

Friday, December 1, 2006:

Jesus said: "My people, this snow slide represents your one ride through life that I want the best for your soul. At times when you take up too much of your time on earthly things, I may send you something to upset your plans and put your focus back on Me. You may receive physical pain or another loss that takes your mind off of your selfish pursuits, and then you start praying more for others as you focus more on what I want you to do. See that My ways are better than your ways, so sometimes I have to jolt you out of your comfort zone to put you back on the right path of serving Me more than yourself. Look back through your life and see how every time that I intervened into your plans with a major event, that it was done to better your soul or provide for others in their need. I do not force you to follow My Will, but I will give you many opportunities in life to come to Me, even despite your own original plans. In the end you can thank Me for showing you a better path that you may not have picked on your own if I did not help you. Continue to give Me praise and show Me your love by being My servant, and stop letting the evil one distract you from your mission."

Saturday, December 2, 2006: (Ann Mugavero Funeral, Fr. Tony)

Jesus said: "My people, as you go through life, you are comforted by the love of Me, and the love of your family and friends. As you attend each funeral, you realize how each life is a gift to you for only a short time until I call them home. As you share your own gift of life with others, they are sharing their gift of life with you. Nothing really belongs to you, because you are only stewards of your time, your possessions, and your responsibilities in this life to know, love, and serve Me. I call on each of you to be fruitful in your deeds of love for both Me and your neighbor. As you grow older, you gather more of a perspective for your purpose in life, and you also may have to suffer more in your health as Ann did. Certain of My souls are called to be 'suffering servants' to make up reparation for the sins of others. Those, who embrace their suffering with joy and perseverance, are not only cleansing their own souls for heaven, but they are an inspiration to the rest of you how to bear life's difficulties for My greater glory. Even among their weaknesses, they have found strength through Me. Give praise and thanks to Me for letting these gifted souls remain with you for a while. Thank these souls, as Ann,

for all the suffering they are bearing as redemptive value for sinners. They are sharing the redemptive suffering on the cross that I suffered to save all of mankind from their sins."

Sunday, December 3, 2006: (Beginning of Advent)

Jesus said: "My people, the readings of today should get your attention, and wake you up to what your life should be about in loving Me, and being prepared for when I will come in glory. Your whole life should be fixed on your path to heaven because this should be your ultimate home. I am showing you this plush black chair because I do not want you to be comfortable with this life and your sins. This life is passing away and your life in heaven will be so much greater that this life pales in comparison. I created everything good in this life, but in heaven everything is holy and perfect. It is this requirement of perfection that will necessitate a purification that can only come from Me and My sacramental graces. Your preparation for Christmas is all about repenting of your sins and giving your gifts of love to Me. Your preparation for My coming again is a life long work to cleanse all worldly desires out of your life so you can have only one focus on Me. Have your souls pure by frequent Confession as you need to be prepared to meet Me at your judgment. As you sing of O Come, O Come Emmanuel, be prepared in your hearts and souls not only for Christmas, but also when you will see Me come on the clouds in victory over all evil."

Monday, December 4, 2006:

Jesus said: "My people, the faith of the Roman Centurion was an example for many as he recognized My authority in being able to heal people. Not only do I heal people's sicknesses, but I also offer to heal people's spiritual lives as well. Keeping your souls healed of your sins in Confession is far more important than any pain or illness of your physical body. Still your bodies are temples of the Holy Spirit and you need to keep them healthy and not abuse them with drugs, cigarettes, or alcohol. Those, who have faith that I can heal them, have a better chance of being healed. All healings are answered according to My Will in My Name, and this is how you should pray for healings. I know what is best for each soul and there may be a reason that a person is sent a pain or an illness. Sometimes illnesses or pains are to humble you, or be a grace to be used for someone. All prayers are heard, but I choose how to answer your prayer in My time

and not yours. Many times it is difficult to understand why there is so much suffering on the earth, but I assure you that everything happens for a reason in My plan for your lives."

Jesus said: "My people, many of you are too preoccupied with a desire for news, sports, and movies. As a result you become too much of a spectator and not much of an activist. Without the television on, your family could better interact with things of life and each other. TV has a hypnotizing effect that can lull your mind to sleep and you are easily brainwashed by the message of those speaking. In fact you can find out any news in your newspaper, or magazines. Most of all by limiting your watching of TV, you have more time to pray and do things for your family and others. Be careful in observing your hours of TV to limit them to a few instead of most of the evening. As you keep it off more, you will notice how TV has less control over your life. I have mentioned before not to let anything control your mind so you can give your total attention to Me in prayer and good deeds. As you are now in Advent, you may even try to go some nights without watching any TV to test if you are at all addicted to such watching for long periods of time. I love all of you and I am not trying to take away your entertainment, but I am showing you how to keep in control of your life which should be directed to heaven and not just to a good time here on earth."

Tuesday, December 5, 2006: (Funeral of Betty Schoen)

Jesus said: "My people, death has different meanings of finality to everyone. One fact that cannot be denied is that at death the spirit is separated from the body. It is at that time that you will face a particular judgment at your death. I am the one that you will face at your judgment after death, and you will be shown all of your life before you. Each soul will be given a judgment whether to heaven, hell, or purgatory. These are real places for the soul and you will not be able to change My judgment by any excuses because you will know that it will be just, merciful, and fair. You will be facing the truth of your actions, whether you want to agree or disagree. Only in purgatory will there be a chance to improve your lot by people's prayers and the soul's purging of sins and earthly desires. Souls in purgatory are all saved and promised one day to be in heaven. You are asked to pray for these poor souls to help them to be released from their suffering. You need to pray most for those souls that are

still in their bodies and have not yet been judged. You have a battle between Me and Satan for each soul. All living souls could be saved from going to hell by your prayers and good example. Each soul must go through a conversion process in order to be saved from hell. It means that each soul must recognize Me as their Savior, and be sorry for their sins against Me, and seek My forgiveness. By keeping your souls pure before your death, you can be assured of heaven, even if you must be purified for a time in purgatory. Reach out to save as many souls as possible so they are not lost forever to hell where there is no way out for all eternity."

