

Saturday, April 1, 2006:

Jesus said: "My people, many of your old churches have been stripped of statues and icons, and your new churches have barren walls all in the name of renovation. Then in the vision you are seeing Me, My Family and the saints and angels because we are always with you celebrating the Mass. You do not worship these statues and icons, but they are a reverent reminder of the saints whose lives you wish to imitate. Even after you receive Holy Communion, My angels are all around you praising Me because for a few moments you are like a tabernacle with My Blessed Sacrament present. It is better to have My crucifix and My saints prominent on your altars because they give glory to God. My Blessed Sacrament makes your churches holy, so give reverence to My Real Presence around My tabernacle as you genuflect to Me in worship. When you have Adoration, it is your custom to kneel on both knees and bow to your Lord. Be conscious of confessing your sins at least once a month so you can keep your souls holy and be worthy to receive Me with grace in your soul. Always encourage your children to go to frequent Confession so they continue to keep a strong faith in Me. When children fall away from My sacraments, they are allowing the evil one to control their lives. I am the only God to worship in this world, and avoid all other earthly idols and distractions. Love of Me and freedom of sin will truly set you free in your spiritual life. Seek Me in love and you will have peace and rest that you cannot find anywhere else."

Sunday, April 2, 2006:

Jesus said: "My people, this priest was right in his homily in showing you how you are to accept your cross in life lovingly for My sake. Everyone is called to suffer with Me to survive because this life truly is a valley of tears. By sharing your suffering with Me, I will give you the grace to endure any trials or misfortunes. Some have to suffer heavier crosses than others, but to those My love is squeezing them tighter. If you are enduring a heavier cross, it is because you are given sufficient grace to endure it. You saw in the vision how you can carry your cross with Me up to Calvary. Suffering with Me on the cross is how you have to suffer persecutions in this life, but still you must love everyone, even your persecutors. When I announce those glorious words inviting you to heaven, your soul will be put at rest that you were found worthy of being with My love for all eternity. Some may complain of all that they have to suffer, but all of My saints were happy that they could offer these sufferings up to Me for the treasure they stored in heaven. See every trial in your life as an opportunity for grace. Give thanks and glory to Me for My love

for you and all of My gifts to you. Live to serve Me and your reward will be great in heaven."

Monday, April 3, 2006:

Jesus said: "My people, man is attracted to all things that shine with a gold look to them. Gold itself has been sought out in the ground, in sunken treasure, and historical gold artifacts. Yet My Real Presence in My Blessed Sacrament is the greatest treasure that you could seek in this world. More are attracted to the precious metals of a worldly nature than the few who give Me praise and glory at Adoration. The spiritual treasure is forever, but worldly riches are lost or stolen, and are very temporary. Seek Me where I can be found, and you will find a precious treasure of the One who loves you and wants you to be One with Me in heaven. All worldly things are passing away, yet man spends more time on these things than spending precious time adoring Me. This is why My adorers are special to Me because you have chosen the better portion, and you will not be denied your reward for loving Me more than others who ignore Me."

Tuesday, April 4, 2006:

Jesus said: "My people, today's reading from Numbers shows Moses holding up the bronze serpent so all of those, who were bit by the seraph serpents, would be healed. This is a preview of My death on the cross where all of those, who look on Me, could be healed of their sins. This vision shows a future time of tribulation when all of those, who come to My refuges, will look on My luminous cross and be healed of all of their sicknesses and infirmities. This will be one of My miraculous gifts that will be at My refuges when doctors and hospitals will not be available. There will also be springs of water at My refuges that will help your thirst and provide healing as well. Do not have fear of the tribulation time for I will provide for your food, water, and shelter as your guardian angels lead you to the nearest refuge of My Blessed Mother's apparition sites, holy ground, or caves."

Jesus said: "My people, at your Warning experience, a near death experience, and at your death, you will see the contents of your own book of your life. After the Warning you will have more pages of life to add. Your life on earth is very short and you should make the best use of your time to help bring your soul to heaven and the souls around you. Many have to purge their earthly desires in purgatory before they can enter heaven. I am a gracious God and I give every sinner a chance to be saved. When you are faced with your judgment, you are all alone and you will have no excuses for the truth of your actions.

After the Warning you will have a second chance to change your lives for the better. Use every moment that you have available to better your spiritual life and do everything out of love for Me."

Wednesday, April 5, 2006:

Jesus said: "My people, greed for money is shown the worst when the parents of a family die and there is money left behind. Relatives, that had nothing to do with the deceased, are the first ones to contest any will just to get some money. Even the lawyers wrangle to get big sums of money for what little they do. Many relatives are sometimes surprised how the deceased has cut them out of the will, but they still contest it to the end. At times the bitterness over money can divide many families. This is why it is necessary to always focus on love and peace in the family, and accept any settlement that results. Money and possessions are not that important so that it divides family relationships of many years. There needs to be a proper honoring of the deceased's wishes, rather than a clash for individuals to gain the most money possible. Peace and love in the family should come before the money and possessions. Pray for these families to work out their differences in a loving manner, instead of letting greed control their actions."

Wednesday, April 5, 2006:

Jesus said: "My people, I am showing you this earthquake among crashing buildings in a populated city that is along a coastline. There are many earthquakes going on all of the time all over the world. There is little loss of life when they occur in non-inhabited areas. But this earthquake will cause severe damage in a city with a fair amount of loss of life. Just as I recommended people to move away from oceans and rivers, so I am also recommending people to live away from areas prone to earthquakes. More of these deadly events are occurring quite frequently, and you need to pray for the survivors and those helping the victims."

