

Saturday, March 1, 2008:

Jesus said: "My people, this picture of ice on the window represents the coldness of many hearts in ignoring My love, and their refusal to seek My forgiveness of their sins. In today's Gospel of the Pharisee and the tax collector it shows the pride of the Pharisee in looking down on the tax collector. The tax collector was sorrowful for his sins and he went away from the temple more justified in being humble for his sins than the Pharisee. Everything, that you have, has come from Me, so be thankful for your blessings instead of bragging about them or seeing yourself as better than someone else. All of you are in progress of improving your spiritual lives, so do not be critical of someone at different stages of their development, since you were not always where you are today. Instead, always be humble because it was your free will choices to sin that have brought you grief. But you have hope because you can always come to Me for forgiveness. It is the cold and unrepentant souls that are risking eternal condemnation."

(Funeral Mass for Monsignor Emmett Murphy) Jesus said: "My people, it is sad, but an opportunity to celebrate the life of this wonderful and holy priest. He served his parish well, and he was an inspiration to many aspiring to be in the priesthood. In a time when there are few ordinations, you need such inspiring priests to bring more into My vineyard. Ask the harvest master to bring more priests into My service. It is by having more people at Adoration of My Blessed Sacrament that you can make fertile ground for more vocations to the priesthood. Monsignor Emmett helped distribute many sacraments to the people over his near seventy years of service in the priesthood. He truly lived the words of the Scripture: 'Thou art a priest forever according to the order of Melchisedech.'" (Hebrews 7:17)

Sunday, March 2, 2008:

Jesus said: "My people, today's Gospel shows you how strongly the Pharisees did not want to believe that I healed the blind man of his sight. They questioned the blind man twice and his parents, and even faced with a real miracle, they threw the man out because he questioned why they did not believe in Me. The Pharisees did not like the fact that I healed the man on the Sabbath. By not believing in My miracles and calling Me and the blind man sinners, they thought now they did not have to believe that I was sent from God. This empty box in the vision

represents their non-belief that I was God's Son. But if the Father sent Me, then they refused to believe in the Second Person of the Blessed Trinity. This is why I said if they see in an earthly sense, then they are still in their sin and are spiritually blind to My love. It is the same for the people of today. If people do not want to believe in Me as their Savior, and they do not want to seek My forgiveness of their sins, then they are still steeped in their sins, and are risking the fires of hell."

Jesus said: "My people, this is a very difficult scene to see so many spirit bodies leaving their dead bodies as a result of a pandemic virus that will be very deadly. This virus will be spread by the chem trails and the one world people will protect themselves with an antidote vaccine for this virus. I am telling My people again to build up your immune system with Hawthorn pills or tea, along with other herbs, vitamins, and nuts. Once you see this pandemic beginning with many people dying, it would be a good time to call on Me to lead you to your refuges where you would be healed of all sicknesses by drinking the water of the healing spring, and looking on the luminous cross. The evil ones will try to reduce the population so they have less people to control. This tribulation time will be brief before I will come and cast this evil lot into hell. My faithful will then rejoice to live in My Era of Peace."

Monday, March 3, 2008: (St. Katherine Drexel)

Jesus said: "My people, much of your fresh water for your crops comes from rain water which is really fresh water that is distilled from the salty oceans, or from the Great Lakes. Unfortunately, your air pollution puts acid and other pollutants in the rain water, and it makes your lakes in higher elevations so acid that fish cannot live in them. In your news there was a remark about certain bacteria being present in your rainfall. It did not explain how bacteria and viruses got into the air in the first place. It is your government's plans to place chem trails in your skies and the chem trails are loaded purposely with bacteria and viruses to make people sick with flu-like symptoms. When it rains, all of these chem trail pollutants are found in your rainwater as a result. This is another reason why you have so much sickness spread over your land. It is also why I have recommended Hawthorn pills and tea, herbs, and vitamins to build up your immune systems to fight these diseases."