Jesus said: "My people, you have seen some fires in California that were set by arson. This vision of cities burning in flames is a new form of terror that could be caused by anyone with such a plan. Fires can kill and destroy many structures if they have accelerants to start them. You will be seeing more unexplained arson in your cities, chemical plants, and refineries. Enough fires in crucial areas could cause fuel shortages and damage to your economy. It is very difficult to prevent arson when people start fires at night. Pray for your firefighters and police to catch the arsonists who cause much terror in their wake. This is another inexpensive means for terrorists to strike America. Be on the watch for such activity in vacant and old buildings."

Wednesday, December 6, 2006: (St. Nicholas)

Jesus said: "My people, My Blessed Mother and I are blessing all of your group for a beautiful pilgrimage in Betania with the Bianchini family. This vision of helping each other with stairs and other things on your trip is how you should always be open to be charitable in every opportunity when someone is in need. Remember your daily prayers and an extra prayer for the poor people that you will encounter along your way in Venezuela. Love Me and your neighbor in all that you do, and you will keep on the right path to heaven. Be open also to give witness to Me in any evangelization of souls that you will meet on your way. Give good example in all of your actions to others even when something may upset you. Do not be anxious or worry about anything, but trust in Me and My care for all of you. Give praise and glory to your Lord everyday for all the gifts that I send you."

Jesus said: "My people, I have mentioned before how all of My refuges will be on consecrated ground, and they will have springs of water for healing. My refuges will be

at places of My Blessed Mother's apparition sites, places of holy ground, and even caves. The vision is about the spring of healing water at Betania where many have witnessed healings as at Lourdes, France. Betania is another example of a refuge where the people will find protection from the evil ones during the tribulation. Even as you heard the Gospel of the multiplication of the bread and fish, I will multiply the food needed at all of My refuges. My refuges will be havens of protection by My angels so the evil ones cannot see you or harm you. Be joyful that you are able to visit this Shrine of My Blessed Mother, and share your faith with the people of Venezuela. You are also blessed to meet with the Bianchini family at their own residence. Enjoy your pilgrimage and the graces that you will receive for all the sacrifices that you had to make for this trip. When you return, you will feel renewed in your faith that you could share with your friends back in America."

Thursday, December 7, 2006: (St. Ambrose)

Jesus said: "My people, many times I have told you that you are nothing without My Presence. It is by My Will that you even continue to exist. You are all a part of My creation and I call all of My creatures to give Me praise and adore Me in love. I give each of you free will to love Me, and I do not force Myself on you. Yet, you will be held accountable for your actions as I call each of you to believe in Me, and build your house of your soul on the Rock of My Church. I am the cornerstone of My Church, and I have built My Church on the Rock of St. Peter and the succession of popes. Do not build your house on the sand of the things of this world that will fade away into nothing with time. Trust in Me and follow the leaders of My Church in obedience as your witness of love to Me."

Friday, December 8, 2006: (Feast of the Immaculate Conception)

Our Blessed Mother said: "My dear children, I want to welcome all of my visitors from America and all of the local people who have come to embrace my Son, Jesus at the Mass in Holy Communion. You also are celebrating the birthday of Geo. I have given you a touch of my blessing in seeing the blue butterfly which is on all of the pilgrims' name tags. Enjoy the beautiful singing and sharing of love with all of the beautiful people of Venezuela. My Son and I are both blessing you and protecting you from all of the evil ones. This is a haven

of protection and healing. I call all of my children to love me and my Son, Jesus through your daily rosaries and your total consecration on this feast day of my Immaculate Conception. By consecrating all that you are and all that you have to both me and my Son, you are directing your life to only my Son's service. Just as I gave my 'fiat' to following God's Will, I call all of My children to give your own fiat to following God's Will as well."

Saturday, December 9, 2006: (St. Juan Diego)

Jesus said: "My people, the picture that you brought to Venezuela is significant that you named it in honor of the Holy Priesthood. Today, at five ordinations of two priests and three deacons, you are a witness to the most beautiful ministry that a man could be called to by My call. Your priests are given this gift of changing bread and wine into My Most Precious Body and Blood for all of My people to receive. Realize how important your priests are to bring you My sacraments of grace. You need to eat My Body and drink My Blood to enter eternal life, and your priests give you the Mass through My blessing so you can receive Me in My Real Presence. Give praise and glory to your God for giving you Myself in My Blessed Sacrament, and thank all of your priests for answering My call and dedicating their lives to My service. Pray for all of your priests because of the sacraments that they give you, and pray for their souls to be protected from all of the evil ones. Give respect to every priest because they are a priest forever according to the line of Melchisedech."

Sunday, December 10, 2006:

Jesus said: "My people, this cross represents My love and protection for the people of Venezuela. The smaller crosses represent the people of Venezuela who are following Me through their daily trials. I want all nations to love Me and serve Me. All of those countries, who put Me first in their lives, will see peace and prosperity both on earth and spiritually."

Maria shared with me: "I know you are happy to feel my presence again at Communion time. You have been to my grave and you have visited my chapel of Adoration. We have been united in Communion, and today I am joined with all of your group and my family in the Communion of Saints. I want to share my deep love for my husband, Geo, all of my children, my grandchildren, and my greater family. You can see how much we love one another and share our hospitality with all of you. Whenever you receive my dear Jesus in

Holy Communion, remember that I and all of heaven are united with you. I love all of you and I welcome you into our home."

