the light from the Easter Candle was given to you at birth and that same Easter Light is before your casket at death. I am the eternal flame of life in your soul and no one will snuff it out. Rejoice in My gift of life to each of you."

Jesus said: "My people, you know of the many talents that I have bestowed upon the great artists of history. It is fitting that such great artistry has been used in many statues of Me, My saints and the angels. Look how beautiful the older churches are with all the ornateness of My many artists that give glory to God in their work. See how fortunate you are to witness My glory in the hands of

these great artists. Give praise and thanks to God for all the great works that you have as a witness to My creatures."

Jesus said: "My people, I have given you a model of love in marriage where I am the groom and My bride is My Church. I have laid down My life out of love for all of mankind so that all of you could be open to eternal life. I am all love and the latest movie on My Passion has shown you how much I love all of you. Give thanks and praise to your God who is so generous by sending His only Begotten Son to die for your souls. I gave My life freely so you could have eternal life. No greater love can a man show his love for another than by dying for that person."

Jesus said: "My people, I am the Light of the world and all life comes through Me. I am the judge of all souls who come to enter the gates of heaven. Every soul must enter heaven through Me. It was My Most Precious Blood that paid the ransom for every soul's sins. Do not think that you could have entered heaven on your own. Hold close to Me in My Blessed Sacrament in My Host and treasure the moments that you receive Me in Holy Communion. My love awaits all of you and I call for your love in return. Those, who seek eternal life, must seek Me as your Lord and Savior."

Jesus said: "My people, My Blessed Sacrament is My Real Presence among you. What better way could you find to witness to My glory than this vision of My Blessed Sacrament being processed through the city streets. To some this seems like an old tradition, but it truly represents the saying that I am present among My people. Witness the holiness that I bring about you when you glorify Me in Adoration of My Blessed Sacrament. Come visit Me often in Adoration or at My tabernacles."

Jesus said: "My people, you have many storms of trouble buffet you in this life, but this covenant of My rainbow is a promise that I will always give you enough grace to endure any trial. Just as I calmed the waters for My apostles, I can calm any storm in your life if you would but call on My help. When I said I was your Savior, I am ready to save you from any difficulty. You must trust in Me everyday to get you through until the final day that I will bring you home. See the beauty of My Light in revealing those many colors and the rain cleanses the sins from your souls."

Jesus said: "My people, these beautiful buildings of your cities will come tumbling down from tornadoes, earthquakes, hurricanes, volcanoes, and terrorism. The

damage that you will endure, America, will be a judgment against you for your many abortions, fornications, adulteries, masturbation and homosexual acts. When you are faced with the truth of your sins, you cannot deny them. Now as a country your collective sin is calling upon My justice to bring you to your knees. Then you will witness My power and glory in your lowliness because you are nothing without Me in your life."

Friday, April 23, 2004:

Jesus said: "My people, I have given you many gifts and the most important is My gift of life in dying for each soul that opens salvation to that soul. The most unique gift, that I give to all of My followers in faith, is My very Own Self in the Real Presence of My Eucharistic Manna. In the Gospel I fed the five thousand from the five barley loaves and two fish. Now I feed My Bread of life to all of My faithful in My Blessed Sacrament at Holy Communion time. You have a personal encounter with My Body and Blood every time you receive Me worthily in My Eucharist. Many travel great distances to have a Mass and receive Me in Holy Communion. In the first reading of the Acts of the Apostles My apostles were flogged and were joyous that they could suffer persecution for preaching My Gospel of love. People want to hide their sins and they will persecute you for witnessing to My Commandments. It may be difficult to suffer for My Name's sake to witness your faith in public, but those, who do speak of society's sins, will be witnessed by Me before My Father in heaven. Do not reject Me by your silence out of fear of being criticized or persecuted. Do not remain in your comfort zone, but reach out to help your neighbor in need and you will find treasure in heaven. The Easter message is one of hope and removal of fear, but you are called to spread My Gospel as well."