Jesus said: "My people, My cross stands strong during Lent because you should be focused on how I suffered for

all of you because I love you. My Gospel of love and life calls for a better spiritual life than the call of the death culture being promoted by the one world people and the candidates that they support. Many of these candidates support either the war or abortion, and some even both. If you love your neighbor, then you would not seek constant wars and still further, you would not continue a war under false pretenses. You know how much I love the little children, and any candidate in favor of abortion is badly misled, and should not be advocating killing My little ones. Do not be misled by the media and any candidates who promote the death culture. Follow My love for each other and protect the preciousness of life."

Tuesday, March 4, 2008: (St. Caismir)

Jesus said: "My people, in today's Gospel I took pity on the paralyzed man who was unable to move himself into the healing waters of Bethsaida when the water was stirred. I healed him on the Sabbath which angered the religious authorities when I told him to pick up his mat and walk. (John 5:1-18) In the vision many light candles for various intentions of healing and conversions. At holy places, as Lourdes, there are some healings granted to those who believe that I can heal them. Spiritual conversions are even more important than physical healings. Those, who have their prayers answered, should also remember to give praise and thanks to Me for any healings. There are many miracles still performed, even when they are not always made public. You will see even more miracles at My refuges when My faithful will be healed of all of their health problems through the healing spring water, and looking at My luminous cross in the sky."

Jesus said: "My people, many question whether there is a heaven, hell, or purgatory, but I can assure you that they exist in the next life. You are spirit and body, but at death your soul is separated from your body. It is where your soul goes that should most concern you, because eventually you choose by your actions whether you will be in heaven or hell. This vision of purgatory is truly a journey, because with prayer and My mercy these souls can gradually move to the upper levels of purgatory, and one day they are promised to be with Me in heaven. Souls suffer in purgatory to make atonement for the temporal punishment due for their sins. Your prayers and Masses for these souls can shorten their stay in this punishment. To be a saint, you must be purified of all of your hate, grudges, and unforgiveness of others. You also need to be

cleansed of all attachments to earthly things, so no idols will be before Me. Once you have been made clean and perfect, only then are you ready for heaven. You continue to think that My ways are not fair, but truly it is your ways that are not fair in giving glory to Me. The more you suffer on earth and store up good deeds in your treasure in heaven, the less you will have to be purified in purgatory. The more you trust in Me, as a child trusts in their parents, the closer you are to My heart. Love Me in everything that comes, in both the good and the bad, and your reward will be great in heaven."

Wednesday, March 5, 2008:

Jesus said: "My people, this vision of prison bars represents how your sins imprison you from doing the best that I want you to accomplish. When I died on the cross for your sins, now you are free and can be forgiven of your sins. The opening of the prison bars means that the gates of heaven have been opened for those worthy to enter. The consequences of sin take away grace from your soul, and you become weak to break the bonds of your bad habits. You can come to Me in Confession and your sins can be cleansed and sanctifying grace is restored to your soul. Now you are more worthy to receive Me in Holy Communion, and the grace of My Eucharist will heal the harm done by your sins. So rejoice in your spiritual freedom, but remember that you are now more responsible to obey My Commandments so you can show Me how much you love Me. You can put your trust in Me to provide for all of your needs, so call on Me when you are in distress and even in your every day trials. Soon you will be celebrating My Resurrection at Easter, and you can look forward one day to being with Me in heaven."

Jesus said: "My people, you occasionally see shooting stars as a result of burning up space debris from various satellites. Recently, your military shot down a military satellite with dangerous unspent fuel. These events can also be seen as signs or omens of events to come. You truly will be seeing some unusual natural disasters and man-made events this year. Be prepared for some dramatic damage and possible loss of life with all of these events. Be assured that I will be at your side to call on Me for help in any disaster to come. Except for Katrina and your California fires, you have had a relative calm from disasters. Tornadoes, droughts, and ice storms have unsettled your people recently. These things will only increase in intensity."

