Jesus said: "My people, you continue to see violence and wars continue among nations and ethnic and religious groups. Some are profiting from making weapons, while others are being killed by these weapons. Mankind needs to look more into your cold hearts for a change of heart to find love and peace, instead of anger and war. Do not let the evil ones trick you into more useless wars which only cause more hatred than bring any winners. The only peace of any consequence is My peace which is everlasting. The Light at the end of the tunnel is My Light when I will come in victory over all of these evil ones. At that time all evil spirits and evil people will be chained in hell, and I will renew the earth and bring about My Era of Peace when there will be no more wars. This time is truly coming and My faithful are hungering for this day because you are tired of evil having its way now. Trust in Me that I will not allow this evil to continue on much longer. Pray for human hearts to change and be converted before it is too late and they could be lost in hell. All who seek fame and money through war are headed for the great abyss of My justice."

Jesus said: "My people, each year that you come to your birthday, especially as you grow older, you are thankful that you made it through another year of your life. You may even wonder how many more years that you have left. One thing is for sure that you cannot guarantee that you will have even one more year, or even another hour before I may call you home. Life is a gift, and you need to treasure every new day in your life as another opportunity to praise Me, love Me, and serve Me. There are many people that are presumptuous that they will live on to an old age, and they do not want to think of the day that they are going to die. As for My disciples, you are not ready to live, until you are ready to die each day. This means that you should keep your soul pure with frequent Confession so you are always ready to meet Me at your judgment. I have another word for those who are still living. You are alive because your mission in life is not yet completed. Call on Me daily to affirm the mission that you should be carrying out for Me by using your talents for My service. So every time, that you celebrate someone's birthday, think about these thoughts as you live one more year as well to your own birthday. Love Me and your neighbor in all of your day's actions."

Jesus said: "My people, many are looking who to blame for your current credit crisis caused by so many foreclosures on peoples' mortgages. There is plenty of blame to be spread around to the various factors causing this financial crisis. Those selling the houses tend to build larger houses than are needed at inflated prices. Bankers and brokers were giving mortgages too freely to risky debtors without much concern if it was too much house, or a mortgage that the buyers could not afford, or even could not pay back. Homeowners were either not aware of how much interest they would be paying, or the bank terms were too confusing to tell. Bankers and Wall Street created collateral backed derivatives and sold them to investors without managing their risks properly. Once the people could not pay their increased interest, foreclosures started in large numbers and the inflated home prices dropped substantially, leaving people without homes and investors with big losses on these loans. In the end there was greed for people to own more house than they could afford, and greed for high commissions in sales, and greed in selling risky investments to unsuspecting investors. The real problem comes when the Federal Reserve and your government want to bail out the bankers and brokerage houses with taxpayer money and loan guarantees that may never be collected. There are many cries of injustice to save banks and people who made foolish decisions. The ripples of this crisis are affecting many parts of your economy that could result in a deeper recession than is estimated. This investment crisis has even spread to other countries who invested in these risky mortgage backed investments. This whole problem has uncovered how banks, mortgage lenders, and buyers are too leveraged and over extended in their financial commitments. Once some loans go bad, then there is a cascading of failures that leaves everyone with little or no value in their houses and investments. If your government and banks cannot correct this situation, then you could be looking at a financial crash that could make your country vulnerable to a planned takeover. Prepare for a major displacement of people in their living places and their jobs that could precipitate the beginning tribulation when you will need to leave for your refuges of protection."

Jesus said: "My people, throughout all of My creation you see various levels of hierarchy among the animals, plants, and even among My angels. You have read of the nine choirs of angels and I have shown you the seven levels of heaven. The animals have hierarchies within each

specie and along the food chains. The plants also have such an order from the smallest to the largest of trees. Even among mankind there is also a hierarchy both in the secular world and the spiritual world. You are familiar with the hierarchy of My Church where you have the pope, cardinals, bishops, priests, deacons, brothers, nuns, and the laity. In the secular world you have government leaders, corporate leaders, and all the supervision levels down to the workers. I am emphasizing these hierarchies to show you the order and responsibilities that I give to every living thing or soul. This order is not haphazard, but it is a sign of you of My hand in organizing creation. Each soul, no matter what station in life you have, has its own mission to serve Me in the best possible way. You can see that you all have a set purpose in life, even as the animals perform their lives mostly by instinct. Mankind is special because you have a soul and free will so you have freedom to obey Me or reject Me. I want you to love, obey, and serve your Creator of your own free will, and you will be in harmony with the rest of My creation. You see order in the stars of the universe, and My order even down to the very atoms that make up all matter. Give praise and glory to Me for all of creation that you see before you, since it all came from My hand and My thought."

Jesus said: "My people, this vision of the Statue of Liberty brings to mind two different kinds of freedom for both the body and the soul. In the secular world you see your country as being free because of your form of government by a democratic republic. Other nations are being controlled by either communism or dictators which controls the peoples' lives and can even even make their subjects like slaves. Freedom to own and buy your own things and property gives more dignity and independence for people over their own affairs. Many have fought wars to gain their independence as America has. There is another kind of freedom and that is religious freedom which also has precipitated wars for control. This is a separate freedom which has been repressed under atheistic forms of government, and in My Early Church there were many martyred for their faith. Even the apostles in today's reading suffered persecution from the Jewish leaders because they were proclaiming My Name and My teachings. There is a deeper spiritual freedom of the soul that is struggling against the devil and the bonds of sin and its effects on you. You have just had your Lenten time to renew your

souls with spiritual penances and devotions. Many of your Lenten practices would be better to carry out throughout the whole year. Ever since Adam's sin, man by his nature has had a weakness to sin which the devil tries to exploit to bring souls into his power. But I give you My grace through My sacraments to strengthen you against sin so you can free yourself from the bonds of your sins. Confession to a priest is always available to you so you can come to Me for forgiveness and cleanse your soul of sin. When you are free of sin, you have a spiritual peace that needs to be guarded against any control, worries, or anxieties, so you can have full trust in Me. (John 8:34-36) 'I tell you the truth, everyone who sins is a slave to sin. Now a slave has no permanent place in the family, but a son belongs to it forever. So if the Son sets you free, you will be free indeed.'

Prayer Group:

Jesus said: "My people, it is an honor for your prayer group to be visited by this beautiful image of My Blessed Mother under the title of: 'Our Lady of Charity'. The finding of this statue appeared to have a message of how My Blessed Mother sheltered this statue from being destroyed at sea. There is a great love for this statue of My Blessed Mother by the Cuban people. Remember to pray your rosaries daily for all of My Blessed Mother's intentions."

Jesus said: "My people, beware of any large ship movements in secret going toward the Middle East. This could be a signal of another conflict or pre-emptive new war started by the one world people and using American naval vessels. These war makers are not satisfied with stirring up more trouble in Iraq and Afghanistan, but they want more wars to start so they can make more blood money. Whether your Congress approves it or not, you could see a new war breakout according to the one world plan."

Jesus said: "My people, I want you to pray for all of the displaced families who will be losing their homes because they could not keep up paying for their mortgages, and are losing their homes in foreclosures. Your Congress is moving as fast as they can to put up some backing to help save the true needy from losing their homes. There are many concerns about how these lost loans will affect your economy. Billions of markdowns have already caused banks and mortgage houses to have heavy losses in their capital markets. Pray for a speedy resolution for these homeowners who may have to lose their major asset."

Jesus said: "My people, Pope Benedict XVI has been making some striking comments that have offended some other

religions. These papers in his hands represent a new encyclical that could further antagonize other people's views that could bring some persecution of My Church. I have told you that the more you promote the truth of My Word, the more the world will hate you."