Saturday, April 24, 2004:

Jesus said: "My people, your affluence and independence in America is breeding many fences and very few people are reaching out to know their neighbors. You each have become so busy in your personal agendas that you do not want to take the time to know your neighbors. After awhile, your neighbors will think that you are very disinterested in knowing them. When your neighbors become almost strangers to you, then you will know how some people even consider Me as a stranger. This vision of fences coming down and people shaking hands is how I want each of

My followers to love Me and your neighbor. When you take the time to show Me and your neighbors love by serving Me and helping your neighbor, then you will be on the way to bringing peace to your world. When you only desire to work on your agenda, then you will close any opportunity to sharing time and love with Me or others in your life. Be careful to make the right priorities in your life because your main focus should be on serving Me instead of you. Then when you truly love your neighbor, you will make time to talk with them and be more friendly in knowing them. Do not wait until your Warning, or your death to see how you passed up so many opportunities to love Me and your neighbor."

Sunday, April 25, 2004:

Jesus said: "My people, this confusion going on in the Church of today is an influence from the devil to try and destroy My Church. Even in many places My faithful remnant is becoming smaller in number. This turning about of the crucifix represents how St. Peter died upside down on a cross. I tested St. Peter's love three times to renew his faith after denying Me three times. It may be easy to say you are a disciple to My face, but if someone wanted to persecute Christians, would you still profess your faith in Me? It is hard to know how strong your faith would be when your life is threatened, but I will give you the necessary strength to endure if you call on My help. My crucifix should be prominent on your altars because you need to feed My lambs in helping them to follow Me. I ask everyone to pick up your cross in life and carry it on your path to Calvary. I lived a life of obedience and suffering and My life is an example how you must be obedient to your proper superiors and follow My Commandments. You may have to suffer physically from persecution for believing in My Name. Those, who are faithful to Me, will be rewarded when you come before Me in judgment. I will then invite My worthy disciples into My Eucharistic banquet in heaven."

Jesus said: "My people, I am showing you this light house because all of My faithful are like beacons of faith in the darkness of unbelievers. Your faith is the light of truth that the evil ones are distorting and trying to hide. When truth reaches your ears, it gives perfect understanding and it enlightens the mind to understand My Word. If you do not know of My Commandments, then reading them will help you to form a right conscience. Teaching the faith to others will give them an opportunity to know Me and be saved. If My Word is not preached, then how can all souls be enlightened? You are My hands and My mouth to

speak My Word and show people what is written in the Bible. You are called to bring up your children in the faith so they can be exposed to My love and peace. Teach them a good daily prayer life so they can endure life's trials by trusting in Me. The joy in your heart and the love and peace in your eyes should speak volumes to other souls, and your example can influence others in their search for Me and put meaning in their lives. Be willing to be a faith beacon and your light will dispel the darkness of evil all around you."

Monday, April 26, 2004:

Jesus said: "My people, remember when Moses met God the Father in the burning bush and Moses was asked to remove his sandals because he was standing on holy ground. So also when you approach My Blessed Sacrament in the tabernacle, it is fitting to give Me honor and praise by genuflecting to My Real Presence. Even when you receive Me in Holy Communion, it is reverent to kneel or bow and receive the consecrated Host on the tongue. You have the most precious gift of Myself in Holy Communion and the greatest prayer in the Mass that commemorates My death on the cross for everyone's sins. That is why daily Mass is such a blessing of My grace for those who take advantage of this daily opportunity to be with Me in a most personal relationship. I call all of My faithful to follow Me, but it requires your complete surrender of everything to Me. I am your Creator and I provide you life and all of your necessities. I ask nothing more than your love and praise and a willingness to serve Me in everything that you do. I am a jealous God and I do not want you to worship idols of the world or any other gods before Me. This is My First Commandment and that is why reverence for Me in My Blessed Sacrament leads you to following Me. I will be with you to the end of this age and I am always available for you to call on Me to help you through life. Stay close to Me in My sacraments and you will have nothing to fear of the evil ones."

Jesus said: "My people, you know how much I love the little children and I do not want to see any harm come to them. I want everyone to have a deep love for children, even despite their crying or their needs for food or changing diapers. They are seeking love and security and many, even parents, do not always have this deep love they should have for all of My gifts of life to you. Even when some children have learning disabilities, or other health or physical problems, they still need your help and love. The children also require a good environment that does not

include bad movies or too much TV watching. If you truly love these souls, you should share your faith with them so they can come to Me in prayer and love. If you are parents, you are responsible for their religious upbringing. You know the rich faith that you received in school and in your family. Now it is time to have your own children experience this love of Me through your own good example. Let them see you coming to Mass, praying before meals, praying the rosary and holy objects in the home. See that they have an opportunity to receive Holy Communion and Confession often. The children grow up with free will, but see to it that you can do everything in your power to keep your children close to Me. At the judgment I will hold you responsible for how you influenced your children as well as other children around you. Help in any way to discourage abortions and any other abuse of the children. Pray for families to stay together and encourage family prayer among your members. The family is the heart of your society and the demons are attacking families in many distractions of the world. Keep focused on My love for you and your love for Me and your neighbor."