Thursday, March 6, 2008:

Jesus said: "My people, I call to mind a reflection that you remember in 'My Imitation of Christ' (p. 243): 'Son, be not curious nor give thyself to useless cares.' This same fascination with curiosity is expressed by the vision of someone using a telescope to search for information. At times you are interested in hearing the latest news of what is going on around you. Some are also curious of what are the latest electronic gadgets that they must have for whatever reason. This quest for the latest news can even be expanded in using the internet to find that information. The reason, that I am visiting this subject, is because this quest for new information can become an obsession. It can interfere with your spiritual life which can take you away from your focus on Me and serving Me, when you focus on your own plans. As you read the account in Exodus about My anger at the Hebrews for worshipping the golden calf, you see why I do not want any idols or strange gods before Me. I am a jealous God, and I want your full attention on My plans for your life. Always pray for direction from Me so that you are doing the right things for your spiritual growth. When worldly concerns and desirable objects take up too much of your time, then there will be less time for Me in your prayer life. Guard yourself so that these worldly things do not control you. Once you acquire the latest news, it quickly becomes old. Once you acquire the latest gadget, it breaks, becomes obsolete, or you quickly lose interest in it. Focus your attention on pleasing Me and following My Will, and do not let your curiosity run your life."

Prayer Group:

Jesus said: "My people, this is a powerful vision and the locked door represents the door of your heart which I am always knocking on to come in. I do not force My Will on your will because I want you to love Me of your own free will. There is rejoicing in heaven whenever any soul opens this lock with their own unique key so I can come into that heart and soul. If you desire to be with Me in heaven, I call you to consecrate everything over to My Divine Will so I can use you and mold you to do the mission that I have intended for you. If you struggle and want to lead by yourself, it is hard for Me to use you when you pull in the opposite direction. I know that you are weak in your human state, but call on My help to give you the graces that you need to endure your life on this earth."

Jesus said: "My people, you know how you need heat in the car to melt the ice, and scraping to remove the ice so

your windshield wipers can function. When you have cold hearts to Me, it is hard for you to be warm and loving of Me so you can function as a loving Christian. It takes forgiveness in Confession to bring back the warmth of My love into your hearts. You cannot function as the iced up windshield wipers until you thaw out your icy hearts to Me. Keep holding Me close in love, and love your neighbor as yourself."

Jesus said: "My people, it is unfortunate that Father Steiger had to be involved in this scandal in the Church. Now, he has passed away and many of his friends want to remember the good things that he had done most of his life. He took strong positions against abortion and stood up for many traditions of the Church which have been compromised by others. His manner may have been hard at times, but he had a deep love for Me, My Blessed Mother, and the saints. He will have to be purified in purgatory for a time, but he brought many souls into the Church and was a good shepherd. Pray for his soul, even despite his weaknesses."

Jesus said: "My people, it is not easy to bring up children through their school years. There are many distractions that could mislead students in wasting their time instead of paying attention to their studies. When they are having difficulties with their studies, you need to pray for them and find ways to help them with their teachers so they do not lose heart and give up without trying. Encourage them with love and concern, and not with only hard penalties. You will accomplish more with love, help, and prayer than with stern punishments."

Jesus said: "My people, at My final refuges I will provide everyone shelter, water, and food in abundance. Before people reach their final destination of a refuge, many will travel first to the nearest interim refuge. There will be food multiplied and water there, but sleeping space may be difficult for a while. Have patience with your temporary accommodations and work to help each other. Angels will protect you at these interim refuges as you will gradually make your way to your final refuge. Trust in My plans and I will protect you from the evil ones and all of their diseases."

Jesus said: "My people, many of you know the sensitivity of silicon microchips that can be destroyed by EMP or Electromotive Pulse waves by nuclear bombs or EMP weapons. In some military areas there are old vacuum tube backup communications just in case these EMP weapons are used to destroy all of the microchips. It is hard to find such equipment, but it would be useful against an EMP

attack. Be prepared for the use of some very sophisticated weapons that could be used in various countries. The countries with the better weapons and counter measures will be the countries in power."