Jesus said: "My people, when people start losing their homes, and employees and seniors start seeing huge losses in their investments for retirement, there will be a huge cry to their government to prosecute the culprits behind the scenes. You have seen some dramatic movements by your Federal Reserve to try to prevent a financial collapse. There are lenders who have overextended their loans with bad policies that they knew were too risky. These leaders will have to answer for their misdeeds just as you tried other corporate leaders."

Jesus said: "My people, you have seen all over your country how losses in church and school funding has precipitated some hard decisions in closing schools and churches. Many have been angry about these closings, but it would be better to focus on how to keep the existing churches running with donations. Catholics for too long have made barely token donations, but now more may be asked of your treasure because there are fewer in attendance and few priests to pastor these churches. Pray and support your churches and seminaries to provide for your future generation."

Jesus said: "My people, some of your people are being stressed because of high grain and corn prices. All of your products using such grains are seeing unusual high prices because of the demand to make ethanol. Exports and lower farm yields are also raising your prices. Cattle herds are being reduced because it is too expensive to feed them. Pray for your farmers and your current government policies that are driving up these prices, so in the future these prices could be reduced."

Friday, April 4, 2008: (St. Isidore)

Jesus said: "My people, this miracle of My multiplying the bread and the fish was performed twice for the 5,000 and the 4,000. This was performed out of compassion for the people in an isolated area without any food. This is another example of how I strive to provide for all of your necessities so you do not go wanting. This is also another connection with the Bread of Life in Communion that feeds the soul with eternal life. Even at every Mass I am sharing Myself in each consecrated Host that contains My Body and Blood. Again at every Mass you remember the

disciples on the road to Emmaus how they remembered Me in the 'Breaking of the Bread'. There are many Scriptural connections with Holy Communion, especially in the Exodus when the people were fed with daily manna in the desert. This was another multiplication for the needs of the people. There is another time coming when I will multiply your food and water in the modern day Exodus at your refuges during the tribulation. This will be for the body. If you do not have a priest for Mass then, I will have My angels bring you Holy Communion on your tongue so you can have your spiritual food as well. This is a comfort to you that I will always be present to you in My Blessed Sacrament until the end of this age."

Jesus said: "My people, you have seen a steady pattern of violent storms move up from Texas toward the Northeast. Tornadoes are common during this spring time, but their numbers are increasing for this year over normal because they started sooner than usual. Those running the HAARP machine, which makes your weather more violent, are already causing havoc with the many storms that you have had already. Continual rainstorms along with melting snow have caused some of your floods. These are the weather modifications that could be brought about with these microwave machines. Where wind patterns keep going over the same area, this is a sign of the control of the jet streams. Pray for all the people who could lose their homes to these natural disasters, and that they will have their necessities provided for them."

Saturday, April 5, 2008:

Jesus said: "My people, I want you to be dressed in My protection both spiritually and physically. You should always wear your blessed sacramentals such as your scapular, your Benedictine Cross, your rosary, and the various medals of My Blessed Mother and any of your favorite saints. Some people even carry relics of the saints or of My true Cross for protection from the evil ones. St. Paul speaks of the spiritual armor as well. (Eph 6:10-17) 'Put on the armor of God, that you may be able to stand against the wiles of the devil. For our wrestling is not against flesh and blood, but against the Principalities and Powers, against the world-rulers of this darkness, against the spiritual forces of wickedness on high. Stand, therefore, having girded your loins with truth, and having put on the breastplate of justice, and having your feet shod with the readiness of the Gospel of Peace, in all things taking up the shield of faith. And

take unto you the helmet of salvation, and the sword of the Spirit, that is, the Word of God.' You are soldiers in this battle of good and evil, and you are to defend yourself and help protect weaker souls from the devil. Call on My help in My Name, Jesus, to bind any evil spirits to the foot of My Cross in prayers of deliverance where there are signs of evil. Call on My angels, especially St. Michael in his prayer of exorcism. Use all of your weapons of prayer and forgiveness in Confession to keep your soul strong and ready for the fight of your life. Then when your life is about over, you will be able to claim the words of St. Paul. (Tim 4:7) 'I have fought the good fight, I have finished the course, I have kept the faith.'"

Jesus said: "My people, in all of your findings so far, the airline regulators have been too close to the airlines to be more demanding in the inspections. It was a few that came forward with damaging information of faulty equipment that has forced the government to make mandatory inspections get carried out. The safety of the passengers has been compromised to save money, time, and keep the flights flying. Regulations for inspections were put in place to insure safe planes, but when officials do not do their jobs, they threaten lives in potential accidents. The airlines may lose some money to do more inspections, but they should have been doing them anyway. Once a problem has been found, other planes of that make should be tested. This extra cost may raise ticket prices, but it may save lives that could be lost in an accident. This is another case when fraudulent record keeping has been uncovered, and heavy fines were applied. This is not the first time that collusion between the regulators and the industry being regulated has been discovered. Pray that those working in your government are honest in their reporting and testing."

Sunday, April 6, 2008: (Road to Emmaus)

Jesus said: "My people, this time after Easter is a glorious time to contemplate how I will resurrect My faithful into your glorified bodies after the final judgment. I go to prepare a place for you, and this empty balcony represents a place in heaven awaiting My faithful. I am with you every day at your side as I walk with you through life, even as I shared with My disciples on the road to Emmaus. In the vision of this scene of My sharing the Scriptures, referring to My mission that was foretold, I wanted My faithful readers to imagine yourselves present and listening to My words. The disciples later said: (Luke

24;32) 'Was not our heart burning within us while He was speaking on the road and explaining to us the Scriptures.' Every word that prophesied My coming had to be fulfilled, even as all that is prophesied for My coming again, also has to be fulfilled. The disciples had their eyes blinded from seeing Me until I broke bread with them at dinner. Only then did they recognize me in 'the breaking of the bread' when I blessed it and shared it with them. This recollection of the breaking of the bread at the Last Supper reminded them of My remembrance of My Body and Blood that now would be shared at every Mass. Give praise and glory to God in the gift of Myself to you in Holy Communion at Mass today because you also are sharing in 'the breaking of the bread' and you share My Real Presence in recognizing Me as well."

Monday, April 7, 2008:

Jesus said: "My people, some people are collectors of old precious gems or certain antique furniture. Other people may not appreciate the value of such things and they would not pay a high price for them. This is true of many other things that people collect or have hobbies with. On the spiritual level there are valuables as life, the soul, faith, and eternal life in heaven. These again are very basic gifts that are not always appreciated by some. Life is a gift so precious that people should revere it instead of killing babies in the womb, killing people in wars, killing people in euthanasia, or any other murders over drugs or possessions. The soul is precious and associated with every human life. It lives on forever, but there are only two ultimate destinations for souls-heaven or hell. It is for this reason that I send My disciples out to work to save souls from hell. This is also why there is a constant battle for souls between the powers of heaven and the powers of the evil spirits in hell. Faith is also a gift of My mercy, but it is also acquired by a desire of the soul to accept My message of salvation in giving My life for your sins. Once a soul has chosen a path toward heaven and a desire to be with Me forever, there are some responsibilities to follow that are directed by love of God and neighbor in My Commandments. These laws are really lessons in how to live a proper Christian life. If you are to follow Me, then you should be willing to imitate My example. See that the real valuable things in this life are for everyone, and those things will lead you to eternal life in heaven. Good deeds, prayers, My sacraments, and following My Commandments are just a few to keep you on

track."

Jesus said: "My people, you are in a battle between your people and the one world people over continuing the wars in Iraq and Afghanistan. The one world people and the Industrial Defense complex are continuing to win in carrying on with these wars to make their blood money in selling weapons, and the interest on these war debts. They control all of your candidates for president along with the Congress. The only hope for your people to stop ruining your economy and your military is to get your Senators and Congress people to stop the war funding all together. If your people do not stand up to these one world people, you will not have any country left. Pray for an end to these wars and a cessation of all of this useless killing."