Tuesday, April 27, 2004:

Jesus said: "My people, as in this vision of a raging river, those, who are converted, are born again of water and the Spirit. Life can be troublesome at times, but even some are converted when they are broken or hit bottom in their lives. The rapids and the calm water are the same contrasts in life with trials and enjoyable times. Those, who come to Me in faith, find My strength will enable you to cope with even the worst of life's experiences. It is consoling to know that you can call on Me for love and solace that you cannot find anywhere else. You can also trust that I will provide whatever grace you need to endure anything, even if your life is threatened. In today's reading St. Stephen is stoned to death for witnessing to My Name, but he was bold and courageous in faith even to stand up to the authorities of his day. My disciples of today are not as persecuted in most parts of the world, but a time is drawing near where you could be tested by martyrdom again. You can even prepare your soul now for this future battle when evil will have its hour. You are now fortunate to have Me in daily Mass and Adoration, but soon even these blessings will be difficult to find. I had to suffer much in life, so if you are imitating My life, you will also have to suffer and carry your cross. Even as some have been martyred for My Name's sake, they are now receiving their reward with Me in heaven. Strive to love Me and your

neighbor as yourself, and be ready at any time to suffer in following My plan for your life."

Wednesday, April 28, 2004:

Jesus said: "My people, I have the words of eternal life. I am the Resurrection and the life. He, who follows Me, will have eternal life. This vision of following Me is the message I repeated often to My disciples and it means imitating My life in obedience to My heavenly Father. I gave My Will to My Father as a man on earth, and I call all of you to give your will over to My Divine Will. I am showing you this little child that I have in My hand, because I want all of My faithful to come to Me with child-like faith. Just as a child trusts completely in their parents, I want you to have this same trust in Me that I will watch over you and help you through life's trials. Those, who were faithful to Me in My early Church, had to suffer persecution for believing in Me as a Christian. Even today you may have to suffer ridicule and insults in standing up against abortion and homosexual marriages. If you truly believe in My teachings and My Commandments, you need to spread My Word of love to all those that you meet in life. You may be the only person of faith to touch someone's life about your Savior. So be faithful in evangelization, even when it means going out of your comfort zone in risking your being insulted or persecuted. Live your faith so everyone can truly observe that you practice what you preach in your belief in My ways."

Jesus said: "My son, today you travel by car and by airplanes to many places to speak publicly and you are not restrained. You make notice of your meetings and they are open to everyone. You are touching many souls with My messages in your books and on the internet. Also your talks are showing the events as I have given them to you. All of your witnessing and evangelization efforts as well as healings are bringing souls closer to Me and you will be rewarded for answering My call. This vision shows you how in the future there will be much more persecution and you will have to travel at night and have your meetings in secret. Your prayer group meetings also will have to be held in secret. As security will restrict your travel, you will be very limited in how far you can travel to speak. Go now while you can because your time to travel is limited and it could stop at any time. It is a grace to have this gift of prophecy for teaching, love messages, and warnings. You are feeding My faithful My Word of warning and hope in My protection. Give praise and thanks to Me for all of My messengers and for all those who are following Me in

carrying out their missions."

Thursday, April 29, 2004: (St. Catherine of Sienna)

Jesus said: "My people, this bull ring is an example of how you must battle every day with the distractions of the world. Instead of fighting a bull, you have to fight the devil and the demons with My help in prayer. Just as in a bull ring, you have many people observing your every action. So you must give a good example in your actions and show My love in your life. Loving everyone is a challenge in those who give you trouble and in forgiving those who have wronged you. Every day you must carry your cross in serving Me. It is not always easy to give up your will to follow My Will. But you must do everything for My glory and not your own glory. Do not be seeking man's passing approval and fame, but humble yourself to be only My servant. Better to store treasures in heaven than to accumulate earthly treasures which can dissipate or be stolen. Those, who are victorious in their daily battles, will have their reward with Me in heaven."