Jesus said: "My people, in many Scripture accounts I call on everyone to pick up their daily cross and carry it with Me in sharing My suffering on the cross. Some pray the Stations of the cross, but I want you to make an effort to say them especially on every Lenten Friday. You will soon be preparing for Holy Week and the devotions for Good Friday when I carried My cross to Calvary. You all share your crosses with My suffering, and I will help you as Simon helped Me to carry My cross. Offer up all of your suffering to Me, and you will see the redemptive merit in your intentions."

Friday, March 7, 2008:

Jesus said: "My people, in the readings you saw how the just ones had to suffer for being righteous and following God's law against the worldly pleasures. The world loves its sins of avarice, abortion, and prostitution, and those who preach against these sins are persecuted for My Name's sake. This vision of the pillar for My scourging is the Hour of My suffering when the authorities of My time could not stand that I was saying that I was the Son of Man sent by My Father in heaven. They rejected Me as a blasphemer and had Me crucified because they could not believe My works, My words, or My miracles, nor that I was God's Son. I used their ignorance of My mission so I could die for all of mankind's sins. But all just and righteous people, who follow My ways, can expect the same treatment for living according to My laws and evangelizing souls."

Sunday, March 9, 2008: (5th Sunday of Lent, Lazarus)

Jesus said: "My people, today's Gospel is focused on: 'I am the Resurrection and the Life.' for everyone for both believers and future converts. Just as I resurrected Lazarus back to life in this world, I will resurrect all of My faithful in the next life at the final judgment when you will have your soul joined with your glorified bodies. For those who live during the tribulation of the Antichrist, they will be enduring with My grace their living purgatory on earth. At the end of the tribulation, all of My faithful at My refuges will be called forth as Lazarus to join Me on a renewed earth in My coming Era of Peace. My faithful souls will be further purified in preparation to

join Me in heaven. Rejoice, My people, for you will see My glorious victory in a short time."

Monday, March 10, 2008: (Susanna, Daniel 13:1-62)

Jesus said: "My people, today's first reading of Susanna showed you how the lust of the two elders caused them to try to defile Susanna. When they could not have their way with her, they tried to use their authority as judges to have Susanna put to death. But Daniel convicted them of perjury against her and they were killed. There are those with power and money who try to Lord it over innocent victims in your own court system. I called the lawyers to task for their lack of justice. (Luke 11:46, 52) 'Woe to you lawyers also! Because you load men with oppressive burdens, and you yourselves with one of your fingers do not touch the burdens. Woe to you lawyers! Because you have taken away the key of knowledge; you have not entered yourselves, and those who were entering you have hindered.' In My day it was the tax collectors who stole from the people, and today it is your lawyers who charge outrageous fees for the least little things. Just as in the end the elders were brought to My justice, so anyone who abuses your court system will also be brought to My justice."

(Ray Buonemani Funeral Mass) Jesus said: "My people, Ray has died before you and he had a loving and generous heart in fighting for the unborn. He had compassion even for the mothers that needed counseling and help to avoid having an abortion. The Women's Care Center is a great work that he can be proud of, and he urged many to help save My babies through helping the women in their needs. The miracle of the bleeding cross at this place, also was a testimony to Ray's efforts to save the unborn. If you had more people with his zeal, more babies could be saved. Ray loved his family even amidst some trials, but he was there for them even besides his illnesses. Remember his love and concern for others as a model for your lives."

Tuesday, March 11, 2008:

Jesus said: "My people, in today's first reading you heard the account of the Israelites complaining to Moses of the manna that they were eating in the desert. As a punishment God sent the saraph serpents that bit the people and some died. After the people pleaded to Moses and were sorry for their sin, Moses was told by God to mount a bronze serpent on a pole and all, who looked on the bronze serpent, were healed of their snake bite. This is a

prefiguration of how I was lifted up on a cross so I could heal everyone of their sins, and they now could have eternal life. Many look on My crucifix so they could be converted and saved, since I paid the price for your souls. There is a second prefiguration in the manna because now I instituted the Eucharist at the Last Supper, and I give you Myself in the consecrated Host as your spiritual food. I told you that he, who eats My Body and drinks My Blood, will have eternal life. So in the vision of seeing Me giving out Holy Communion, the Exodus manna is a symbol of My present Blessed Sacrament. What the people of the day of Moses were not satisfied with, has now become My very Body and Blood that satisfies the soul more than bread alone could ever do."