Thursday, April 6, 2006:

Jesus said: "My people, when you look at this glass bottle of the vision, you can see there is an outside and an inside. This is to have you understand the outside of life you live compared to your inner spiritual life of the soul. The outside life is passing away, while the inner life is eternal, and your soul will never die. When I spoke in the Gospel that a faithful person will not die, I was speaking of your soul that will live on in eternal life. When I spoke of Myself, I said 'I AM' indicating that I was God Incarnated as a man. I have always

existed because I am your Creator. Your soul came into existence when I created it at the moment of your mother's conception. Your body will die in time, but your soul's destination will be determined by your actions and your seeking My forgiveness of your sins. Those, who accept Me as Savior and have their sins forgiven, will see eternal life with Me in heaven. Those, who reject My love and refuse to repent of their sins, are choosing a path to hell. Your free will choice will determine whether you are led to heaven or hell. Those, who choose life, desire heaven, but those, who choose spiritual death, will find hell."

Prayer Group:

Jesus said: "My people, as you see Me suffering in this vision, you are also seeing Me suffer in the faces of the poor and the homeless of the world. As you approach Holy Week, your eyes are transfixed on My crucifix and how I was badly treated and killed for all of mankind's sins. Every time you follow Me through the Stations of the Cross, you can sorrow with My Blessed Mother in watching her Son suffer. It would give you great joy to attend all of the coming services that commemorate My greatest gift to all of you in giving up My earthly life for you."

Jesus said: "My people, the five wounds in My hands, feet, and side are shared with you when you meditate on the five decades of the Sorrowful Mysteries of the Rosary. When you consider how your individual sins caused some of My sufferings, you are filled with guilt and sorrow for causing Me pain. I unite all of your suffering in this life with My suffering on the cross. The nailing to the cross was most excruciating as they dislocated My bones as well. You have read the prayers of your Pieta book and are struck with the vivid detail of how I suffered."

Jesus said: "My people, your pictures, displayed on the altar, are depicting how I suffered from My Crown of Thorns. This was the sport of the soldiers to mock My Kingship. I am not a physical king, but My kingdom is upon all of you in My sacramental presence. This kingdom in heaven is a spiritual kingdom which all of My followers will share one day. Thorns are painful if you have ever handled roses that have thorns. All of these pains I endured because I had a world to redeem from their sins. Every time that you have a headache, share it with Me in wearing My crown of thorns."

Jesus said: "My people, Isaiah and other prophets foretold the kind of death that I would suffer. Many of these sayings are quoted in the New Testament as they were brought to reality in what I suffered. My people need to walk with Me and be thankful that you can express your faith in Me every time that

you can come to Mass."

Jesus said: "My people, at the Consecration this is the very time that the bread is changed into My Body and the wine into My Blood. I place My Precious Blood on the hearts of every soul so your heart will be disposed to loving Me for dying for you. The Blood of the Lamb of God has redeemed the world because it was a worthy sacrifice to My heavenly Father."

Jesus said: "My people, this memory of My death is relived every day when you do My Divine Mercy Chaplet at 3:00 p.m. in the afternoon. At this time, especially on Friday, think of My everlasting gift of life to all of you. Without My death you could not have your sins forgiven or enter into heaven. By My death you all share in the saving power of My grace that all of you now receive in all of My sacraments. Give praise and glory to Me for all of these spiritual gifts which you share with Me as I love you all so dearly."

Jesus said: "My people, how quickly Palm Sunday of My triumphant entrance into Jerusalem turned into Passion Sunday with My death on the cross. This seeming defeat of My death has truly given you My victory over sin and death. This bittersweet suffering of Mine has the joy of redeeming all of mankind. I had to pay the price for your souls and now Satan's power has been conquered. By calling on My Name you will always be safe from any temptation of the devil. Call down My Most Precious Blood on anyone who needs to be saved and My saving Blood could gain them entry into heaven if they choose it. Rejoice that you have such a loving Savior as Me."

Friday, April 7, 2006:

Jesus said: "My people, as you look around you, there are many talented people with various skills. You are seeing how I have given unique skills to everyone so they could provide for a need for your society. This is a small understanding of My creation as I bring people into this world. In the Gospel the people of My day could not comprehend God in a human form, even though they saw My works of many miracles. They also had difficulty in understanding My love for man that I would even be willing to give up My life as a sacrifice for everyone's sins. Even My people of today have a hard time accepting My very Presence in My Blessed Sacrament. I want My followers to accept Me and love Me with a simple faith. It is impossible for man with your limited intelligence to fully understand all of My Being and how I act. It is enough for you to know how much I love each of you because I created each one of your souls. Your souls will only find peace with your Lord, so come to Me daily with your humble love, and you can be united with Me in everything you do."

Jesus said: "My people, the value of things in dollars changes with inflation. The value of gold coins in dollars over forty years has multiplied by four times. The average home has also multiplied by four times in dollars. This is why possessions become obsolete and can change in value. Your soul body is always the same age in your thirties, and it also stays the same because it is not affected by time as your body is. Your body and your money are passing away with time, but your soul is eternal and will never die as the body does. If you commit mortal sin, your soul is dead to Me because it is then completely lacking in grace. I have given you My mercy of forgiveness in Confession, so take advantage of renewing the spiritual life in your soul. When your mortal sin is cleansed, you are alive again in My grace. At times it may be a struggle to get to Confession because of your poor time priorities. If you really love Me and want to keep your souls pure, then you need to humble yourself as a sinner, and come to Me in the priest for forgiveness and absolution. This feeling of joy and peace, that is yours when you leave the confessional, is the change in your spiritual life when you are healed. Remember that your eternal souls are far more valuable than any earthly money or possessions that are temporary."

Saturday, April 8, 2006:

Jesus said: "My people, much of the world's crude oil is shipped in huge tankers that are very vulnerable to mines or torpedoes. Iran and other nations are perfecting fast speed torpedoes and modern mines that can only be used to destroy ships. If war spreads to other countries such as Iran, the use of these new weapons could put all ships, both commercial and warships, at risk. With such a high traffic of oil tankers in this region, such incidents could threaten oil supplies and the environment in this oil rich area. Oil wealth and oil producing Arab countries will become a potential source of spreading terrorism and Islamic influence throughout the world. This is one more threat to world peace in addition to China and communist countries of the world. It will become more difficult in the years to come as to who is entitled to receiving the distribution of the world's energy supplies in terms of fuels. Continue to pray for peace in the world where many forces are opposing each other."