Tuesday, April 8, 2008:

Jesus said: "My people, you are only mildly criticized today for speaking out against abortion, wars, euthanasia, and homosexual acts. Back in the time of St. Stephen in the Early Church, you risked being martyred to speak out against the Pharisees and Sadducees. As time moves closer to the tribulation, you will see stronger religious persecution until you will have to go underground or move to My refuges in order to save your lives from the evil ones. Some will be martyred at that time, but I will ease their pain as they fall asleep and become instant saints. Do not get too comfortable with this world's comforts and pleasures because you will be preparing to leave for My refuges. It is one thing to hear of these refuge messages, but it will be another to actually see the time to leave which is not far off."

Jesus said: "My people, in the end days of the tribulation there are going to be various plagues of insects, fungus, and germs where trees and plant life will be under attack. Sickness will also be spread among mankind and the animals. Some of the viruses will be of man-made origin, but the insect plagues are being caused by man's effects on the balance of nature. Some plagues will be of a heavenly origin that are purposely directed toward the unfaithful to God. Other plagues will be started by the evil ones who want to reduce the population for less people to control. This is why I have been repeatedly reminding you of building up your immune system with Hawthorn, herbs, and vitamins. You have seen the destruction of locusts, mosquitoes, and infestations of bugs without any natural enemy that could be brought in by travelers. Pray for My protection so you are not

threatened by these plagues, and you will have your needs provided for at My refuges."

Wednesday, April 9, 2008:

Jesus said: "My people, I am showing you in this vision how some coming plagues of disease will be spread by various insects. These plagues will be sent by heaven as part of My justice on the evil ones who will be trying to kill My faithful. This will be part of their punishment for trying to kill off more than half of the earth's population. I have given you before that the evil ones of the death culture will be trying to kill many people through diseases in the chem trails. This is when My faithful will need to leave and go to My refuges where they will have healing water and My luminous cross to be healed of these diseases. Many innocent people will be killed, and that is why they need to repent and be ready for their judgment. My Warning will come before the Antichrist so the people are prepared not to take his mark or computer chip in the body. The evil ones may even entice people to get flu shots in exchange for chips in the body. Avoid taking any chips in the body because they will control your mind as a robot. See these signs of death by pandemic disease, martial law, and mandatory chips in the body as indications when to call on Me to have your guardian angels lead you to My refuges. They will lead you with a physical sign to places of My Blessed Mother's apparitions, places of holy ground, or caves. You may be led to interim refuges along the way to your final refuge. You will see miraculous healings, miraculous protection from the evil ones, and all of your bare necessities provided for you at My refuges. Pray for the strength to follow Me in blind trust, and leave all of your belongings behind except your backpacks. Those, who are faithful to Me, should have no worries or fears of these things because you should be ready to die any day."

Wednesday, April 9, 2008:

Jesus said: "My people, when you have a glass display as this small glass hutch in the vision, you want to show off your best looking items that you own. So it is with your life, you want to show off your best success stories and take the personal credit for them. Your failures and your sins you do not want to show, or even talk about, and you even make excuses when they become known. I see everything of every soul in a full light, both the good and

the bad. I make a judgment of your life based on the intentions in your heart for every action. Everything, that you have, has been gifted to you from My abundance of graces and blessings. You should therefore be giving Me all of the glory for your successes, and not just yourself. You should not carry out your work just to gain fame for yourself, but you should be eager to work so you can give Me all of the glory. Everything, that you do, should be for My greater glory. Then your humility will be sincere, and you will not be boasting of yourself." (2 Cor 10:17) 'But he who boasts, let him boast in the Lord.' (Eph 2:8,9) 'For by grace you have been saved through faith; and that not from yourselves for it is the gift of God; not as the outcome of works, lest anyone may boast.'

Thursday, April 10, 2008:

Jesus said: "My people, I sent My apostles out to evangelize souls all over the world. They taught My Word, baptized the people, cast out demons, and healed many. St. Philip was allowed to vanish from the eunuch because My apostles could also bilocate to spread their mission. Many powers were bestowed upon My apostles so the people could see their works and believe in My power that was in them. (Mark 16:17,18) 'And these signs shall attend those who believe: in My Name they shall cast out devils; they shall speak in new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands upon the sick and they shall get well.' St. Peter, even through My Name, raised Tabitha from the dead at Joppa. (Acts 9:36-43) Many miracles were performed before the people through My disciples, and even today healings still occur and demons are exorcized from people. Those, who pray in My Name in true trust, will also see miracles and healings through the power of My Name as St. Peter and St. John healed the lame beggar. (Acts 3:1-11) Trust in Me through all of your trials, and if you should encounter evil spirits, you can bind these evil spirits in My Name to the foot of My cross, and they will obey you. Some or groups of evil spirits may require prayer and fasting as My apostles experienced. My power is greater than the evil spirits, as I have defeated sin and death on My Resurrection."

Prayer Group:

Jesus said: "My people, there are some people who are addicted to alcohol, and having one drink could lead them into drinking to excess. This addiction to alcohol is difficult to cure until that person realizes that they have

a problem, and they desire to get help. Some organizations as Alcoholics Anonymous, and some government organizations can direct them to handle withdrawal symptoms. There are demons attached to these addictions and deliverance prayers are needed to exorcize these spirits. At times you need to be loving these people by removing their source of alcohol. This vision of just bottles of carbonated soda is a hint to stop the excessive drinking of alcohol. By not being an enabler and much prayer, you can give any alcoholic the best chance for recovery."

Jesus said: "My people, you have been witnessing several weeks of severe weather where tornadoes and rainstorms have been causing great devastation and widespread flooding. Fortunately, enough warning is being given so most people are able to get into basements or safe rooms for protection from the strong winds. Much damage has occurred and it is continuing to increase as the flooding along the Mississippi River causes further problems downstream. Pray for the people affected that they will be safe and have help provided for them."

Jesus said: "My people, it is unfortunate that some so-called religious groups are encouraging polygamy and the abuse of young girls in a restrained relationship with older men. It is first hard to understand how the parents of these girls are allowing this to go on. It took one brave girl's complaint of abuse to shed light on this whole scene. There are rights at stake, but it is the abuse of such women and the violation of civil law that has caused the removal of these women and children to a safer setting. Pray that such an injustice can be resolved so these young adults could be counseled and given options where they want to be."

Jesus said: "My people, many of you as voters are in a dilemma of who to vote for. On the Democratic side both candidates have openly advocated in favor of abortion and even partial birth abortions. The Republican side has advocated to continue the war for a long time, which I have told you in messages that it should be stopped to stop so much killing. Killing life in the womb is a sure death and violates My laws against the Fifth Commandment. Candidates favoring abortion are the most offensive to Me on moral and physical grounds. People have freedom to vote as they please, but if your nation continues to support abortion, you are choosing to call on My wrath in your natural disaster punishments."

Jesus said: "My people, many have speculated about the date for the coming Warning or Illumination of Conscience.

I tell you as I said before that no one will know the date of the Warning. This time grows closer as all the signs of evil are about you and many end time signs are occurring. I want My people to keep your souls pure with frequent Confession so you will always be prepared to meet Me in your mini-judgment or your judgment at death."

Jesus said: "My people, your fuel costs have been hard on your personal budgets, but this cost for all forms of transportation are raising the cost of many tickets. Some of this fuel cost will be inflating your food prices as well as other transported goods. It is hard to place any blame for this problem, but commodity prices for all goods will increase as the value of your dollar goes down. Pray for your people as they are facing a recession and some unemployment."