Jesus said: "My people, My love is constant for My people, even when you fall into sin. As you look upon this ever flowing water fountain, think of this water as a constant flow of My graces and blessings all over My people. All that you need to do is call upon Me and I will give you My gifts from My abundant graces. All of those souls, who love Me in return, will be on the right path to eternal life. All of those souls, who refuse to love Me, are walking down the broad road to hell. You are the one by your actions that chooses your fate of either heaven or hell. Remember that I always love you, and it is you who choose at times in your sin not to love Me. But I give everyone chances to repent and return to My love by asking My forgiveness. I seek to win your soul, even until your dying breath. But remember that Satan struggles for your soul until death as well. The difference is that I created you and I love you. Satan does not know you as I do, and he only hates you. You would much rather follow your Creator who loves you and can welcome you into the glory of heaven."

Wednesday, March 12, 2008:

Jesus said: "My people, over the years you have read the lives of many saints who were martyred and gave up their lives instead of renouncing their faith in God. In today's first reading you had Shadrach, Mishach, and Abdenago that were faithful to the God of Israel. They openly refused to bow down and worship the gold idol of the king, even though they were threatened to be thrown into the white, hot furnace. When they were thrown into the furnace, an angel came and protected them. (Daniel 3:1-97) My faithful also are persecuted today, but not always with the threat of death. It is important in your own society

that you have courage to stand up against the immoralities of your day in abortion, fornication, pornography, and many more abusive sins as living together, and homosexual acts. In the vision of refining silver it also means that you must be purified by testing to clean up your life from any sinful habits. Once you are made strong by My grace of forgiveness, then you will have the courage to defend your faith, even if you may have to die for it. Be grateful to Me for your gift of faith, and guard it with your life so you can be with Me in heaven."

Wednesday, March 12, 2008:

Jesus said: "My people, you already are seeing some changing weather patterns that have been bringing some stronger winds, major snow storms, and freezing rain incidents. The hot and cold shifts are more frequent, and they have been associated with higher winds and more ice storms. This same unusual hot and cold with more wind will continue through the year. Some areas will have floods, while droughts will worsen in other areas. There will be some serious natural disasters with these changing weather patterns. Be prepared to suffer some financial hardships from these events with some loss of life. I will be at your side when you call on Me for help in these trials."

Thursday, March 13, 2008:

Jesus said: "My people, in the coming tribulation I have told you that My angels will lead you to refuges of protection from the evil ones who will be trying to kill you because of your faith in Me. I am showing you in this vision that many monasteries will be safe havens for My faithful, even as they have protected travelers seeking shelter for many years. Those, who come to the monasteries, will have to abide by their ways of reverence and prayer. At times there are resident priests at the monasteries that could provide Mass for My faithful as well as food. I have told you in the previous messages how you will be helping each other, and you will be praying more. I will multiply water, food, and means of shelter so that all of your physical needs will be met. I will send My angels to protect the monasteries, even as the angels will be protecting other refuges. Those monks and some priests will be asked to offer hospitality to many faithful who will be led to their doors. You saw the joyful welcome that you received in the vision, so be grateful and thankful for the help that you will be receiving at these

monasteries."

Prayer Group:

Jesus said: "My people, this latest incident with your former governor has a similar parallel to King David when he committed adultery with Bathsheba. This is the comparison in the vision with a castle and a modern nice home of today. I have given several messages on the evils of prostitution, fornication, and adultery that are breaking up many marriages. Even King David was chastised by the prophet Nathan, and your governor was forced to resign. When you see the divorce rate so high and many living together without marriage, you can see this event is just another sign of how immoral your society has become. Everyone has some sin, so you cannot throw the first stone, but I encourage My people to follow My Commandments, and spouses need to be faithful to each other."