Jesus said: "My people, this scene of people being taken to detention centers is how some of My faithful will be martyred for their faith. That is why I have warned people when they see a world famine, a division in the Church, and chips in the body being forced on people, that it is time to call on Me and your guardian angels to lead you to safety at My refuges. By being

at the refuges, these evil ones will not find you at your home, and you will be protected from the evil ones who want to kill you. At one point the one world people will declare martial law as an excuse for a takeover. Their main targets will be religious people and patriots to exterminate. The evil ones will search first for leaders against them, even before martial law is declared. Some people cannot believe that your country could be taken over, but this is the plan, and you will be protected at My refuges by My angels. Trust in My warnings and you could spare your lives. Even My martyrs will be made instant saints. The tribulation time draws closer, and you should be prepared spiritually for the battle of good and evil that is going on."

Sunday, April 9, 2006: (Palm Sunday)

Jesus said: "My people, today you read in the Gospel of My Passion and Death on the cross, but you had only a few details of My scourging and crucifixion on the cross. This was an ignominious death to some, but it showed how willing I was to suffer greatly for all of the sins of mankind. I did not spare one drop of My Blood for each soul that needed My Redemption. My love for all of you is so great that this tortuous death was what I wanted to suffer for you. Once you have witnessed My great love, how can you witness your daily love for Me? How much are you willing to suffer for Me in your prayers, fasting, and good deeds for others? I have showed you this path to Calvary because every soul that desires heaven must suffer and be purified of their earthly desires. See also how I went to Sheol or the Place of the Dead to take all of the worthy souls to heaven later at My Resurrection. Rejoice in My redemption of all of your souls through the sacrifice of My Blood."

Jesus said: "My people, in the Exodus story of Moses there was a great cry from Moses to the Pharaoh of 'Let My People Go.' It was not until the tenth plague when all of the first born of the Egyptians died that the Pharaoh relented and let the Jewish people go. Even in the desert the bronze serpent on the pole was a prefigurement of My death on the cross as a healing for everyone's sins. In the case of sin, My death on the cross was My own request to 'Let My People Go' to My heavenly Father so they could be free of their bondage to sin. My Hebrew people were given manna in the desert, but now My people of today receive My Real Presence in the consecrated Bread of Holy Communion. Give Me thanks and praise for all of the gifts of Myself to you in My sacraments."

Monday, April 10, 2006:

Jesus said: "My people, this is a difficult message, but

one that is important to remind all of My faithful that you must receive Me in Holy Communion in the state of grace without mortal sin on your soul. It is a sacrilege to receive Me unworthily. Those, who commit sins of fornication, adultery, or homosexual acts, have committed mortal sins and need to come to Confession to be cleansed of their sins before receiving Holy Communion. Even if you are embarrassed to remain in your seat at Communion time, it is better not to commit another sin of sacrilege. Some priests in their homilies do not emphasize the serious nature of sexual sins and that such mortal sins prevent you from receiving Me until you can go to Confession. Those, who are living together in this sin of fornication, need to stop this lifestyle before they can receive Me in Holy Communion. Encourage any of your friends or relatives to come back to Confession if you see them in these sinful relationships. It is out of reverence and avoiding further sin that these fornicators should not go to Communion. This ugly beast in the church indicates how there are sacrileges going on at many Masses."

Tuesday, April 11, 2006:

Jesus said: "My people, St. Peter and Judas denied Me in different ways. St. Peter denied Me three times, even though he said he would die for Me. His fear of death was greater than his faith in Me before he received the power of the Holy Spirit. Judas had Satan enter into his heart when I gave him the morsel of food. He was a lover of money and he even received thirty pieces of silver for betraying Me to the High Priest. Later, he threw the money in the Temple, but his pride made him feel so unworthy of My forgiveness, that in despair he went out and hanged himself. St. Peter also was remorseful that he denied Me three times, but he was willing to repent as he said 'I love you' three times as I asked him if he loved Me. He was embarrassed with his weakness, but he was happy to be forgiven and back in My good graces after I resurrected from the dead. These are two different responses to your weakness in sin. The weakness to sin in the flesh started with Adam's sin. Yet by one God-man's suffering on the cross, sin has been conquered. It is this trust in My never ending mercy that will set all sinners free in My forgiveness of your sins. Do not despair or think that your sins are too grievous to be forgiven. I will forgive every repentant sinner, no matter how serious their sins are. So do not be like Judas, but imitate St. Peter in coming back to My forgiveness."

Jesus said: "My people, the lightning in the sky means that there are going to be many natural disasters that will signal the end times are close. All of heaven will be watching the events of the end times as you will be witnessing the last

battle between good and evil before I come in glory. Just as the apostles made preparations for the Passover Feast, so My people of today need to make preparations for the end times. Have some food and water ready to be multiplied for those who come to your door. Have your backpacks ready with your refuge supplies for the day when you will have to leave in haste for My refuges. The Hebrews ate manna and bitter herbs as a food of haste when they left Egypt. I will protect you from the evil ones with My angels just as I protected My people from the Egyptian Army. All of My faithful will receive their reward in My Era of Peace when I will defeat the evil ones and renew the earth."

Wednesday, April 12, 2006:

Jesus said: "My people, the Gospel of today is yet another account of My betrayal by Judas. (Matt. 26:14-25) I allowed Satan to enter the heart of Judas to implement My betrayal which would lead to My crucifixion on the cross. I came on this earth to offer up My life for My people, and to fulfill the Scriptures that foretold a suffering Messiah that would redeem the people because of Adam's sin. Judas' giving Me over to Caiphas was part of My means for bringing about salvation to all sinners by My death on the cross. This betrayal by one of My own apostles was known to Me from the day Judas became one of My disciples. When Satan controls people, he encourages them to commit suicide after he has used them for his purpose. Satan hates man because I have saved all of you, and he wants to kill as many as he can. Pray much My people that you stay close to Me in prayer so that the evil one cannot control your lives."