Jesus said: "My people, getting upset or agitated by any event in your life is not the way to let things affect you. I have told you many times to be pure in your heart with My grace and protect your peace at all times from anything going on in the world. When you have trust in Me to help you endure every trial, you should not have any worries, fears, or anxieties about life's events. Take each situation one at a time and call on Me to help you in your needs without losing your temper or complaining. Be humble in your peace with Me, and you will have nothing to concern you."

Friday, April 11, 2008: (Domenic Strollo Funeral Mass)

Jesus said: "My people, Domenic was very close to nature and he enjoyed cooking for people, especially his family. That is why this vision of an outdoor get together is a combination of both things that he liked to do. His friendship and accommodation of people's needs was his life. By helping people, you are showing your love for Me and your love for your neighbor. It is sad to have to say good-bye to a family member when they die so suddenly. Everyone would have liked to have been present for him at the moment of his death. Be consoled that he led a good life, and he will soon be with Me in heaven. You should always direct your prayers and Masses for those who die, so they will not be forgotten if they remain awhile in purgatory. Domenic wants to tell everyone of his family and friends how much he loves them and to thank those who came to the funeral. He especially wanted to thank those who provided the food. Having a reception to feed everyone was his best way to say good-bye."

Jesus said: "My people, seeing all of these people in

war being killed in the vision is a sign to you how Satan is allowed to rule and directs the one world people to do his bidding. The one world people with their money and power have created and carried on the death culture from their master, Satan. These people create dictators and fund communism to create a need for war and an excuse to kill millions of people. The 'war on terror' is their latest tactic for constant war. They fund abortion clinics, the making of AIDS, and many other diseases for the express purpose of reducing the population. I have mentioned how they will use chem trails to kill off a major part of the population giving them less people to control. These are the same people who want to use the mark of the beast or chips in the body to control people's minds. They are the same people who have created the European Union, and are working to bring about the North American Union, and other unions around the world. Then they will join these unions into a one world government which they will give over to the Antichrist to control. This is their evil plan, but I will protect My faithful at My refuges, and I will warn everyone at the Warning not to take any chips in the body, and not to worship the Antichrist. At the end of the tribulation, I will bring My Comet of Chastisement that will destroy all of the chips, and I will cast all of the evil ones into hell during the three days of darkness. I will then renew the earth and bring about My Era of Peace for My faithful. Rejoice, because you will see My victory in your life time."

Saturday, April 12, 2008:

Jesus said: "My people, 'Peace be with you', is how I greeted My apostles, and when they saw Me, they believed. Now I come to you in Holy Communion with the same words, but does everyone believe in My Real Presence under the appearances of the consecrated Bread and Wine? This is a gift of faith from My heavenly Father to believe in the transubstantiation of the bread and wine into My Body and Blood. I told the people: (John 6:54,55) 'Amen, amen, I say to you, unless you eat the Flesh of the Son of Man and drink His Blood, you shall not have life in you. He, who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' At these words many had difficulty in believing in Me, and they turned away from Me. I questioned My apostles, but St. Peter was faithful and said: (John 6:69,70) 'Lord, to whom shall we go? Thou hast words of everlasting life, and we have come to believe and to know that Thou are the Christ, the Son of

God.' This is the same faith that I ask of all of My disciples, to believe that I am fully present, Body and Blood in the consecrated bread and wine. I know that a good number of Catholics do not believe in My Real Presence, but I am still there just the same, whether they believe it or not. This is why when you receive Me in Holy Communion, you have the closest taste of heaven because I am intimately present to you in your soul and body. Treasure this time with Me, and share your troubles and thoughts with Me, for I will give you the grace to endure all of the trials of life. If you have Me sacramentally present in My Church, how could you leave Me for any other belief?"

Jesus said: "My people, this vision shows one of My faithful on the cross, but I am still there with them in sharing their pain. Many people are struggling in these hard economic times. You are having to pay more for your gas and food which are basic to every family. Taxes on your property, health care costs, and cost for education are always increasing at a faster rate than your income is increasing. The poor and those on fixed incomes are finding it even harder because there is no fat or vacation money to cut back on. Those, who have experienced damage to their homes from natural disasters, or those, who are losing their homes to foreclosures, are completely stressed out. As your recession progresses, there are still more to suffer who are losing their jobs. Call on My help in carrying your cross for both financial and physical problems. When you trust in Me, I will help you to work through your trials."

Sunday, April 13, 2008:

Jesus said: "My people, I am the Good Shepherd and My faithful follow My voice as I lead you on your path to heaven. My faithful need to have complete trust in Me as sheep follow the shepherd. When you come to Mass, I feed My faithful with the Bread of heaven in My Eucharist. Every day call on Me, and I will be at your side to lead you to green pastures. Even as I shepherd you, I call on all of you as well to go out and shepherd the lost and lukewarm sheep of My Church. There are some who stray away from Sunday Mass and the sacraments. They need to be brought back to Confession and appreciate the reverence that should be given to My Real Presence in My Blessed Sacrament. You especially need to teach and encourage your young people the importance of honoring the Lord's Day by coming to Mass on Sunday. At times it is hard to find

many young people coming to church because their parents are not keeping up their spiritual traditions. I call on My faithful to keep strong in your faith, and be a good example to your family members and those in the world."

Monday, April 15, 2008:

Jesus said: "My people, I am making a suggestion to My faithful, and especially to those who have refuges, or who are preparing interim refuges with Mass kits and vestments. I know it is difficult to suggest refuge preparation to some priests, but they too will have to seek protection from the coming persecution of religious people. Many have secured Mass preparations, but you also should pray for a priest, or talk to some priests that you are providing a place to stay for the underground Church. These priests may not want to hear of the coming tribulation, but they would appreciate knowing of some places to go when trouble comes. I told you that in the coming tribulation you would be fortunate to find a priest for Mass. Even if you cannot have a priest for Mass, I will have My angels deliver My Blessed Sacrament on to your tongues. In situations even today when you cannot get to a Mass, you can pray to Me to have a spiritual Communion so you can be united with Me every day. You are seeing closing churches and fewer Masses being offered as you deal with people who are falling away from their faith. These end time signs are all around you, so prepare the best that you can for underground Masses, and for a priest to say Mass and be with you."

Jesus said: "My people, you have seen many churches closed all over your country, and many of them may be in disrepair. This vision of this small church is a suggestion for purchase by some prayer groups that want to have a refuge for people to come to. The land of a church has been consecrated and this is one requirement for a refuge. A church in a more remote location may suit a better place for such a refuge. This also is already built, even though it may need some repairs. It is sad that they are closing so many of My churches where people are losing the opportunities of having My sacraments and visiting My tabernacles. By making some churches into refuges, they still could be used for religious purposes than being destroyed or used for secular uses. This requires prayer, discernment, and a purchase commitment for those undertaking such a project. Trust in Me that any such refuge would have My angel protection, and it would provide for those needing a place to stay during the coming

tribulation."

Tuesday, April 15, 2008:

Jesus said: "My people, you are reading accounts of My Early Church and how My disciples had to suffer much persecution, and actually had to hide in order to save their lives. All of My apostles, except St. John, had to suffer martyrdom, but they are all in heaven with Me for their being faithful to Me, even under the threat of death. Some of My disciples chose to suffer great torture rather than give up their faith. Even today I do not know how many would be willing to suffer death instead of giving up their faith. In the coming tribulation you will be persecuted severely again. You will be tested with giving up your wealth and possessions if you do not take the mark of the beast or a computer chip in your body. Refuse to take any chips in your body, and refuse to worship anyone but Me. Eventually, the evil ones will even want to kill you in death camps if you are religious and believe in following Me. Following Me has its costs in this life, but your reward in heaven is a far better reward than any earthly loss."