Monday, December 11, 2006: (St. Damascus I)

Jesus said: "My people, you are on a Marian pilgrimage to Betania where My Blessed Mother has appeared to Maria Esperanza. But today My Blessed Mother brings you to Me in this Eucharistic miracle of My Blood on the Host. Every time you receive My Host in Holy Communion, and adore My Blessed Sacrament, you are receiving My Body and Blood under the appearance of bread. In some miracles of My Eucharist, I have revealed My Blood in full appearance so those who were in doubt of My Real Presence could fully believe. There are many Christians who believe in My Real Presence and they do not need such miracles. These miracles are gifts more for the non-believers of My Real Presence. Give praise and glory to God for My gift of My Eucharistic Presence to mankind. You have My very Self inside you every time you receive Me in Holy Communion. Therefore, please give proper reverence to My Presence in My tabernacles with a minimum of talking and genuflect before Me to give Me honor and worship. It is more reverent to receive Me bowing or kneeling as you receive Me on the tongue. Most of all only receive Me in the state of grace without any mortal sin so you do not commit any sin of sacrilege. Prepare yourself with Confession to rid your sins and make yourself worthy to receive Me in Holy Communion. This is My sacrament of love that I share with you at every Mass. Give thanks to your Lord in quiet meditation after every reception of Holy Communion. I love you and please encourage others to repent and convert so they can partake of My Eucharistic Banquet."

Tuesday, December 12, 2006: (Our Lady of Guadeloupe)

Mary said: "My dear children, this image of myself on the tilma is a blessing for all the Americas-North, Central, and South. I am your mother and I put my mantle of protection over all of your peoples. In the vision you see an expression of me as the New Eve of grace who escaped the corruption of the body by God's grace. Eve committed the sin in the Garden for which my Son died for all the sins of mankind. Eve died and her body decayed to dust by the worms as a consequence of her sin. I died also, but the Lord graced me by assuming me body and soul into heaven. I call all of my children to love one another and help each other on your paths to heaven. Continue to pray

your rosaries and live a simple life so the devil will have less ways to distract you from your missions. Continue to pray for conversions and especially to stop your abortions which greatly offend my Son, Jesus. Only my Son controls life and death, and you should not interfere with His plans. Jesus loves everyone of His creations and by killing in war and abortion, you are denying that love and calling down His justice. Our two hearts are always awaiting your love so we can be united with your hearts."

Wednesday, December 13, 2006:

Jesus said: "My people, rain storms and snow storms are going to cause some major problems in the West of your country. Heavy rains in the South could cause some mud slides which could cause major devastation in California. In the Northwest the weather machines are being used to cause high winds, cold, and snow. Be aware that the one world people will be doing anything to cause chaos and give themselves an opportunity for takeover with martial law. Some destruction is a result of sin and the people can see the result of their evil deeds. Pray much for the people in the West that they may change their lifestyles of sin and be converted through prayer."

Thursday, December 14, 2006: (St. John of the Cross)

Jesus said: "My people, there are many of My saints who are pictured in paintings holding large crucifixes close to their hearts. These appreciated how much I love all of mankind, especially enough to take on the form of a man and die on the cross for everyone. They treated My love with a great love of their own for Me and My cross. I asked everyone to take up their cross of life and follow Me in My example of suffering. Not only have these saints loved Me, but they gave up everything of this world and directed their lives in total consecration to following My Will for them. I continue to call all souls to take up their own crosses and let My saints be an inspiration for you to follow Me. Even My Blessed Benedictine crucifixes and relics of My very own cross are powerful sacramentals in fighting the demons and possessions in deliverance prayers. I invite deliverance prayers to bind the evil spirits to the foot of My cross and never to return to the possessed person. You need My crucifix for protection from the evil ones because My death on the cross is a victory over sin, death, and Satan."

Thursday, December 14, 2006:

Prayer Group:

Shirley said: "I am so sorry that Carol and John were not able to attend my funeral Mass. You know how joyous I always was during life, but I had to suffer some at the end of my illness. I am grateful to all of those who were my caretakers with my leukemia. I am young in spirit in a peaceful place. I am grateful to God for all the joyful moments that I lived for Him. I know the family and Jerry are still grieving my loss, so give a few visits to Jerry to encourage him with my words of love."

Jesus said: "My people, your pilgrims have been blessed with many healings and sharing with the Bianchini family. Give thanks to God for all the many gifts that you received on this pilgrimage. Remember that you are to share your blessings with those around you so you can be a witness to further healings and conversions. Maria will be united with all of you in Holy Communion."

Jesus said: "My people, you have witnessed some hard scenes of people in poverty, yet they had a great joy in sharing their faith with everyone at Mass. It is hard to have faith in Me when you are lacking the necessities of life. Remember the poor in your prayers and in your donations. Be willing to tithe your income where possible for those who are less fortunate than others."

Jesus said: "My pilgrims, you were treated royally with beautiful food at the Bianchini family residence. When you will come to refuges during the tribulation, your food will be plain as I multiply it to feed all of My faithful. The people of the Exodus had water, manna, and quail, and you will also have the bare necessities at your own Exodus. Be strong in your faith and do not complain of your food, but be thankful that you are being protected by My angels."

Jesus said: "My people, this lifting of the lid of a tomb is how there will be a resurrection of My faithful who were martyred during the tribulation. They will see Me cleanse the earth of all of the evil people as I renew the earth for My Era of Peace. You will suffer your living purgatory on earth, but you are being prepared for My great Eucharistic Banquet in heaven."

Jesus said: "My people, the one world people will raise the Antichrist to a throne of control over all the people who would accept the mark of the beast. He will be ruthless in driving his subjects into heavy labor for all of his wants. The Antichrist will be upset that he cannot find My faithful so he could abuse them. He will torment those on earth just as Satan and his demon angels torment

souls in hell. Avoid the Antichrist by seeking My havens of protection at My refuges with My angels."