Jesus said: "My people, I am showing you this confessional because the sacrament of Reconciliation is rarely being used by most of the congregation. Why is it like this today? To some extent it is the fault of My priest sons who are not encouraging people to go more than once a year. They also should be warning the people about how serious mortal sin is for their souls. Someone could risk a judgment to hell if they died in mortal sin. Most souls that are going to hell, are going there because of the sexual sins of fornication, adultery, masturbation, and homosexual acts. All of these are mortal sins and need to be confessed before receiving Holy Communion. The sinner is at fault also for not realizing that their mortal sins need to be confessed in Confession to cleanse their sins from their soul. I am a merciful God and I gave you this sacrament so you could be forgiven and your soul restored to grace. The sinner needs to have a properly formed conscience so they know what is a mortal sin by My Word, and not by their rationalization. The sinner also needs to know of My justice and how they would be

punished for not repenting of their sins. I have redeemed all of you, but you must claim your redemption by calling on My Blood upon your sins in your forgiveness. If you refuse to repent of your sins and refuse to admit that you are a sinner, then you are on the road to hell. If you want to insure that you will not die with mortal sin on your soul, then avoid these sins and come to frequent Confession. Better to die a humble sinner in grace and go to heaven, than die a proud, arrogant sinner in sin that could be judged to hell."

Thursday, April 13, 2006: (Holy Thursday)

Jesus said: "My people, this feast is a celebration of My being a servant to My apostles and to everyone. I gave an example for My disciples in washing their feet so they could go out and serve others themselves. The most important gift was My being a servant to all of mankind by redeeming you all by My Blood sacrifice on the cross. This was the greatest expression of My love for mankind and I pray that you will love Me in return. At the Last Supper the Passover Meal has been changed to the Mass that commemorates My Body and Blood given to you in My Blessed Sacrament. The Eucharist is My gift of Myself so that you could always be united with Me whenever you receive Me in Holy Communion or visit Me in My tabernacle. My suffering on the cross is another reason that you should display a large crucifix on My altars in remembrance of My suffering for all of you, so you could now have heaven open to all of those that have been purified."

Jesus said: "My people, whenever you visit Me in My Blessed Sacrament, you are also visiting the Blessed Trinity. Wherever one Person of God is present, the other Two are also present because We are inseparable. When you come to visit Me in the quiet of the night, I will give you My spiritual rest and peace to comfort any of your burdens. Every time that you make a visit to Me in My Blessed Sacrament, you have some quiet time to drink in a measure of My Spirit, and your soul is relaxed in My grace. In My Real Presence you can feel My love reaching out to touch your heart. If you open your heart to My love, you can sometimes feel a tingling throughout your whole body. Rejoice and be ever thankful for My gift of Myself to you in My Eucharist. All of those, who follow Me in life, will witness their reward in heaven."

Friday, April 14, 2006: (Good Friday)

Jesus said: "My people, there are many descriptions in Scripture and in Tradition that describe all of the cruelty of the soldiers in beating Me, crowning Me with thorns, making Me carry My cross, ripping My clothes off, and nailing Me to the

cross. Even after I died, they pierced My Body with a spear to release the last drops of blood that I suffered for mankind. You know of all of your physical and inner hurts that you have suffered, but I suffered much more freely so that all of you could be saved by My sacrifice. Combine your sufferings with Mine as you share this valley of tears that each person must pass through in this life. You inherited all of the weaknesses of Adam to sin, but now you also have inherited the strength and grace of the new Adam in Me, as you are a member of My Mystical Body. Some of My saints rejoiced that they could offer up their sufferings and even martyrdom in union with My death on the cross. When you carry My crucifix, you can call on My Name and hold up My cross against all evil that you are tempted with. I will be your Protector, Savior, Healer, and Lord of your life. Walk with Me carrying your own cross, and I will be your witness to the Father at your judgment."

Saturday, April 15, 2006: (Easter Vigil)

Jesus said: "My people, this streak of light coming into the darkness is a sign of how My Resurrection has given hope to all men and women who want to be saved in heaven. My Resurrection is not just a seasonal time in the Church Year, but it is a promise forever to all who believe in Me as an example for how all of My faithful could also be resurrected one day into a glorified body. My heavenly Father accepted My Divine Blood sacrifice for all of mankind's sins for those who are deceased, living in the present, and those coming in the future. This sacrifice of Mine on the cross was for all time, and you honor My promise at every Mass. As Lent comes to an end, now you will be celebrating My Resurrection for the rest of the Sundays after Easter. When I raised Lazarus from the dead, I proclaimed to My disciples that I was 'The Resurrection and the Life' that will remain a core belief in your faith. Tonight you renewed your baptismal vows by renouncing Satan and affirming your beliefs in the Creed. Continue to rejoice and sing Alleluia for My victory over sin and death."

Sunday, April 16, 2006: (Easter Sunday)

Jesus said: "My people, today is the most glorious feast day of My Church of the whole year. This victory over death at the tomb is more proof to you of My Divinity as well as My humanity. I am the God-man that links you with My Father and the Holy Spirit. These various visions of Light are a witness to My glory and My victory over sin. My Light is not only to see, but it is a symbol of My abundant graces that I am willing to share with all sinners who let Me into their hearts. Do not remain in your darkness of sin, but repent and come into My

Light. Those, who seek My forgiveness, will be forgiven and joined in My graces on their way to heaven. The gates of Paradise have been opened to all souls who are willing to purify themselves and purge all earthly desires from their hearts. Make Me the center of your life, and everything will be bestowed on you that will fulfill both your earthly and spiritual needs."