Jesus said: "My people, it is not too often that you have the Pope in Benedict XVI come to visit your country. He comes at a time when the priest scandal is still fresh in your memory. The Pope is trying to heal the wounds of any lost trust in the priesthood all over America. Your Catholic faithful need some leadership in how to move on after this scandal. In addition to this problem, there is a declining membership, and churches and schools are being closed. The Pope is in your country to rally the faithful and put new life back into the Roman Catholic Church in America. Join with him in these rallies to rekindle the Light of faith so My people of America can repent of their sins and come closer to your Lord. You are approaching a time of evil when you will need all of the spiritual strength that you can gather. I am with you always in My Blessed Sacrament to bring you to your reward in My Era of Peace."

Wednesday, April 16, 2008:

Jesus said: "My people, I am warning you about the coming beast in the Antichrist, as you are seeing in this vision. I have blanked out his eyes because he will have demonic powers to entice you to worship him. He will appear as a man, but he will be very charismatic and with a forked tongue of deception and lies. He will try to solve

the world's wars with talk of peace. He will be given control of the world government over the unions, but then he will become a tyrant ruler enforcing mandatory chips in the body of everyone, or they will be killed. During the Warning experience you will be warned not to take any chips in your body and not to worship this Antichrist. I have also warned you after the Warning to remove your TVs and computer monitors out of your houses so you do not look at the Antichrist's eyes of powerful deception. When you see mandatory chips in the body, massive disease spread by chem trails, and martial law, you should call on Me, and your guardian angels will lead you to the nearest refuge. These refuges will be places of My Blessed Mother's apparitions, holy ground places, or caves. At My refuges you will find the luminous cross and healing water to protect you from diseases and all illnesses. My angels will protect you from the evil ones who will be trying to kill you because you are with Me. The battle of good and evil will become more physical, but you will see the evil ones lose the Battle of Armageddon. There will be some who are martyred for their faith, but they will become instant saints. Have patience and hope in My power since at the height of the Antichrist's power, I will come and defeat him with My Comet of Chastisement. I will send the evil ones to hell, and renew the earth for My Era of Peace."

Jesus said: "My people, this vision of a fortress of protection represents another means of your spiritual protection. I gave you a message earlier of how to put on your spiritual armor to fight the demons. There is another defense as well, and this relates to the foundation of your faith. In your early years, you were taught the faith in your Catholic grammar school and in Catholic college. You were also given good example from your father and mother. It is one gift of faith to be given an opportunity to be taught about the sacraments and how to live a Christian life of love of God and neighbor. It is another gift of faith to remain faithful to these beliefs throughout your whole life. You are tempted many times to follow the worldly ways, New Age, or false religions. But if you are firmly rooted in your spiritual foundations and traditions, you will have My strength to dismiss these temptations and remain faithful to Me. Pray that you will be strong through these temptations, and you can heal any wounds of sin in Confession in your repenting of sin."

Thursday, April 17, 2008:

Jesus said: "My people, I am giving another message

for those planning to have refuges and even interim refuges. I have given you before that you will find water at all of My refuges because you cannot survive without enough water. The small problem comes that you cannot depend on a public water company to deliver your water line because they will be controlled by the Antichrist, and you would not want a chip in your body to pay them for the water. This is why you need an independent source of water for drinking, washing, bathing, and for any gardens. I am showing you a deep shaft for a water well that would be desirable to have built in preparation for this need for water. If you cannot have one, I will still provide your water miraculously. This making of a well is just one more job that you will need for your preparations. Preferably you would want a mechanical backup in case you cannot provide electricity. Water may seem simple and ordinary, but it will be crucial for having many people at your refuge. I have been emphasizing these refuge preparations because the time for your trial and persecution are not far off, and you need to follow My advice to be prepared physically and spiritually."

Prayer Group:

Jesus said: "My people, you are seeing Pope Benedict XVI working to try to bring reconciliation to the victims of the priest's abuse that has caused such a scandal. Even though these abuses are grievous, it is the lawyers who are profiting most from the money won in these trials. This is why many churches and church funds have been lost to these lawyers and their clients for cases of over thirty years ago. This pope is also trying to bring peace between various religions. Pray for your priests, bishops, and the pope, that they may lead My faithful on the right path to heaven."

Jesus said: "My people, seeing this trumpet in the vision should alert you to the angels who will blow their trumpets in the Book of Revelation. There are seven trumpets and these angels are already warning you of the events that they will usher in at each of their trumpets. These events are definitely a part of the coming tribulation which is already giving signs of its beginning. I would ask that you read about these trumpets in Revelation to be aware of what is about to take place."

Jesus said: "My people, you have seen the author of the Harry Potter books in the news defending her copyright from others writing on this subject. She has become a rich person from selling these books, but she has poisoned many young minds who read about these spells and incantations

that lead directly to witchcraft. There is evil hidden in these stories, and it is even more appalling that she is spreading this for a profit. Avoid the Harry Potter books and movies in your house because they could lead to an evil influence."

Jesus said: "My people, I have given you the blueprint for the takeover of the North American countries of America, Mexico, and Canada by the one world people. They want to do away with national boundaries and national sovereignty so they can move ahead with their plans for a world government that they call 'the new world order'. You have seen how by stealth that the European Union was put in place without any consent of the people. Now again this North American Union will be forced on the people in the same way without the consent of the voters in each country. These unions will be combined for the Antichrist's coming to power all over the world. Have no fear because in the end I will be the victor over these evil ones as they will be cast into hell."

Jesus said: "My people, praise and worship are reserved strictly for God and not for any earthly figure, no matter how famous, rich, or powerful that they may be. You have seen such figures that have led countries to strive for world control. Communism and Nazism have both sought world domination. Now you are seeing the one world people striving for a world government through their money and power in setting up unions of countries on various continents. This movement is being led by Satan as he wants the Antichrist to reign over this new world order."

Jesus said: "My people, be aware that the one world people are already making preparations for capturing religious and patriotic people whom they see as a threat to their new world order. This vision of shackles on trucks and railroad cars is real as you have discovered, and people will be taken to detention center death camps at the announcing of martial law. I have My faithful also making preparations at refuges so My people will have a place of protection to hide from the authorities who will try to kill you for your faith in Me. Read in the Book of Revelation how the evil ones want to kill those who will not take the mark of the beast and will not worship the Antichrist. Pray for My help to warn you when it is the time to go to My refuges with your guardian angel."

Jesus said: "My people, I have given you many messages concerning the preparations for My refuges. I have told you that everyone will have their own living quarters, even if it has to be a multistory building where there is little

land. Be at peace that I will perform many miracles of grace through My angels that will protect you and provide for your needs. It is difficult to tell people of this coming tribulation, but they can read about it in the Book of Revelation and see all of the signs of evil all around that describe the end times. Be patient and have hope in your God, for I will be the victor over these evil ones. You will have your reward for being faithful to Me when you come into My Era of Peace."

Friday, April 18, 2008:

Jesus said: "My people, some people have a deeper feeling for knowing the roots of their family name than others. Some even research their ancestry back several hundred years. This coat of arms in the vision is a sign of who your family is. All of you have roots that eventually lead back to the first man, Adam. Years ago knights would wear their family coat of arms on their shields. You may not need shields in your physical world, but you do need shields and protection in the battle of good and evil with the demons in the spiritual world. Those souls, who are struggling to reach heaven, know of this battle of your spirit against the desires of the body. It is a daily fight that you wage against the temptations of the world and the devil. In every action you must choose between Me and the world. Your goal should be to know, love, and serve Me, which means avoiding sin against My Commandments. Some souls, who are more worldly, do not even realize that there is a battle going on for souls because they have lost their shame of sin. I call on My faithful to pick up your crosses and follow Me because your battle shield is using My protection and that of your guardian angel. You are to wear the armor of your faith and blessed sacramentals to protect you from the demons. The more you allow evil and sin into your life, the weaker you will be in fighting off temptations. So keep strong against the evil one by calling on My Name against him, having a good prayer life, and going to at least monthly Confession. Not only should you fight to save your own soul, but you should also fight the evil ones in saving and protecting other souls in the world who may be weak against sin."