Jesus said: "My people, your primary season has become so close, that each side has resorted to some comments to put down each other from a personal nature. Instead of focusing on the issues of debate, your media has highlighted every flaw in anyone's speech. You remember how the Pharisees and Sadducees tried to trip Me up in My words so they could accuse Me of a crime. Today, when I proclaimed that before Abraham came to be 'I AM', they now accused Me of being a blasphemer. But I did not lie since I truly am the Second Person of the Blessed Trinity."

Jesus said: "My people, this flour being made in an old water mill is a sign of how your prices today are increasing in both your foodstuffs and your commodities. Your currency is decreasing in value because of the Federal Reserve putting more money in circulation, and lowering the interest rates. Your deficit of trade, your national deficits, and the latest credit crisis has lowered the value of the dollar against the currencies of other countries, and this has raised the prices of your commodities. Many of your financial problems are a result of greed and extortion by your mortgage lenders, and those buying houses for cheaper interest initially. These financial woes are partly a consequence of your sins as a nation that is trying to live beyond its means. Pray for the people who are suffering from this downturn in your economy."

Jesus said: "My people, some of your people are trying to erect a wall along your border with Mexico to stop the illegal immigration that is allowing drug thieves and terrorists to freely cross your borders. One group is trying to enforce the law for entry, while some employers

want to exploit the cheap labor of immigrants. There is still a larger overview of those desiring to form a North American Union, as your president, who is not enforcing the borders because he wants no borders. This is becoming a real threat to your rights and liberties which the one world people want to take away to make you their slaves. Do not fear these evil ones because I will protect you at My refuges."

Jesus said: "My people, you are about to read My Passion and Death in the readings for Palm Sunday, or Passion Sunday. This coming Holy Week is the most moving when you see how I was betrayed and had to suffer for My people. As you look upon My large crucifix on the altar, now you see why My suffering and death must be your focus for your life. Looking on My crucifix shows you how much I love all of you because I died for all of your sins."

Jesus said: "My people, this custom or tradition of visiting other churches on Holy Thursday should be maintained, even if it takes a little of your time to pray at these churches. One of the sad situations, that you are facing, is the fact that you are visiting fewer churches because they are being closed for one reason or another. In some areas fewer are attending Mass, and the number of priests are also decreasing. You have seen how many in Europe no longer go to church, and their churches are becoming museums. America needs to repent and get back to your belief in your faith, or you will soon grow cold to Me as those are in Europe."

Jesus said: "My people, you only have a few weeks of Lent left and you should take full advantage of this time to grow in your spiritual life. Daily prayer and monthly Confession should be a part of your remaining Lenten time as well as your fasting. By restricting your body's desires for food and other penances, you can have the soul in more control over your body. Keep focused on Me as your model for life and concentrate more on those things that will bring you closer to heaven than appeasing the body with earthly desires."

Friday, March 14, 2008:

Jesus said: "My people, I asked the people in today's Gospel to believe that I am God's Son because of the miracle works that I performed, and that I was sent by My Father. I want to emphasize how I prayed to heal the whole person, both body and soul. The healing of the soul from its sin is actually more of a blessing than any physical healing. I am God and all healing is possible, but it

should be in accordance with My Will. Let this be a reminder to you when you are praying for petitions of healing for someone. Pray first that the soul be healed of sin, and then if it be in My Will, pray for the healing of that person's illness. When you are evangelizing souls for My greater glory, you are really praying for a healing of that soul's spiritual sickness of sin. Once a soul asks for forgiveness in sincere contrition and is forgiven, then you will see a great change of grace come over that person's face, even if they are not healed physically. It is important to be free of sickness so you can perform your mission, but it is more important to have your soul saved in order to enter heaven. So just as I did, always pray to heal the whole person, both body and soul."