Thursday, April 29, 2004:

Prayer Group:

Jesus said: "My people, you will face many criticisms and persecutions when you witness to the truth of My Triumph of the Cross. Some stars and producers were critical of 'The Passion of the Christ' in the beginning. After this movie became popular all over the world, these critics faded into the background. So it is with My Word which is eternal, but the things of this world will pass away. Those, who witness to My suffering on the cross, will receive their reward."

Jesus said: "My people, your government is celebrating this new monument to your war dead of World War II. This was a difficult war that the Axis countries of Germany, Japan, and Italy had drawn everyone into battle. It was the righteous who fought the evil masters that were behind this war. Peace was brought about until the Cold War began with communism. Now terrorism is the current label and excuse for war that is trying to bring division between Muslims and Christians. Ultimately, the masons and the central bankers are behind all of these wars because they make money on the arms for both sides. Pray for My peace all over the world because love is all that will conquer anger and hate."

Jesus said: "My people, the evil ones have prepared their own refuges in the ground that will withstand nuclear bombs and destructive comets or asteroids. They are

preparing a massive destruction that will enable their takeover when America will be decimated. They will be safe in their underground bunkers, but they will not be safe from My wrath which will eventually cast all the evil ones into hell. I will call My faithful to refuges also, but you will be protected from these evil ones."

Jesus said: "My people, your attempts at making currency beyond counterfeiting will only make the thieves work a little harder. Your currency is even faulty because it is nothing but notes of indebtedness to the Federal Reserve of central bankers. There is no longer any gold or silver backing of your money-only taxes and the printing presses hold up your money system. The money of this world has no place in My kingdom, so it is not worth accumulating."

Jesus said: "My people, you work hard in this world to provide yourselves with enough food for your physical survival. You also need to work hard as well in your spiritual life with prayer and good deeds. By struggling to follow My plan for your lives, you will be welcomed into My Eucharistic Banquet which will feed you with My bread of My Eucharist that will give you eternal life."

Jesus said: "My people, this fort of protection is one made by certain men so they could control the world. These evil ones make it difficult to stop wars because they want them to continue to make money for themselves. Do not listen to all of their lies about the necessity for wars because this is how they try to get everyone into their wars of revenge. Instead of wars, work to make peace with your neighbors to avoid this senseless killing."

Jesus said: "My people, you are in an Easter spirit as you see the weather get warmer and the trees start coming out. You look forward to the beautiful flowers of spring as new life comes forth and takes away the barren look of winter. My Resurrection should lighten up your spiritual life because you have the means for your salvation. Rejoice, My people, in My heavenly love that wraps around all of you."

Friday, April 30, 2004: (St. Pius V)

Jesus said: "My people, in the early days of My Church Christians were being persecuted and even martyred for My Name's sake. Some of My followers lived in catacombs where they buried their dead and had secret Masses. My Eucharist was present even amidst the persecution going on in those days. The readings of St. John continue to focus on My Bread of Life. Unless you eat My Body and drink My Blood,

you cannot have eternal life. Receiving Me in Holy Communion gives life and food to your soul. Even today you need My sacraments to nourish your souls with My graces. As the persecution of this time leads into the tribulation, again My followers will be seeking out caves for protection as well as refuges of My Blessed Mothers's apparition sites and places of holy ground. When priests are available, there could be secret Masses in an underground church. I will always be present among you, even if you have to call on Me in spiritual communion. Trust that I will help you even as persecution and martyrdom will again be rampant in My Church. Do not be fearful, but know that those, who are martyred, will become instant saints in heaven."

Jesus said: "My people, languages separate many peoples from each other and it is difficult to understand each other's culture and viewpoint. A spiritual language of the soul is a common ground where each person must choose for or against Me. There is no middle ground. If a country is controlled by communism, there is an evil influence of atheism that is contrary to belief in Me. Several industrial nations in the Orient are vying for trade with America. It is manufacturing and trade that for a moment are keeping the peace. Many manufacturers in America are trying to exploit the cheap labor in China. Each foreign government has an unknown agenda and some are planning the demise of America. When large investments are made in foreign countries, there is always a risk that they could be taken over. Greed and power are always competing between nations for control of the world both financially and by military means. Supplies that depend on only a few countries could be crucial in a world war. Pray for peace among your nations and that hostilities may cease in Iraq. Languages can cause difficulties, but the language of love of God should be universal."