Jesus said: "My people, I am giving you an inside picture of what it will be like when prisoners, who refused chips in the body, are sent to the detention center death camps. There is no doubt that the intention of the one world people is to eliminate the religious and patriotic

people that they detest. They will gas their prisoners with toxic gases to kill large numbers at a time. Then they will cremate the bodies in very hot incinerators to get rid of the bodies. This elimination of those on their hit list is in addition to the large number of people that they will kill with deadly viruses from the chem trails. Those, who want to be martyrs, can stay in their homes and the men in black will carry you off to the death chambers as in Nazi Germany during World War II. Those, who want to be protected at My refuges, will call on My Name and I will direct your guardian angel to lead you to the nearest refuge of protection. Trust in Me and I will make you invisible to your enemies so you can be shielded from them harming you. Give praise and glory to your Lord as you thank Me for providing you these refuges of protection by My angels. Be patient and you soon will see your reward in My Era of Peace."

Saturday, April 19, 2008:

Jesus said: "My people, today in the reading from the Acts of the Apostles St. Paul quotes from Isaiah (49:6): 'I have made you a Light to the Gentiles, that you may be an instrument of salvation to the ends of the earth.' This was a prophesy about Me that I was not only sent for the salvation of the lost sheep of Israel, but I was sent for the salvation of everyone, including the Gentiles. St. Paul was My missionary among the Gentiles and they were exceedingly happy to receive My Word and many were converted to the faith. Many of you today may not be a part of the chosen people of the Jews, but you also are among the Gentiles and are happy and joyful that you are a part of My faithful disciples. You do not have to be a Jewish person to be saved, because I died on the cross for the salvation of all of mankind from their sins. Everyone will know in their Warning experience that you cannot come to heaven unless you come through Me. As I told My apostles, the Father and I are One in the Blessed Trinity. I am the way and the truth and the life. No one comes to the Father except through Me. So My people of today, even if you are Gentiles, you have eternal life through Me."

Jesus said: "My people, when you saw the closed doors to the church, they represented the closed hearts to My love. Many times I come knocking on the door of your heart, but each person has to make a personal choice to let Me into their lives. When these greeters opened the doors, they were not only letting the people come into Mass, but they symbolized how this whole church was now open to My

graces and My love. In order for Me to come into your lives, you must place Me at the focal point of your life. Consecrate everything over to Me, and I will lead you on your path to accomplish your mission in life. Everyone needs to accept things openly with an open mind so you can understand My ways without being clouded by the ways of the world. Pray for discernment in all that you do so you have Me helping you through every trial in your life. By keeping My peace in your heart and being open to understand what is expected of you, you can accomplish the mission that I have given you."

Sunday, April 20, 2008:

Jesus said: "My people, in today's Gospel reading I want to focus you on one statement: 'I am the Way, and the Truth, and the Life.' This vision of an open Bible is showing you the way to heaven by My Word in the Gospels. When you read the accounts of My life, I am giving you a life of love to imitate. St. Thomas asked Me where is this way, but I offer you eternal life so you can follow the path to heaven. This path is the same way to Calvary that each one of you must pick up your cross and carry. You share your everyday suffering with My suffering on the cross. The Way of the Cross is not desired by the body or worldly people, but it is the only way to prove your faith in My words. I have also given you the words when you know the Truth, and the Truth will set you free of the bonds of your sins. There is truth in all of My words that you can read in the Gospels. You can depend on Me that I will never lead you astray, and I will always love you. This is contrary to Satan who can mix in lies with true facts, but he always hates you. While I was on trial before Pilate, I told him that I was born to testify to the Truth. Everyone who belongs to the Truth listens to My voice. One of the most profound statements that I gave on Life was when I talked to Martha right before I raised Lazarus from the dead. (John 11:25,26) 'I am the Resurrection and the Life; whoever believes in Me, even if he dies, will live, and everyone who lives and believes in Me will never die.' This is a contrast between the life of the body and eternal life of the soul. Once you come to heaven, you will truly have life to the fullest. Only after the final judgment will you be reunited with your body and you will be made whole again. This eternal life with Me in the beatific vision is the ultimate goal of your soul."

Monday, April 21, 2008: (St. Anselm)

Jesus said: "My people, in the first reading you saw how St. Paul healed a crippled man when he saw that the man had faith to be healed. I also healed many people while I was present to you as a man, and I went one step further because I wanted to heal the whole person. This is why many times I told the person 'your sins are forgiven' first to heal their soul, and then I healed their limbs, their eyes, and even a few I raised from the dead. The people around St. Paul were astounded that he could heal a crippled man from birth. Their reaction was to praise St. Paul as a god instead of giving praise and thanks to Me. Even among your people, they are more awed by a healing of the body, than a conversion of the heart to loving Me. But the body is in a constant state of decay, and a healing only postpones another failing, and eventually death itself. It is the soul that lives on forever and it is immortal, whereas the body is mortal and last but a short time. Among mankind a gift of conversion is a mild thanks, but in heaven there is great rejoicing among every angel and saint over one that is saved on earth. Be grateful to Me for any physical healing, but see the need even on earth to rejoice even more when a soul is converted to the faith and believes in Me."

For Father Bill: Jesus said: "My people of this church, you have great faith in Me and you have built a beautiful shrine and cross to honor My Blessed Mother and Me. These grounds are consecrated and they will truly be a place of protection for the people in the end times. I will have My angels protect this area and provide for the food and water and shelter for those who come here. Many of My messengers have had messages and visions here, so they are your blessing for this refuge."

Jesus said: "My people, today I want to direct your attention to the need for family prayer both at meals and praying the rosary together. Whenever you have two or more praying together, I am there in your midst. It is not easy to have the family together for the evening meal, but you can try to make prayer a family custom at that time. You all have busy schedules, but put aside a few minutes after supper to pray the rosary together. You have wars and much discord in the world, and world peace starts with peace among each family. Family prayer is very powerful in protecting the family from divorce, discord among members, or a falling away from the faith. By daily prayer you are also giving good example to your children in having a good prayer life to help them through the difficulties of life. Life will always have challenges and troubles to deal with,

but if you have Me and My Blessed Mother helping you, they will not be as severe. We are always available to you in prayer, so call on us every day for help in your daily consecration of everything over to us. By loving Me and everyone, and walking in My Light of grace, you will have fulfilled your mission in life. Remember your family prayer because it is an important part of your life."

Tuesday, April 22, 2008:

Jesus said: "My people, as I was about to go back to My Father in heaven, I was preparing My apostles to wait for the Holy Spirit to empower them in evangelizing all nations to a belief in My words. My apostles were very excited to see Me after My Resurrection, but now they had to realize that they would not be seeing Me anymore in the flesh. My faithful of today have already received Confirmation with the Holy Spirit, and I call you also to evangelize all the nations. I give My peace and graces to you so you will have the strength to accomplish your mission. Rejoice as My apostles did, because it is so important to spread the Word of My Good News of salvation to all of the people."