Monday, April 17, 2006:

Jesus said: "My people, let there be no mistake or speculation about the fact that I physically rose from the dead during your history of humanity. You have all of the accounts in Scripture, Tradition passed on, the Holy Shroud evidence, and the succession of My popes who have witnessed to My Resurrection. Those, who have visited the Holy Sepulcher Church, have seen where I was crucified and buried. The vision of this mountain of rock represents My Church through the rock of St. Peter where the gates of hell will not prevail over it. The snake represents Satan who will not destroy My remnant Church, even to the end of time. You have My promise that I will be with you always in My heavenly Manna, the Eucharist. So have faith and hope that I will lead all of My faithful to heaven so you can be with Me in your own resurrected body for all eternity. My Church will carry on until I return again."

Jesus said: "My people, there are many secret societies in the world that use the occult to call down demonic power to help them. These demons are summoned by these occult rituals to help the rich take over the world. There is a curiosity to know what is going on at these secret meetings, but do not be led by these demons, even if they offer power and fame because in the end, it demands the cost of your soul. Avoid such gatherings because there could be some evil influence to affect your faith. It is better to be more secure in a good prayer life than to be interested in how Satan does his dirty work to entice sinners. You have seen how innocent, naive searching can lead you into occasions of sin or occult influences. In a word follow the verses in the 'Imitation of Christ' that repeat the phrase 'Do not be curious.' because your curiosity can lead you into evil influences that are not needed for you to gain heaven. Stay with holy and blessed things and avoid the sirens of the evil ones among earthly desires."

Tuesday, April 18, 2006: (Mary Reilich's Funeral)

Jesus said: "My people, Mary had a deep love for My Blessed Mother and Me. She had a strong faith that no one could take from her, despite all of her illnesses and frailties. Her love for My priest sons is especially to her credit. She had people

pray for the various priests on a given day so you could focus on how important each vocation to the priesthood is. Her life was a beautiful example to many and all of her Carmelite friends have greeted her when she died. Her love for My Divine Mercy Devotion also was rewarded her on her burial time. All of these timely signs were a tribute to her faithfulness to Me, My Blessed Mother, and the saints that she revered. She is here among My faithful in heaven, and she is joining with her fellow Carmelites in praying for all of you."

Jesus said: "My people, these empty chairs are where the older prayer warriors have died, and are leaving less people to pray because you are not seeing many young people coming to prayer group meetings. It is like a generation of faithful have lost their need for prayer, and they are not teaching their children how to pray the rosary. A good prayer life is needed to endure the trials of life. There are fewer to pray for the sick and the dying, and fewer grandparents praying for their children and grandchildren. These faithful examples for the children to model after are becoming fewer in your society. This balance of sin to prayers is being outweighed by sin in America. That is why there is more evil going on with poor morals in your actions and in your laws. Pray for poor sinners as the deceased warriors are praying for you as well."

Wednesday, April 19, 2006: (Road to Emmaus)

Jesus said: "My people, in today's Gospel there is a quote: (Luke 24:32) 'Was not our heart burning within us while He was speaking on the road and explaining to us the Scriptures.' My disciples had not yet received the Holy Spirit and they were still not fully comprehending why I had to die for everyone's sins. By witnessing the Scriptures of the coming of the Messiah, they began to realize how blessed they were to have the Son of God speaking to them in their midst. Once they recognized Me in the 'breaking of the bread', they were so joyous to see that I was flesh and blood after resurrecting from the dead. This was another account proving My Resurrection in the flesh since they saw Me that I was not a vision or a ghost. These Scripture accounts give glory and praise to God because My example gives hope to all of My faithful that you too will be resurrected one day in a glorified body. I shielded My real identity to My disciples so they would be open to My explanation of the Scriptures about Me. All of these prophecies had to be fulfilled from the Old Testament, just as all of the prophecies of My coming again will also be fulfilled. Rejoice that you are living in the days of the end times, for you will see even more glorious things to come. My disciples thought that I would return right away, but as you see, all things happen according

to My Will and in My time."

Jesus said: "My people, I have asked My faithful to have a pure heart as a young child. Learn from Me that you are nothing without My help. When you consecrate yourself over to My Divine Will, it means you are willing to give everything over to Me. Let Me direct your life in following My plan, and seek My discernment for everything that you do. Be obedient to My directions as you let Me have authority over your behavior. In everything strive to be perfect as your heavenly Father is perfect. Ask for My grace to help make you a saint, and work toward improving your spiritual life every year. You cannot achieve this perfection on your own because of your weaknesses, but with My help all things are possible. Keep looking to understand your faults, and work with Me to correct your bad habits. You need to have the desire to improve and sacrifice some comforts in order to change your ways. In all that you do, you must establish a love relationship with Me and your neighbors. Love of Me must be the reason that you are serving Me and obeying My Commandments. This love can be maintained by constant communication in prayer. Prayer and sacrifices can keep you focused on Me and helping others. Follow this life of consecration in emptying yourselves and loving everyone, and you will not be far from the kingdom of heaven."

Thursday, April 20, 2006:

Jesus said: "My people, this rushing falls of water reminds you of your Baptism when your original sin from Adam was washed away, and you were enriched with My flow of abundant graces. The picture of a calm brook is how My spiritual peace and rest has come over your soul to quiet all the chaos and confusion that sin causes in your life. You are to guard your soul's peace because the evil one wants to control your mind and soul with his temptations to sin. I have given you the armor of My sacraments to protect you from the attacks of the evil one. If you should fall into sin and lose your peace, you can have your peace and purity restored in My sacrament of Reconciliation. Once you are freed from the bondage of your sins in Confession, you will again experience a laver of My grace on your soul, and you will feel as if you were baptized again into the joy of My love. Keep united with Me in prayer, and keep close to Me in receiving Holy Communion or visiting My Blessed Sacrament at Adoration or in My tabernacle. You are never alone, and My care for you is always available to you in My Real Presence. If you cannot receive Me at daily Mass, you can call on Me to come to you in Spiritual Communion. Without Me, you are nothing, but with Me, you have eternal life. It was My death on the cross that has brought all of you My

forgiveness in Baptism and Confession. That is why your celebration of My Resurrection is this new life in your souls when grace is restored to your spiritual life. Guard your souls so you do not lose them to the evil one."