Jesus said: "My people, as you move through Advent, use your supper tables as a chance for extra prayers as you light your Advent candles. Even as you prepare your physical gifts and decorations for Christmas, make an extra time in your schedule for giving Me your gift of prayers when you come to My crib. Your good deeds and prayers in faith are more meaningful to Me than all the glitter of your beautiful decorations. Those, who display My Nativity Scene, are also witnessing publicly of the true meaning of Christmas in My birth."

Friday, December 15, 2006:

Jesus said: "My people, your modern technology lets you send messages over phone lines that use light through fine glass fiber optic lines. On earth you rely on vibrations through the air to talk to one another. In the heavenly realm there are light beams all over, and the spirits of people and angels converse with thought waves sent over light beams. This is also how you hear the heavenly angel choirs that are constantly singing praises to Me. Even those gifted with apparitions or inner locutions are receiving these thought messages by the light beams from heaven that cannot be seen by your eyes, except in apparitions. More and more of My faithful are able to receive these beams of My true Word, but be careful to discern those who are imposters. When you die and leave your body, this will be how you converse with Me and others by thought messages."

Jesus said: "My people, you have seen some large loss of life with the Dec. 26, 2004 earthquake and tsunami. This came in an area that had a lot of body part sales and drugs, and women prostitutes. After all of this devastation, man still continues with his sexual sins and abuses of children in the same areas. Just as New Orleans was tested twice with hurricanes, so this Pacific Ring of Fire will again be tested as well with another large underwater earthquake followed by a tsunami. Many of your new measuring devices might warn the people a little sooner to get to high ground than the first tsunami. Pray that the people affected will be able to cut the lost lives by getting to high ground sooner. People had not seen such devastation until just a few years ago. Now they should be forewarned what to do should another large earthquake occur. It may even be safer to not live on the coast, but live on higher ground in these earthquake zones."

Saturday, December 16, 2006:

Jesus said: "My people, you are now getting into the heating season as winter approaches. Already you have seen several different storms around your country that have caused damage to your power lines with power outages. This is another reminder to make plans for an alternate source of fuel so you can keep warm if you have a power outage. You also may want to go one step further and check to see if your heating devices are fully operating to use your alternate fuel. Oil for lighting lamps and extra batteries for your lights would also be helpful in the dark. Even My refuges and interim refuges should make plans for alternate fuel sources and checked devices to insure they are working. There are so many events going on that you need to be prepared physically and spiritually for all that will be coming about."

Jesus said: "My people, when you take a shower, you can wash away all of your physical sweat and dirt from your body. When you are baptized or go to Confession, you are washing away the sins on your souls and replacing your spiritual filth with My sanctifying grace. This pool of water in the vision is symbolic of the waters of Baptism to remove original sin and bring the new faithful into the Church. Even if you commit serious sin, there is still Confession available to seek the forgiveness of your sins and wash them away with the priest's absolution. With all the sacramental grace available through your priests, there should be no excuse not to have a pure soul to please Me with your soul's brilliant appearance. Those, who remain in their sins, are the spiritually lazy lukewarm who do not realize the danger that their souls are in by putting off going to Confession. Take advantage of My graces available, and do not leave your souls in danger of going to hell."

Sunday, December 17, 2006: (Gaudete Sunday)

Jesus said: "My people, today's readings are all about joy and rejoicing at My coming to earth as a man to save all of you from your sins. (Philippians 4:4) 'Rejoice in the Lord always, again I say, rejoice.' St. John the Baptist heralded My coming by preaching repentance and baptizing the people in the Jordan to change their sinful lives. He said he was not worthy of loosening My sandal straps. He pointed to My coming as the Lamb of God and that I would baptize with the Holy Spirit. He claimed how I must increase while he would decrease. My birth at

Christmas is celebrated with gift giving, but Advent should also be a prayerful preparation for My coming to share your good deeds with Me at My crib. You even mark the years of history by before and after My coming. As you see Me as an infant at Christmas, remember that you must be as innocent and trusting in Me as little children to gain heaven. Give praise to God the Father for sending Me to you so I could die for all the salvation of souls of the world for all times."

Monday, December 18, 2006:

Jesus said: "My people, in today's Gospel St. Joseph was made aware of heaven's plan for My entry into the world as its Savior. In many innocent ways you do not always know how I will perform miracles beyond your own plans or your own earthly expectations. Remember that with Me all things are possible. St. Joseph was obedient to receive My Blessed Mother into his home, and later followed the angel to Egypt and back to protect Me from Herod. Through My angels salvation history was carried out according to God's plan. Even today there are many women pregnant before marriage for more sinful reasons. But still encourage these mothers to have their children, even if they must give them up for adoption. The abortions of today are a real disobedience to My Fifth Commandment of 'Thou shalt not kill.' Better to not compound a sin of fornication with an even worse sin of abortion that denies My plan for that life. Herod's killing of the Holy Innocents was bad enough, but now many of your innocents are being killed by abortion just out of convenience for blood money by your doctors. Obey My commandments and pray for the stoppage of your abortions."

Jesus said: "My people, the parents of young children need to know what kind of games their children are playing either on the internet or the latest electronic toys. They could be influenced by excessive violence, the occult, or witchcraft. Even Harry Potter books and the like could leave openings for devil obsessions or possessions, especially with Ouija boards and tarot cards. In addition to games, movies and adult entertainment could be bad influences on young adults and younger children. Leaving pornographic magazines around or bad web sites on your computers could lead children into sinful behaviors. Parents need to be good examples and avoid such magazines and 'R' rated movies. Protect your children as much as you can from drugs, drinking, and smoking. Teaching your children good habits while they are young will help them in

their older years."