Jesus said: "My people, this shadow of My cross, that falls all over you, represents how you share all of your suffering with My suffering on the cross. I ask you to take up your daily cross and offer up all of your pains, disappointments, and trials to Me. I know all that you are going through, and your desire to suffer with Me will gain you treasure in heaven. I am always at your side to give you strength and courage to fulfill your mission, even when it may seem impossible to you. Remember that with Me all things are possible. Remember to pray your Stations of the Cross this day on Friday to commemorate the day of My death on Good Friday. I love all of you so very much and I reach out with My mercy to save all souls who listen to My Word and take it to heart. It is true as your priest has said that it is more important to focus on My death and Resurrection in Holy Week than on any other earthly concerns about bunnies, eggs, candy, or new clothing. Rejoice in this most important of all times in the Church Year when you commemorate My death and Resurrection. See how much I love all of you that I suffered a cruel death to pay the price for all of mankind's sins. I am the worthy Lamb of God offered up as the ultimate sacrifice more meaningful than all of your burnt offerings. Come and join in My Eucharist so you can receive your spiritual food that will bring you to life everlasting. When you follow Me, you are continuing to walk in the shadow of My cross."

Saturday, March 15, 2008: (St. Joseph)

Jesus said: "My people, today you celebrate the feast of My foster father, St. Joseph. He was a holy and gracious man, and he was charged with the responsibility for providing for the Holy Family by his carpenter trade. He taught Me his trade while I was growing up, and also

with My Blessed Mother they taught Me all the customs, traditions, and the Scriptures of the Jewish faith. This is a message to all fathers and mothers that you are all responsible for the spiritual well-being for the souls of your children. You must bring them up in the faith and see to it that they receive religious instruction so they will be made aware of My love and the need to struggle for perfection to enter heaven. Even after your children leave your house, you are still responsible to remind them of their spiritual commitment to Me. I know your children have free will, and it could happen that they may wander away from the Church. Still give them good example and encourage them in a loving way to return to the faith that they were taught. If they refuse, then it is still your obligation to pray for their souls, even to either of your deaths. This is the persistence of faith that I call all parents to watch over their children."

Jesus said: "My people, the reading of My Passion starts with the Last Supper and the betrayal by Judas. While he was gone I shared the first Mass with My apostles and I instituted My Eucharist for all time. It was after I died on the cross that now you can celebrate My Real Presence in the consecrated bread and wine. This vision of the bread focuses you on My Blessed Sacrament, which is My gift of Myself that I have left with you when I left the earth in My physical body. Now, when you want to be close to Me, you can visit Me at any tabernacle in any church. In My Passion you read of how Judas and St. Peter denied Me, but they each had different reactions to their denials. Judas was so grief stricken that he thought he was unworthy of My forgiveness, so he went out and hanged himself. St. Peter was also remorseful for his three denials, but he was trusting that I would forgive him, even when I asked him three times if he loved Me. My people, in your sins you are denying Me as well, but you trust in Me to also forgive you in Confession. Give praise and glory to your Lord for giving you My sacraments of Holy Communion and Penance."

Sunday, March 16, 2008: (Palm Sunday, Passion Sunday)

Jesus said: "My people, you have read the pain and suffering that I endured on the cross, even though you shared a little suffering in standing to read My Passion. When you got home, you realized that your crucifix was left behind where you traveled. Some of your special spiritual weapons are too valuable to chance losing, and the evil one knows how to distract you to forget them. Be more careful with your relics, and keep your holy water and holy oil

always available for blessing people. My cross is how I suffered for your sins, and this view of My cross on your altar is important for the people to keep focused on Me all year long. Remember every day to pick up your cross and carry it with Me, so you can share your sufferings with Me on My cross. You will need to carry your cross until the day that you die, just as I had to die on Calvary. Dying and suffering are not easy to endure, but you are assured, that with trust in Me, you will see your resurrection just as I resurrected."