Thursday, April 20, 2006:

Jesus said: "My people, this vision of a radio announcer represents how My faithful need to shout the Good News of My Resurrection from the roof tops. Many have wanted to hear what you have heard and did not hear it, and to see what you have seen, but did not see it. Give glory and praise to God that I have been offered up by My Father so that all of humanity could be redeemed of their sins. This glorious message is a promise that I will be with you always in My Blessed Sacrament until the end of time. On Easter many faithful come to Mass in celebration of the Mass honoring My being raised from the dead. The empty seats, unfortunately, represent the lukewarm who do not come to all the Masses throughout the year. I want My people to pray for all of you to increase your faith, but especially that the lukewarm will receive grace through your prayers to come to every Sunday Mass. All of My people need to share their love with Me every day, and especially at Sunday Mass."

Friday, April 21, 2006:

Jesus said: "My people, these difficulties with your car is one example of how you are faced with trials every day. It is not so important that these things happen, but it is about how you react to crisis situations in your life, as they test your patience. You may have to deal without your car when it is in the shop, discourteous drivers on the road, and sicknesses or deaths among your family and friends. Some react negatively to difficulties with anger, swearing, or complaining. Even some get mad at Me for allowing bad things to happen to good people. All of these trials are part of life's ups and downs. If you did not get tested in life, how would you know how strong your faith is in these situations. Remember how I want all of you to live in My peace and do not let anything disturb your peace. When you are upset and violent, you allow the enemy to enter into your life and cause you to sin. Offer up all of your trials as sacrifices for your intentions, and you will be better able to deal with your stress and anger. Learning the virtue of patience is easier to talk about than implement in difficult situations. The better you can deal with trials, the better example you will be giving to those around you. If patience is a problem for you, then take a quick moment to think before you over react to a difficult trial in your life. You may be tested

with little things or big trials. If you are good in the little things, then you will be better prepared for harder trials. Do not let events control you, but work to keep your spiritual peace with Me in control of your lives. Those, who have quick tempers, need to call on My grace to get you through life's trials."

Saturday, April 22, 2006:

Jesus said: "My people, before the Holy Spirit came down upon My apostles, they were incredulous with joy at My appearance to them in flesh and blood with My wounds intact. They still were trying to fully comprehend how I rose from the dead in three days just as I had foretold to them what would happen to Me. After I ate food in front of them, and appeared to them several times, they at first thought that I would stay with them a while. Then I told them that I had to return to My Father in heaven, but they needed to wait in patience until they could receive the Holy Spirit. My people of today have already received the power of the Holy Spirit when you received the sacrament of Confirmation. This bright light from the dome of an older church represents the graces from heaven renewing My Easter people. You have such a rich heritage of faith in celebrating Holy Week and the Easter Season. Just as you see a renewal of life in nature in the trees and flowers, so your faith is renewed and strengthened in celebrating My Resurrection. Rejoice in sharing My sacraments where many of them were instituted in My last days on earth as a man. It is a little sad to Me that more people do not attend these Holy Week services that highlight the most important fact of faith in My Church in My death and Resurrection. Instead of your faith getting stronger, many of you are growing weak and spiritually lazy. Oh, if you could only have the fervor of belief that was in My Early Church converts. It is never too late to turn your love for Me around and understand that I should have a higher priority in your life. I love you all so much, and it is time to light a fire under you to love Me more than you do now."

Sunday, April 23, 2006: (Mercy Sunday)

Jesus said: "My people, this message about the coming tribulation is difficult to receive during a joyful Easter celebration. Many of the Early Christians had to suffer martyrdom for their faith because of the Romans and other persecutors. My message of love is going to be contrary to many worldly and demon inspired people. The battle of good and evil is going on around you, and you are sheltered in America compared to other places in the world. This evil age will grow worse as the one world people are tightening their grip on all

the countries of the world. When the evil ones are allowed a short reign over this world, many of My faithful will be at risk to be martyred. This vision of religious people and patriots being herded to detention centers for slaughter is in your near future. This is why I will have your guardian angels lead you to places of refuge at My Blessed Mother's places of apparition and places of holy ground. It will be time to leave your homes for My refuges after the Warning and when you see a world famine, division in My Church, and forced chips in the body as the mark of the beast. Some of My faithful will be martyred and become instant saints. Others will be miraculously protected at My refuges by My angels, and all of your needs will be cared for."

Jesus said: "My people, this corpus has been taken off of My cross, and it means that many people want to believe in My Word, but they do not want to endure the sufferings that I send you throughout life. To suffer for Me is difficult because your human condition shies away from pain. I am calling on My people to ask Me to help you to endure all of your trials. Not only can you offer up your own suffering to Me, but you can also reach out to help others in their sufferings. Even as a person is dying, you want to kill them prematurely so they do not have to suffer. This suffering could be their purgatory on earth that you are denying them. I want you to unite all of your suffering with My suffering on the cross. Some do not want to see Me suffering, but if you only knew, you would see that each one of your sins causes Me to suffer. Just as I refused to come off of My cross, I do not want you to remove My corpus either. A cross without My corpus does not give you the feeling of how much I love each of you to die for you. If you truly love Me, I ask you to return your love by patiently bearing up your pain, carry your daily cross, and help Me in others to endure their pain. This is also why I want to see you place My large crucifix on all of your altars."