Tuesday, December 19, 2006:

Jesus said: "My people, you remember when the early Pilgrims had to rely on corn from the Indians to survive their first winter. Food supplies appear to be plentiful in your stores now, but control of the buying of food with mandatory smart cards and eventual chips in the body could create food shortages for those refusing these chips. That is why My faithful, who will refuse these chips, must put aside some extra food that I can multiply for your needs. As the enforcement of mandatory chips in the body progresses, you will be led to My refuges and interim refuges for food and protection by My angels. Just as the angel led St. Joseph and the Holy Family to safety, so your guardian angels will be leading you to safe havens, so you are not at your homes when they come searching to implant chips in your body. These chips are not necessary, and their only purpose is to control you for the Antichrist's reign. Refuse these chips, even if they threaten to kill you, and trust in Me always to provide for your physical and spiritual needs."

Jesus said: "My people, you have all week to go to the store, work, and run your errands. I ask you to come to Mass one hour out of the week on Sunday, and still many do not make time for Me. These empty chairs at Sunday Mass represent those who do not come to Mass regularly. Some come only on Christmas and Easter, even with the urging of their relatives. You are only on this earth a short time because this life is passing away. But after your body dies, your soul lives on forever in eternity. You are given only two choices. One to be with Me in heaven, or to be with the devil in hell. To come to heaven you must take up your cross and follow Me on your path to sainthood. You need My help and My graces of the sacraments in order to reach heaven. You need to recognize Me as your Savior and seek the forgiveness of your sins in Confession. By loving Me, serving Me, and knowing Me, you are on the right path to heaven. Share your faith with those around you, and encourage them to come to Me, even the lukewarm at Sunday Mass. Give Me at least one hour a week and I will give you an abundance of My graces as your reward. Some come to Mass out of duty, but it gives Me great joy to see My people come to see Me more out of love. Even those, who visit Me in Adoration or My tabernacles, have even a deeper love because this is beyond any duty or obligation. I love all of My people, and I desire all of you to love Me as

well."

Wednesday, December 20, 2006:

Jesus said: "My people, this scene of the Annunciation on My Blessed Mother accepting Me into her womb by the overshadowing of the Holy Spirit was the beginning of My physical presence on earth as an incarnated man. This is why the angels were cheering in heaven that the Messiah and salvation had finally come to all of mankind. My Blessed Mother is a shining example of the perfection that I call all of My faithful to imitate. She lived in the Divine Will of complete obedience to God without any sin. When you are called to My service, be ready to give your own 'fiat' in your willingness to consecrate everything over to your Lord and Master. It is your total commitment to loving and serving Me that will lead you to heaven by My grace. Rejoice in this season of Advent as you prepare for My coming again as you remember Christmas in honor of My birth. You are also in waiting for My return on the clouds as you will then see a new heavens and a new earth in My Era of Peace."

Jesus said: "My people, some people take fresh water as normal for being available in their water lines. A time is coming when changing jet streams will turn some areas into floods and other areas into deserts. If farmers do not have enough moisture at the right time for their crops, they could lose much of their harvest. America has been blessed with good growing conditions, but these times of plenty are going to change to times of famine. That is why lakes, streams, and wells are important not to pollute them because it is hard to purify bad water. This coming famine is another reason to store some extra food that I could multiply in your need. Take care of your precious resources as fresh water that will become more valuable than oil because you need a lot of water to live."

Thursday, December 21, 2006: (Visitation readings)

Jesus said: "My people, St. John the Baptist prepared the way for My public ministry, and even in the womb he alerted his mother, Elizabeth, of My presence in My Blessed Mother. Her words about the Mother of her Lord visiting her was the first pronouncement to others of the coming Messiah that would save all the people from their sins. In the following passage from St. Luke's Gospel My Blessed Mother speaks the words of her Magnificat that she is now Blessed among mankind. It is hard for man to believe that God could take on the nature of a man in My Incarnation.

This is My gift of Myself that I later died for all of your sins. You have all of My precious words on how to live available for you to read in the Gospels. Listen to My words and take them to heart as you prepare for My coming at Christmas."

Prayer Group:

Jesus said: "My people, St. John the Baptist had courage to criticize Herod's wife for Herod's marrying his brother's wife. For this accusation John was placed in prison and later beheaded. In your recent news reports a large percentage of men and women admitted to having premarital relations. It is sad to see so many sins of adultery and fornication which are destroying the family. Be willing to speak out against these sins even in your own families."

Jesus said: "My people, every time you come to the altar to receive Me in Holy Communion, I want you to make a quick examination of conscience to be certain that you are in the state of grace without mortal sin. Even if you have no mortal sin, you should make an act of contrition for any venial sins so you may be worthy to receive Me in Holy Communion. If you are in mortal sin, do not come to the altar until you have confessed your sins to a priest so you do not commit a sacrilege in receiving Me unworthily. Give reverence and honor to My Blessed Sacrament whenever you are before My consecrated Host."

Jesus said: "My people, you are so used to traveling in your car that you have forgotten how long it takes to travel on foot or on a donkey. Think of how difficult that it was for My Blessed Mother to visit her cousin Elizabeth, and with St. Joseph when they traveled to Bethlehem. When you bring your gifts to My crib, give thanks to God for all of your conveniences of travel when you visit relatives for the Christmas Season."

Jesus said: "My people, one of the gifts of the Magi was myrrh which is a symbol of suffering that I would endure later in My earthly life. There was persecution all around Me because of the inspiration of the devil who was always trying to get people to kill Me. I did not allow man to lay hands on Me until it was My hour in Gethsemene. My life of suffering is an example to all of My faithful that you will face suffering in this life as well. It may come as persecution, disease, or in wars. Pray for My protection so I can guard your souls from the evil ones."

Jesus said: "My people, St. John the Baptist was a herald in the desert preparing the way for My Kingdom on earth. He preached repentance and a change of life to come

closer to God. As your Advent Season is coming to a close with Christmas, My faithful can repent of your sins today as well. Try to make it to Confession before Christmas so you can receive your Lord with a pure heart and a pure soul worthy of My Presence. Be sorry for your sins in having offended Me. Make a new resolution to sin less, and pray more for this new Church Year."