Jesus said: "My people, this car crashing is a sign that you could have trouble keeping your cars running if you do not have enough gasoline to run them. If fuels become too expensive or become in short supply, this could drastically affect how your people eat and travel. There are not enough alternate fuel supplies available to replace all of the gasoline that is currently being used. Other means of travel may come back to horse and buggy if cars and trucks no longer have any fuel, or if there are cut backs to limit the burning of fossil fuels. The hay falling off of the buckboard in the vision represents an increasing shortage of enough food to feed the world. Poorer crop yields from not enough water, and various insect damage could lead to famines in various parts of the world. As deserts grow larger, fresh water becomes scarce, and farm land decreases due to building new homes, then there will be less farm land to provide for the food of the world. Good farm land is being used for the wrong reasons, and America may see food shortages from this as a result. Pray for the food and water that you will need, and for the food that will need to be multiplied for your survival."

Wednesday, April 23, 2008:

Jesus said: "My people, this view of a small area for gathering the cattle for slaughter represents how some

ranchers are culling their herds because it is getting too expensive to feed them with grains. This same problem is true for chickens and other animals sold for meat. The idea to grow corn to make ethanol is now creating a demand for more corn seed and fertilizer which is competing with food crops for land and seed as well. You are seeing shortages and higher food prices as the cost of fuel to run tractors and ship the produce increases as well. If America is having problems to supply their own food, imagine how the rest of the world is hurting to grow enough food. You keep seeing news articles in the third world of increasing problems with crops and famines. The signs of a coming world famine are all around you. As you see more natural disasters, diseases, and pest problems increase, you could see an increasing risk of a coming world famine. Pray for the hungry people to find enough food, as many will begin dying as a world famine continues."

Wednesday, April 23, 2008:

Jesus said: "My people, every family has to deal with the household duties and a way of bringing in an income. In some instances both the husband and wife work, which makes it hard on the children when they come home from school. It is even harder on any single parents when the money brought in is very small. Financing a house, a car, food, and taxes does not leave much left over for health and education expenses. With a loss of good paying jobs, and inflated food and gas prices, families are being stressed to the breaking point. Some families may even share a house or car to help make ends meet. As your recession and housing problems continue, more people are at risk to lose their homes and jobs. Pray to Me for your physical and spiritual needs, no matter how desperate they may be, and I will answer them in My way."

Thursday, April 24, 2008:

Jesus said: "My people, I am giving you this vision of a lighthouse as an example about My perpetual love for everyone, and how I am always looking out for your protection as well. I showed you how much I love you by dying for everyone's sins. My love did not stop on the cross because I always love you at all times just like the constant light of the lighthouse. Even though your love for Me may be hot or cold at times, My love is forever because I am love itself. In today's Gospel I told My disciples that whoever loves Me will keep My Commandments.

Even My Commandments are all based on love of God and love of neighbor. When you see the gifts that I give you and how much I care for you in protecting your soul, you can come to know and love Me more. Love is all about making a commitment between the lovers, just as in a good marriage. Your daily commitment to Me should be your consecration of everything over to Me. By focusing on Me at all times for your direction and staying close to Me in My sacraments, you will always be living in My love. When you truly love Me, you will do everything in your power to avoid offending Me in sin. Striving to live according to My Will is all about dying to self and following My ways instead of your ways. Let your love for Me blossom in your life, and share My love with others around you."

Prayer Group:

Jesus said: "My people, this empty chair with Egyptian markings on it represents the chair of power for the Antichrist. He will be going to Egypt to be anointed by the high priest of Satan. He will be put in charge of the European Union and he will have his brief reign before I will bring his power to a close with My Comet of Chastisement. Do not have any fear of the evil ones, for I will protect you from being persecuted when you are made invisible. Trust in Me and you will soon see My victory once you see the Antichrist taking his seat of power."

Jesus said: "My people, as you first are led to your refuges of protection, you will be awed to see this tall angel who will be protecting each refuge. This angel will make you invisible to all of man's means of detection. The angel will protect you from all of the evil demons and evil people who are trying to kill you. As you look upon the luminous cross or drink from the miraculous healing spring, you will be healed of all diseases and infirmities. Give praise to God for your protection and healing."

Jesus said: "My people, I have protected many of My saints and prophets in caves, even though the caves may be cold and damp. My angels will provide you with water, air, and light in these caves. Any animals in them will be removed to avoid any danger. The caves will protect you even from the coming Chastisement. After that trial, you will be brought out into a renewed earth in My Era of Peace. Again, have no fear, and put your trust in My power over the evil ones."

Jesus said: "My people, even as you plan ahead for building a house, you also need prayers and discernment for what is needed at one of My refuges. I will show you the physical needs and even ways to help the spiritual needs

for those coming to the refuges. I will give everyone who comes to a refuge a grace of confidence in My miracles of providing shelters and multiplication of all that you need for food. As soon as the people see these miracles being performed, they will then relax from any previous anxiety. See the places that I go to prepare for you for during the tribulation."

Jesus said: "My people, as you see people planting seed in their lawns, you can recall My Parable of the Sower. There is a miracle in the way that new life can come forth from the seed planted in good soil. In the same way that you see new grass coming forth, you can also see the joy of a new convert as their love for Me grows in their heart. Be careful to make fertile ground for each soul to produce good fruit of a hundredfold."

Jesus said: "My people, even as good weather enables you to do more outside, your spiritual improvement in faith can empower you to do more spiritual good works. When you are baptized and confirmed into the faith, you now will walk in My graces so you can perform the works that I will direct you to do. Until you have the gift of faith, your eyes of faith will not be open to understand My ways. Give praise and thanks to Me for the power of the Holy Spirit who comes into your life when you accept My Word."

Jesus said: "My people, the more you desire to know and love Me, the stronger the desire will be to want to receive Me in Holy Communion and visit My Blessed Sacrament in Adoration or before My tabernacle. Come to Me, My children, and I will ease your burdens in life. Love of God and love of neighbor should be your focus in life. You can show Me your love in your daily prayer and the good works that you do for Me in the people that you help. Your love for My Real Presence in My Eucharist will always keep you close to Me as our hearts are joined as one."

Friday, April 25, 2008: (St. Mark the Evangelist)

Jesus said: "My people, there are many examples in life where excesses of ordinary needs can be abused to cause problems for your body or any other living thing. You have a need to fertilize your lawn to give it nutrients to grow, but if you place too much in one spot, it could burn the grass and kill it there. This is true also in some addictions where eating too much food or the wrong kind of foods can cause obesity or diabetes. Drinking too much alcoholic drinks or abusing lengthy time on the computer can also cause addictions from excesses. It requires a person to use moderation by knowing their

limitations and having the will power to avoid excesses that could control the body. If you cannot control your body's desires and passions, then your soul is at risk in your sins of abuse for your body. Sometimes it would be better to practice some fasting so your soul is in more control of the body's excessive wants. By practicing self-control, then you can live a life more in conformity with My laws of life in My Commandments."

Jesus said: "My people, I have shown you before about the evil ones' plan to eliminate a good share of the people on the earth by using a very virulent virus that would be spread by using chem trails. Many unknowingly are taking flu vaccine shots that will make them more susceptible to die from this killer virus. The evil ones have a special vaccine that will make them immune to this new virus. Those remaining alive will be the evil ones who are immune, those who have built up their immune systems with Hawthorn, herbs, and vitamins, and those protected at My refuges by looking on My luminous cross and by drinking from My healing spring. After the Warning it would be better that you do not take any flu vaccine shots because it could cause your death later. Even now it would be better not to take any flu shots unless there are some who are really vulnerable and need them. The evil ones will try to force mandatory chips on the remaining people, but you are to have your guardian angels lead you to the safety of a refuge that would have angel protection. The Antichrist will rise to power for a short time before I will vanquish him and all of his evil helpers. Have no fear of this time because I will always be at your side to protect you. The evil ones think that their plan will defeat My faithful, but they are so misled that they do not see My coming victory which can be read in the Scriptures."