Monday, April 24, 2006:

Jesus said: "My people, you need to develop the eyes of faith so you can understand your personal mission better, and see where the evil spirits are disturbing your peace. By reading Scripture and receiving My sacraments frequently, you can have My grace to strengthen your faith. The Gospel speaks about being 'born in the Spirit.' This is closely related to having the eyes of faith. Every time you have your sins forgiven in Confession, your faith is renewed as at your Baptism. When you see My Light enough to consecrate your life over to following My Will, then you are willing to change your life from your old habits of sin. It is this new life in My

love when you will be able to see this new birth in the Spirit. Just as I blessed My apostles with the Holy Spirit, so I can bless all of you with the Holy Spirit if your hearts are open and ready to receive this blessing. I do not force Myself against your free will. You must be willing to receive My Spirit to help you in all that you do. With the help of the Holy Spirit, you will be able to speak out in evangelizing souls to Me, and to defend the faith you have against all worldly problems and evil influences. Rejoice in My gift of the Holy Spirit, for He will put love in all of your intentions."

Tuesday, April 25, 2006: (St. Mark)

Jesus said: "My people, the Word of God the Father came to you through Me that is for all time to be listened to and followed. St. Mark was one of My evangelists to write down the accounts and words of My life on earth in My public ministry. The Holy Spirit guided his hand in writing the truth for My Church to proclaim. All of the Scriptures have been scrutinized for truth in the faith, and this verifies how My evangelists were divinely inspired in their writings. I have sent you many messages through the true prophets throughout all of the ages. The Scriptures are your basis in faith. You can follow other prophetic writings if you discern them to be true and they are not condemned by My Church. All of My true prophets should be obedient to My Church authorities, and their writings should be in accord with Scripture and My Church. There are false prophets and more will be appearing in the end times to try and mislead the people. Pray over what you see and read, and discern if there are good fruits coming from such good prophets. Stay true to My authentic words, and give thanks and praise to God that I have sent My prophetic Word to guide My followers on the way to heaven and doing My Will."

Jesus said: "My people, I have shown you several people waiting to take a train to heaven. Sometimes this waiting in the train station can be representing a short time in purgatory. When you die and meet Me at your judgment, there are only three destinations for your train: heaven, purgatory, or hell. Once you are on one of these trains, you cannot get off until you arrive at your destination. Those, who arrive in purgatory, are saved, and it is just a matter of time until you can take another train to heaven. Your goal during your lifetime is to love Me and follow My Will. By a good prayer life and deeds of mercy, you can store up treasure in heaven to offset your sins. You need to trust in My mercy and justice that you will be fairly judged. Your whole life should be focused on Me always, and I will lead you on the narrow road to heaven. Give Me all

the praise and glory that I deserve on earth, and you will be preparing for your praising Me in heaven for all eternity."

Wednesday, April 26, 2006:

Jesus said: "My people, this septic sewer, buried in the ground, represents your deep seated problems that are caused by the underlying immorality in your society. Because of your greed, pride, and desire for independence, you are seeing many divorces. The break up of your family life and homosexuality have left the children with little or no faith in Me. Your lack of feeling for the preciousness of life has led to abortions, euthanasia, and constant wars. Your desire of lust and pornography has led to couples not getting married, homosexual marriages, and continuing sins of fornication, adultery, and masturbation. Because you have lost your sense of shame in your sins, there are few seeking repentance and forgiveness of their sins in Confession. When a nation so turns their back on Me in their sins, and you are not loving Me and adoring Me, then that nation will be destroyed by the weight of its own sin. Destruction by natural disasters, deficits leading to bankruptcy, and violence and terrorism in your wars are leading to America's downfall. I have warned you many times that if America does not repent and change its sinful lifestyles, you will be brought to your knees in takeover by the one world government."

Jesus said: "My people, the body has many worldly desires to satisfy itself with comforts, pleasures, and possessions. But all of these things are temporary, and are not necessary to move you closer to heaven. That is why the soul at times has to separate priorities so that the body is held in check as to what it can have. The soul craves those things that are holy and lead you closer to Me because spiritual things are forever. By prayer and good deeds, you are storing treasure in heaven that will last and not decay or become obsolete. Therefore, the soul is in a constant battle with the desires of the body. This chute in the vision to the garbage can is an example of how the soul is trying to get rid of the worldly desires so the soul can enjoy My peace. You can only obtain spiritual peace with My help and it may mean shutting off some worldly thoughts that will occupy too much of your time away from Me. Focus your priorities on holy thoughts with prayers and saintly books to read. Also be willing to help others in their need. By emptying your thoughts of earthly things, you can draw closer to your Savior so you can follow My Will instead of your own."

Thursday, April 27, 2006:

Jesus said: "My people, I am a loving God and I hold up all of My children to God the Father. This vision of holding someone in My hands is how I hold everyone close to Me, and I support them whenever they call on My help. I do not force Myself on you, so you have to initiate a call for My help. I am by your side at all times ready to come to your assistance in prayer. Every day you can invite Me into your life as you make your morning offering or consecration. Before you start any task, ask for My help and your life's burdens will seem lighter. When you do everything for Me, all that you do each day becomes as a prayer offering that stores treasure in heaven. When you are in My hands giving your will over to Me, then I am like the potter molding you as clay to do the mission that I intended you to do. If you desire to follow your own will, then you are like hard stone that I cannot mold. Give your life over to Me, and you will be serving Me as your Creator intended His creature to follow. I want you to be in harmony with Me, just as all of nature is in harmony with My Will."

Prayer Group:

Jesus said: "My people, this burning flame over the altar represents the Eternal Word of truth that I brought into the world from God the Father. You remember how God the Father appeared as a burning bush to Moses. The Holy Spirit appeared over My disciples with a tongue of fire over each of them. Even depictions of My Sacred Heart show a flame of love constantly burning. I want My people to have your faith in Me burn in your hearts just as the two disciples on the Road to Emmaus."

Jesus said: "My people, it is fitting that you place Easter lilies and other flowers around My altar in celebration of My Resurrection. This show of nature is a further witness of how I provide beauty even in the flowers of the fields. The lilies are like trumpets to announce My glorious Resurrection from the tomb. As you visit displays of flowers in the spring, you are struck by all the beautiful colors giving glory to God. As I look out at all of your faces, I see the joy and beauty in your souls who give glory to Me as well."