Jesus said: "My people, as you walk in My Light, you also cast a shadow on the ground. In some cases as I walked among the sick, there were healings even when My shadow fell on people. The shadow of your spirit can also be a big influence on those that you meet on the road of life. Be willing to pray for healings with everyone that asks you to share your grace with them. You have seen healings through My graces, My saints' relics, and the faith of those who believe they can be healed by prayer."

Jesus said: "My people, My Blessed Mother became known as the Ark of the Covenant as she housed her Lord in her womb for nine months. This symbol of protection is how My Blessed Mother will watch out for her children at the places of refuge where she has appeared to chosen ones. You are sharing tonight the healing water of Betania and the rose petals touched to Maria's relics. You will see such healings continue by the faith of those seeking healings. Maria is your intercessor for prayer, especially for the healing of souls which is more important than the body. Give praise and thanks to God for all the graces and blessings that you are receiving from Me through My heavenly servants."

Friday, December 22, 2006:

Jesus said: "My people, many of you busy yourself with too many earthly distractions instead of following what I want you to do. During Advent you need to set aside some time to meditate on Me every day. It is hard to keep your focus on Me if you are busy every moment with secular concerns of the world. You are here on this earth to know, love, and serve Me. So you need to look at your spiritual life and see where you are. If you are not following My plan for your life, then it is time to cut out your plans to conform to Mine. Do not waste your whole day on frivolous things that will not bring you closer to heaven. You should be taking time for daily prayer, Mass and visits to My Blessed Sacrament, good deeds, and monthly Confession. If you truly love Me, then you should show it in your actions, and make Me a part of your daily life. When you come to your judgment, excuses will not be

accepted for your lazy spiritual attitude. You are either with Me or the world, you cannot have two masters. If you choose Me, you will be saved in heaven. If you choose the world, then you will choose eternity in hell."

Jesus said: "My people, Herod wanted to kill Me because he thought I was an earthly king and a threat to his throne. I in fact am not a physical king, but the angel directed our family to Egypt for safety. Then Herod had all of the male children two and under killed in Bethlehem trying to kill Me. The vision of the soldiers not finding Me in the barn is an example of how the one world people will not be able to see My faithful at My refuges. There will still be some martyred who did not go to My refuges soon enough. These will be like the Innocents killed by Herod. The souls of those martyred will go straight to heaven. Do not fear the evil ones, for My faithful will be protected and shielded from their weapons. My faithful will suffer for a time during the reign of the Antichrist, but once I come to cleanse the earth of all evil, you will witness the beauty of My Era of Peace and then heaven itself."

Saturday, December 23, 2006:

Jesus said: "My people, just as this nun is bringing Me to the sick people who cannot attend Mass, so My Blessed Mother brought Me to Elizabeth, and also to the whole world in Bethlehem. Even St. John the Baptist, whose Nativity is honored in today's Gospel, brings Me to you as the herald in the desert. This Good News of the salvation of all of mankind is reason enough to shout My Word from the rooftops so all can hear and be given the opportunity to be saved. I came to save all of you from your sins and open the gates of heaven by My Divine sacrifice on the cross. It is beautiful to dwell on the thoughts of My infancy, but it is the reason that I came that makes My very Presence on earth cause for rejoicing. Even though I rose in resurrection back to heaven, I have left Myself for you in My Hosts in every tabernacle so you can have a taste of Christmas every time you visit Me in My tabernacle, or receive Me worthily in Holy Communion."

Sunday, December 24, 2006:

Jesus said: "My people, when I came into the world, there was much darkness in the spiritual realm due to the sin of Adam and Eve. Even those, who had died and were good, could not enter heaven because the gates of heaven were closed. When I came into the world there was a beam

of Light as at the crack of dawn, because I came to dispel the darkness and restore grace to those who love Me. By My death on the cross I have given you Baptism over original sin, and the gates of heaven are now open to those that have been purified on earth and in purgatory. I have given you the grace of Confession so you could be forgiven of your sins and the Light of My grace restored to your soul. The picture in the vision of the spiritual world on earth shows you how each soul on earth beams with My Light of grace. You are a well of love to be shared with everyone, especially the dark souls that need My love and grace to enlighten their souls. If you could only discern the souls of My Light or the darkness of souls held by Satan, then you could see how desperate these dead souls need to be evangelized and saved in My grace. If you have mortal sin, or many venial sins, not only are you missing My grace, but you appear ugly and black to My eyes. So this Christmas see the call of My Light and My grace that you can have through conversion of your sinful lifestyles. Come into My sheepfold of faithful and be released of the bonds of your sins and be freed of all earthly desires. Focus on loving Me and you will not be far from the Kingdom of God."

(Midnight Mass) Jesus said: "My people, this burning in the darkness is a representation of the hate in the world that I have come to heal with My love and peace. The devil is constantly leading man into war after war out of pride and anger for selfish reasons of money and power. Do not be misled by his lies and temptations to instill the hate that leads to wars and killings. The devil hates man and is trying to destroy you in any way that he can. You have Me for protection, so ask My help and follow only My ways instead of man's ways. Love one another and help each other, instead of fighting or hating your neighbor. Heaven is perfection and all loving, and there is no room for hate in heaven, nor room for hate in your hearts and souls. Only make room for Me and put your worldly desires out of your mind."

Monday, December 25, 2006: (Christmas Day)

Jesus said: "My people, the vision of My faithful hiding in a cave is a real possibility during the time of tribulation. I was born in a cave, and when Herod tried to kill Me, the angels led us to Egypt to hide in a cave just as well. Caves have been hiding places for My prophet Elijah, and for the Early Christians in the catacombs. My angels will lead My faithful to safe havens in caves so you will be protected from the Antichrist and his agents. Do

not have any fear, for you are witnessing the final battle of good and evil. But the Antichrist and Satan with his minions will soon be cast into hell with the evil people, and I will restore the earth to My Era of Peace where you will sing praises to God as you have today."