Saturday, April 26, 2008: (Ray Wagner's Funeral Mass)

Jesus said: "My people, you are all gathered together as a family to bid farewell to a husband, a father, and a grandfather. Ray was a lover of life and he enjoyed get-togethers with family and friends. Wherever there were social affairs, Ray and his wife, Millie, were there. It is appropriate to have one last reception even at his funeral. Ray was happy to see the Honor Guard and all of his family and friends come to his funeral. He sends his great love to his wife, Millie, and the adult children Carol and Joyce, and to all his relatives and friends. He wants you all to have a good time at the last of his parties. I ask you to pray for Ray as you do for all of My

faithful departed, and do not forget him in your prayers."

(Margaret Mary Finucane and Peter Horvath's Wedding)  
Jesus said: "My people, you remember the account of My being present at a Wedding Feast in Cana. I emphasized that a marriage commitment of love is similar to the love commitment that I want you to make to Me. I also gave the couple a gift of My first miracle by making the water into wine for their reception. I know that you are human and that your love is imperfect, but even as a husband and wife strive to always love one another, you also can strive with My grace to love Me all of your life. I am showing you this wedding banquet table because I go to prepare your own special seat at My Banquet Table in heaven. When you invite someone to a wedding, then on receiving their answer to come, you prepare an individual place for them at a table with their name. Marriage is a vocation in life that you choose to be self-giving to your spouse and to make joint decisions. You need to have Me as the third partner in your marriage so your family prayer will keep you faithful and united throughout your years of married life. If and when children come from your love, then you have a further commitment to bring your children up in the faith and guard their souls from the evil one. A family love is so precious that I have called My Church My bride, and I am the Groom. Pray for these young people that they will see the fruit of their love blossom out into a loving family."

Sunday, April 27, 2008:

Jesus said: "My people, this is a joyous and beautiful day as you see the sun and My glorious graces being shared with everyone. As you see My Light shining out from My cross, know that My death on the cross has brought salvation of your sins to everyone as well. It is every soul's opportunity to accept My love and follow Me in My example. Read the Scriptures with love in your hearts so you can see the power of My Light of understanding to follow My path to heaven through My Commandments. I call every one to live a life of love by loving Me and your neighbors unconditionally. It is My unconditional love that reaches out to save every soul that accepts Me as Master of their lives. Follow My ways instead of the ways of the world, and you will have your reward in heaven. When you see a sunny day with all the beauty of the spring flowers, you are just happy to be alive to drink in the splendor of My creation. At times you need to put aside all of your troubles and anxieties, and just dwell on all of the beautiful gifts that I have given you. You are so

blessed, but you rarely take the time to thank Me and give Me praise for all that I do for you. You have food to eat, air to breathe, and a place to stay. So do not spend all of your time complaining and worrying about things that you cannot change, but move forward to love Me and help those around you out of love for Me in them. Enjoy each day that you are given, and live it the best that you can, and you will have constant joy in your heart."

Monday, April 28, 2008: (St. Louis de Montford)

Jesus said: "My people, you are about to see man's inhumanity to man by a flagrant mass killing by putting virulent viruses in the chem trails. So many will die and the disease will be very contagious. Hospital workers will be given vaccines so they can work with the sick, but they will be so overwhelmed by the numbers that are sick. Those, who escape the disease, will not want to bury the dead for fear of catching the disease. That is why you will see so many decaying bodies left where they died. The one world people will be behind this gruesome deed just to lower the earth's population. They also will have a vaccine to make them immune, but their plan will compound an unintended destruction of many plants and animals that will add to the coming world famine. My faithful should call on Me to have your guardian angels lead you to My refuges where you would be healed of this pandemic disease by drinking miraculous healing spring water, or looking on the luminous cross. I will protect My little ones from all of the evil one's attempts to kill you. Rejoice in My mercy of protection, and pray for those being asked to set up My refuges of protection."

Jesus said: "My people, you see many beautiful flowers and trees in the spring that are all a part of My perfect creation. Man in his pride has tried to improve on My perfection, but he only makes things that look good, and they have bad side effects or they do not fit into the balance of nature. Some have proposed other means of creation as the big bang theory, or evolution theory, but none of these can explain nature totally or could be proven by scientific methods. No specie has ever been seen to mutate to a higher chromosome specie. There even has been some links of people believing in evolution to being atheists. Man can rationalize theories as much as he wants, but in the end it was My hand in creation that has brought everything into being that you see before you, whether people want to believe it or not. Trust in My Word of Scripture as giving you the truth of this life because I

would never deceive you as Satan and man does. Everything that I do is based on love and harmony, and mankind should base his actions on love as well."

Tuesday, April 29, 2008: (St. Catherine of Siena)

Jesus said: "My people, just as St. Paul was persecuted and was imprisoned for his faith, so also My faithful will face increasing persecution for believing in Me. The one world people have their plan for a world takeover, but they also will have to contend with major earthquakes and natural disasters that could delay their plans. Man thinks that he can control earthly events, but at times you have no control over weather events, tsunamis, and comets or meteors that hit the earth. Even solar flares can upset your communications. It is these such events that should indicate to you that I am in control at all times, and I allow man's free will decisions. I also will allow the evil ones to go only so far because I will always defend My faithful remnant from the gates of hell. Even during the coming tribulation, I will provide My refuges of protection so My angels will protect you from the harm of the evil ones. Keep your full trust in Me, and I will be at your side. Have patience for a time, and I will bring My victory over Satan and his minions."

Jesus said: "My people, I have told you before that there are more souls going to hell than are going to purgatory and heaven. Many of them are going there by their own free will, but also because they have no one to pray for them. People have asked Me what can they do to save more souls from going to hell? These are some suggestions. You can pray for poor sinners, especially for those whom no one is praying for. You can pray to call My angels down around them to defend them from evil temptations. You can pray deliverance prayers to bind any evil spirits, that are affecting them, to the foot of My cross. You can give good example by your behavior of love to those who may be weak to sin. The most difficult task is to personally go out of your comfort zone to evangelize souls to the faith so they could be saved and converted from their sinful way of life. If more people took these requests to heart, you could see fewer people being lost to hell."

Wednesday, April 30, 2008: (St. Pius V)

Jesus said: "My people, you have been seeing serious damage from tornadoes in Virginia, damage from earthquakes in the Middle and West Coast of America, and also wild

fires in various places as well. Many of these natural disasters have occurred before, but you already are noticing a steady increase in the numbers and intensities of earthquakes, especially along the West Coast. Many of these disasters have destroyed homes and have displaced people's jobs. This is why it is necessary to help people find housing, food, and help in rebuilding their homes. You are having financial problems with mortgages, and high food and gas price problems along with your recession. This damage is just compounding these problems. This is why volunteer work to repair things may be needed to help your neighbor because there may not be enough money available to pay for rebuilding. You may be asked to make donations of your time and money to help. Pray for all the people being affected by this damage that they can be provided for in their needs."

Jesus said: "My people, when the crucifix was displayed in front of the church in the vision, there was a strong faith that kept the traditions. When the crucifix was removed, it represented a loss of tradition, and faith was lost also. The more that the faith is watered down in reverence and traditions, the weaker the people become in their faith. The people need to be inspired by good priests and good prayer habits, along with having a large crucifix on the altar. Once the churches are cleansed of their reverence, then it becomes just a building. It is the belief in My Real Presence that makes My churches holy when I am present in the consecrated Hosts. Give praise and glory to Me in your Adoration hours and rejoice that I am always with you."