Jesus said: "My people, wherever you see My consecrated Host in Adoration or in My tabernacle, know that My angels are all around Me giving Me praise. Rejoice when you have such an honor to be in My Presence as you give Me praise and worship as My angels do. I have given you this greatest of gifts in My Real Presence of My Eucharist. Come to visit Me when you can make time, and you will be in the presence of your Creator, Lord, and Savior. Teach your children to give Me reverence and praise for all that I do for all of you."

Jesus said: "My people, My apostles were amazed to see My dazzling appearance in My glorified Body. They were reminded of

My appearance in glory when I was transfigured before them. Once I had resurrected, My disciples could now reveal My glory both in My appearances after My death, and My appearance on Mount Tabor. If there were any doubts of My Divinity in being the Son of God, My apostles were assured that truly I was God in their midst. St. John in his Gospel goes to great lengths in expressing My Divinity and My humanity as a God-man."

Jesus said: "My people, My apostles were instructed to wait for the coming of the Holy Spirit. In this time of Easter celebration, you are also awaiting the feast of Pentecost and the celebration of the coming of the Holy Spirit. You are reading all of the beautiful accounts in the Acts of the Apostles when My apostles spoke out with the power of the Holy Spirit. My people of today also have been empowered by the Holy Spirit to speak of My Word in evangelizing souls."

Jesus said: "My people, in all of My churches you have the Light of My Easter Candle displayed between Easter and Pentecost. You also see this displayed at Baptisms and Funerals indicating I am the Alpha and Omega at the start and the end of your life on earth. Let My Light guide you through the darkness of sin and evil on this earth. I Light your way and I heal you both spiritually and physically. Give praise and glory to Me every day of your life in preparation for your being with Me in heaven."

Jesus said: "My people, in forty days after Easter you will celebrate My Ascension into heaven. It was difficult to leave My apostles, but I had to do this so they could receive the Holy Spirit. As I went up into heaven, My angels told My disciples that I would return in glory on the clouds, just as I left them. They did not know how long this would be, but it gave them hope for My Church to be a people in waiting for My glorious reign to come when you will see a new heavens and a new earth. Then you will see an Era of Peace granted to My people as I will renew the earth in glory."

Friday, April 28, 2006:

Jesus said: "My people, this large vision of Myself in the clouds represents the miracle of how I can be present and helping each one of you at the same time. When I multiplied the bread and the fish, many believed in My words because I healed their sicknesses and cared enough to feed them with My miracle of multiplication. Even when you receive Me in Holy Communion, I multiply My consecrated Hosts so each person can receive Me into their souls. Have your souls tidy and swept clean of all sin by Confession when you bring Me into your soul and body. I send you My sacramental grace as you are intimately united with My Spirit. Have your hearts open for My indwelling as you make

Me a part of your life. Every time that you receive Me in Holy Communion, you are receiving My Spiritual Bread. I have given you this promise: (St. John 6:54-55) 'Amen, Amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He, who eats My Flesh and drinks My Blood, has life everlasting and I will raise him up on the last day.'"

Jesus said: "My people, I love all of My children, but those who flaunt homosexual activity in gay parades are calling down My wrath upon their abominations. These displays are an evil influence on both adults and the children. Your society should be condemning such behavior instead of accepting it. If these people do not change their sinful behavior, then they will see more natural disasters as this flooding in the vision. You have too many souls sinning without repenting, and not enough praying to right the evils in your society. I will protect the good people, but everyone in the places of these parades may have to suffer hardship from coming disasters. Avoid the areas where these gay parades are run since these will be places of destruction. Pray for the conversion of sinners in America, or worse things will befall you."

Saturday, April 29, 2006: (St. Catherine of Siena)

Jesus said: "My people, the war in Iraq, the difficulties in Iran, and the latest terrorist group media releases are all unsettling both in the political and business worlds. Terrorist groups are becoming more active as they pick political targets against the Muslims. This destruction in the vision is a warning of more of these attacks on places of transportation in crowded train stations. In many cases it is difficult to identify which countries are behind these acts that have no concern for how many could be killed. Prayer is your best weapon against these evil intentions and to stop further wars and retaliation. A larger war is possible in the Middle East and these countries need to be making compromises instead of threats of destruction. The evil one is stirring up these war footings, but America needs to remove itself from any further fighting or bombing. It is these threats of war that are affecting your oil and commodity prices. Pray for peace more than you have in the past, because more serious consequences could happen in Iran."

Sunday, April 30, 2006:

Jesus said: "My people, rejoice that I have risen from the dead because this is like a sun filled day in all of your souls. My graces and blessings are shining down on all of you. All you have to do is ask for My grace and I will pour it out abundantly

on all of you. This Easter Season is full of joy, faith, and love that rises to a fever pitch, just as My apostles were eager to share this glorious message of My Good News. This account of My Resurrection has been shared with many over the years, but every Easter Sunday it is like a new celebration. You saw Me in the vision walking with the little children. I love everyone so much, but the little children are dear to My Heart as My angels' protection reaches out over their souls. This is why I call on you parents to guard your children from abuse and any evil influences of the world in books and movies. Remove from your house any movies or books about Harry Potter and witchcraft. Also keep any 'R' rated movies out of your house. Bring your children up in the faith so that they too can share in the joy and glory of My risen Body."

Jesus said: "My people, I am your King of All Nations and I have created the earth, the angels, and all of My human friends out of love. I am all love and I want all of humanity to appreciate My love for you because I was willing to die for your sins. I also call on My faithful to love one another and help each other instead of your wars. I want My peace and love to dwell in all of your hearts so that you will follow the mission that I have given you. Be open in your hearts to Me, and be willing to consecrate everything that you have over to Me. In order to be saints and come to heaven, you must detach yourself from all of your earthly desires so your full attention can be given to worshiping your King. You have had visions of Me as a King in heaven on My throne, and I await all of My faithful to join your King one day in heaven. Give praise and glory to your King every day and thank Me for all of the gifts that I have given you."