Tuesday, December 26, 2006: (St. Stephen)

Jesus said: "My people, it is a sudden change from the joy of Christmas to think of today's Gospel that speaks of prisons and relatives turning in each other over to the authorities. In communist countries you have seen this same imprisonment for political prisoners against these atheistic governments. Even America is covered with prison camps ready for the one world people to imprison those who will not go along with their new world order. You have seen terrorist events manufactured to cause a new government run by smart cards and chips in the body. Security fears are a current means to lead a takeover of your country. Identity fraud and security chipping of people are the reasons given for such identity cards. But these things can be manipulated and counterfeited even by illegal immigrants. Some of My faithful will be martyred for their faith, but those, who seek out My refuges of protection, will find My help against the evil ones. Rejoice when you see the Antichrist come into power because you know that My victory against him is near. Prepare your souls spiritually, and be ready to leave everything behind to trust in My protection at My refuges."

Jesus said: "My people, you have seen your children and maybe grandchildren open all of their Christmas gifts, and there was much excitement in their faces for what they received. Less fortunate children in orphanages have less to look forward to for presents when they have no parents. That is why it would be a kind act of charity to either bring them to the store to choose a gift, or buy them something they could play with. They have a harder life without parents, so it would lighten up their faces if you could make them some donation of a gift and your time. When they see your concern for them, they could understand the love in your hearts to help them in any way. Just think of your gift to them as if you were giving it to Me at My crib."

Wednesday, December 27, 2006: (St. John the apostle)

Jesus said: "My people, this vision of an empty tomb was the first sign to My disciples of My Resurrection. The shrouds of My burial were neatly folded as an added sign

that I was there before I rose. Later, this shroud of Turin would be further proof of My Resurrection as a light energy singed an image of My Body on the cloth to show you the wounds of My scourging and crucifixion. All of the disciples, who saw the empty tomb, believed in My words that I would rise again after three days. When I appeared to My disciples, they could see My wounds and feel them. I was not a ghost, but a real live person of flesh and blood in My glorified body who ate food with them. The tomb was not a sign of death, but My absence was proof of Life and My Resurrection. My Resurrection is also an example to My faithful that all of you, who are worthy, will one day be resurrected body and soul into heaven. There is life after death, and by choosing to do My Will, you will share eternal life with Me in heaven."

Wednesday, December 27, 2006:

Jesus said: "My people, you know how the eagles are noted for their sharp eyes from up high in the sky. The eagle represents the eyes of faith that I want My disciples to have for good viewing and understanding of all that is going on before you. The landscape represents the worldly attractions and distractions that can lead you away from your mission in life. There are many good and beautiful things on earth, but they need to be observed in moderation without excesses. Certain things can be useful tools, but not so absorbing that they can detour you from what you are to do. Keep full focus on Me in your daily lives with blinders on to all the temptations of the evil one. The devil uses your pride and curiosity to wander off on your own without asking Me if it is right for you to travel in that direction. Keep praying for My direction, and do not let any earthly desire control your mind. With love of Me and your neighbor in your heart, you will be able to accomplish great things for Me with your eyes of faith."

Thursday, December 28, 2006: (Holy Innocents)

Jesus said: "My people, there have been several times throughout history when evil men and women have killed innocent, defenseless children for their own prideful reasons. The Pharaoh of Egypt killed the male children of the Hebrews because he was fearful of their growing numbers. Herod killed the Innocents of Bethlehem because he was fearful that the new Messiah King would steal his throne. Even in modern times Satan has convinced troubled mothers to kill their innocent children in the womb even before they are born. In China they have been killing

their young girls for population control. In all of these instances you can see how ruthless this evil is to kill these defenseless little ones for fame and blood money. Those, who kill My little ones, it would be better to have a millstone placed around their necks and to be thrown into the sea. Every life that is snuffed out by man's hands is in defilement of My plans for that life. By defiling Me, you are bringing My judgment and punishment down upon these killers. Abortion can be forgiven in Confession, but there will still be reparation to be made for such sins. Love for all souls is what I am calling from everyone, and you must give reverence to all life which comes from Me. Those, who mock life in abortion, euthanasia, or wars, will have to pay at their judgments."

Prayer Group:

Jesus said: "My people, you have many places that are shrines to My Blessed Mother as in Coromoto and Betania in Venezuela, as well as the Shrine of 'Our Lady of Guadeloupe'. This statue honoring My Blessed Mother of Guadeloupe is appropriate for the feast day of the Holy Innocents which are both connected in stopping abortions and giving honor to the preciousness of life."

Jesus said: "My people, new life in the birth of a baby is a treasure of My creation that you should have more reverence for. Even as you reverence My very Presence in My consecrated Host, you also can reverence each soul that is made to My Image and Likeness. You are all precious to Me at any age because your soul is immortal and never ages as your bodies do. This is why if you do a good deed for someone, you are doing it for Me."

Jesus said: "My people, I have told you many times that in the time of tribulation that the places of apparition from My Blessed Mother would become places of refuge for protection. My Blessed Mother will put her mantle of protection around all of her children when you will be facing the Antichrist and his evil ones. Be thankful that heaven will be helping you in this battle of good against evil."

Jesus said: "My people, be grateful for the many artisans that have made many beautiful statues and icons of My Blessed Mother. These art forms give you a remembrance of how My heavenly Mother is with you and encouraging your rosaries for her intentions. This is why statues and paintings are appropriate on your altars to give you inspiration to lead sinless lives in imitation of My Blessed Mother. She and the saints are great intercessors of your prayers to bring your petitions to Me. You know

that I would not refuse My Blessed Mother's requests."

Jesus said: "My people, you may not realize how important your rosaries are needed to offset the many sins in your world. Your prayers are more powerful than many armies with the latest weapons. The rosary is your best weapon in your battle against evil and the many abortions still going on in your country. As you meditate on the martyrs of the Holy Innocents, remember that all of your abortions are giving you many martyrs for Me that are going straight to heaven. The angels of these little martyrs are witnessing their deaths before Me, and there is a great cry going out for justice and punishment for these sins against Me."

Jesus said: "My people, you are about to start a new secular year and now would be a good time to make some New Year's resolutions to improve your spiritual life. Make an honest appraisal of your spiritual progress over the last year and note the areas that most need some improvement. Even if you work to be closer to Me in your prayers, this will mean a growth in your progress to become a saint. Keep your soul cleansed of sin and full of grace by frequent Confession and daily prayer. Make an effort to give Me more of your precious time so I can mold you into the person that I want you to be. Work to save your own soul with My help, and to evangelize souls whenever you find the opportunity."

Jesus said: "My people, My coming to earth, that you are commemorating in this Christmas Season, is a fulfillment of My promises of old that God would send His Messiah to earth. I came by a virgin birth by the power of the Holy Spirit as a sacrificial offering for all of mankind's sins. It was a great gift of Myself to be incarnated as a man and allow evil men to put Me to death. Even though My Crucifixion may seem as a sign of defeat, I have turned it into a victory over sin and death with My Resurrection. I am more powerful than Satan and all the demons combined, so give praise to God for this great gift of spiritual life that I renew in each soul who loves Me and seeks the forgiveness of their sins."

Friday, December 29, 2006: (St. Thomas Becket)

Jesus said: "My people, there is a lot of spiritual symbolism in this vision of boiling water at a geyser park. The water is always a symbol of life because you need water for the body to survive. It is also a symbol of Baptism that cleanses souls of sin, and restores life-giving grace to the soul. The warmth of the boiling water is a symbol

of love that permeates the soul and spreads around to warm the environment, or gives love to other people. Love is a real sign of life and it cannot be contained, but it desires to be shared. Even as I am all-loving for every being that I create, so My love is present in all of you. This is why your soul has a burning attraction to want to be with Me out of love, and why you have a desire to love everyone around you. You search for peace in your soul, but your soul can only find rest and peace in My Presence. When our love relationship is strained by sin, you can replenish your grace and cleanse your sins in Confession to the priest. By seeking My forgiveness, you are like the Prodigal Son whom I welcome home with lavish gifts because you were lost and now you are found in faith and My grace. Give praise and glory to your God who loves you so much, and I am always reaching out to help you along the trials of life."

Jesus said: "My people, the current jet streams have been bringing moisture from the Pacific Ocean down from Washington over the mountains giving the West several bad snow storms. Then the jet stream takes the warm moist air back up into the Northeast without much snow. It is unusual for a jet stream to keep the same track, but these conditions could continue until there is a change in this weather pattern. I have told you before when weather patterns remain in one position for a long time that it has the description of how weather could be manipulated by the HAARP machine. Also, when weather becomes unusually violent in the winter, this is also unusual. Some of your scientists are noting unusual amounts of melting of the ice shelves in the North Pole area. There are more signs of global warming effects than some people are willing to accept because they do not want to stop their pollution. The balance of nature is being badly affected by many of man's abuses. Controlling pollution in the air and the water should be better restricted before your weather and food crops could be adversely affected."

Saturday, December 30, 2006:

Jesus said: "My people, many people are taken up with the daily events in their lives, but they do not always understand the big picture of where they came from and where they are going. If you just observe how your body ages, you see that your life is passing away even as your hair turns gray and your skin wrinkles. You are here as part of My plan of creation to know, love, and serve Me. It is your spiritual life that you should be most concerned

about because your soul will live on past the body's death. That is why I am showing you this vision of a larger picture, so you are able to grasp what is important in this life, and how you should see and understand your own mission in life. Sometimes it is not always clear what your mission is, so you can ask Me for discernment on what you are to accomplish. Recognizing Me as your Savior and seeking the forgiveness of your sins, should be your first mission to directing your soul to be with Me in heaven. Loving Me and your neighbor is a daily part of your responsibilities. Watching out for the spiritual well being of all of your family members is another duty. Helping others in spiritual and physical needs is an ongoing responsibility. You will see that saving souls and praying for souls in purgatory will give you the most spiritual satisfaction than any physical joys of life. See the big picture of following My ways that are much more important and peaceful than rushing through all of your earthly activities."

Jesus said: "My people, this sign of flooding is how there will be many natural disasters in America like you have seen in Florida, New Orleans, and the West. Each incident by itself is not alarming, but collectively these disasters could affect your economy. You did not suffer any major hurricane damage, but you will be tested in many other ways. Keep prepared with extra fuel and food in case your area could be affected with power outages. Be ready to help those in need by your time or donations. As your commentators speak of other healing times, so your country needs to heal the wounds from your wars in Iraq and Afghanistan. Pray for the end of your wars, and stop appeasing those who want wars for their own sake to make money."

Sunday, December 31, 2006: (Holy Family Sunday)

Jesus said: "My people, you have heard of the angels as messengers to My Blessed Mother and St. Joseph, and even singing to the shepherds. This angel above the Holy Family is one of protection instead of as a messenger. It was this angel that led the Holy Family to Egypt and back because of Herod's attempts to kill Me. We also had guardian angels to watch over us as well. This is another reason not to have fear of the demons or evil people because you can call on My help, and I will send you more than enough angels to protect you. There will also be angels of protection over each refuge that will be visible during the time of tribulation. It will be this angel's

duty to keep the evil ones from seeing you or detecting you at My refuges. Remember how the angels have also protected Medugorje from airplanes bombing it that could not see the city. Give praise and thanks to Me for all the protection that I give you with My heavenly angels."