Monday, March 17, 2008:

Jesus said: "My people, this vision of the opening in the clouds is to remind you that My death on the cross opened the gates of heaven to those worthy to enter. Since Adams's sin until My death, the gates of heaven were closed to everyone. Now, because of My mercy and sacrifice, all purified souls are washed with My Blood and are now acceptable to enter heaven. Still coming to heaven for My faithful is not always right away. Some have suffered their purgatory on earth and can enter after their death. Most of My faithful people require purification in purgatory, but some other people are being lost to hell forever. It is My faithful's responsibility to try and bring as many souls as possible to Me so they can be saved from hell. This choice of loving Me or not is a life decision that every soul makes, and you will be judged accordingly. Choose life therefore, so you can be on the right path to the gates of heaven that I have opened to receive those that follow My Will."

Jesus said: "My people, this vision of a rock crumbling away is a picture of America's financial system. In the beginning the cracks appear to be fixable by your Federal Reserve assisting the ailing mortgage lenders. Soon you will realize how greed and over leveraging has put many financial institutions into low cash worth. The extremely high wages and commissions of the lenders CEOs and employees have eroded their net worth until few buyers are willing to risk in their stock. This lack of confidence in these investments will make it impossible to bail out smaller companies. Those, who have the mortgages, will need to be allowed to refinance lower loans for their house's current value at their current interest, or the foreclosures will leave the mortgage lenders with unsaleable homes. All the government support for the mortgage lenders will have to help their loan markdowns for individuals. If stability cannot be found, a true crash

will occur. The one world people could utilize this apparent financial breakdown to their own advantage in taking over your country to cause everyone to have a chip put in their body. If riots and looting begins, My people will need to go to their refuges for protection from the chips and those looking for food. Pray for My protection in these turbulent times and trust in Me to provide for your needs."

Tuesday, March 18, 2008:

Jesus said: "My people, this vision of a boat leaving the dock for the open seas represents how I send you out into life with My graces of My Eucharist from the Last Supper, so you will have the courage to endure the trials of life. It is not easy for a family to keep good paying jobs so you can pay for your bills of taxes, housing, education, food, and travel. All of these expenses test you at times when sudden expensive bills come up. Keep your spiritual peace because you have confidence and trust in Me more than in your money or your possessions. Those, who do not trust in Me, are always worried for what they are to eat, wear, and where to live. If you are My disciples, you should not worry about such things, even as you see that I take care of feeding the birds of the air, and dressing the lilies of the field. You are much more valuable than these, so take courage that I am at your side to bring you through the worst of disasters, and eventually to the refuges during the tribulation."

Jesus said: "My people, your people have been taken up with your economy in the credit crisis, a recession, and inflated commodities. What has been forgotten is the billions of dollars that you continue to spend on the wars in Iraq and Afghanistan along with your soldiers being killed and wounded. This war was started under false pretenses and should have been phased out instead of continuing for five years. Your previous long wars were stopped by limiting the funds in Congress. Since the one world people and your president continue to keep the war going, this seems to be the only way to bring your troops home, which is to cut off the money. The war is putting your budget into huge deficits and the one world people are getting their way of destroying your economy and your military for their takeover. America needs to wake up and take your country back by getting out of this war, stopping the deficits, and refusing to accept the NAFTA and North American Union, or you will have no country at all. Repent of your sins, and put Me back into your lives. Love of Me

and your neighbor as yourself should be your goal and not supporting the death culture."

Wednesday, March 19, 2008:

Jesus said: "My people, I have talked to you at length of how I want you to offer up all of your suffering and join it with Mine on the cross. I have also asked you to pick up your daily cross and carry it with Me. If you ask for My graces, I will even assist you with your daily burden, just as Simon helped Me to carry My cross. There is one more request. I know that you all are weak to sin and are sinners, but you must realize that every sin that you commit becomes an added weight to My cross that I must carry. Learn that My suffering is to pay the price for each of your sins. So I ask you to minimize your sins so I will be able to suffer less for them. In a spiritual way I am still suffering for all of the sins that you are committing. Your sins not only offend Me, but they weaken your love relationship with Me. Even still, My mercy awaits you when you seek My forgiveness in Confession. When you see how difficult it is for you to carry your own cross, then see how loving you can be to Me by avoiding your sin, and lighten the load of suffering that I have to do for you."

Jesus said: "My people, I gave you messages about natural disasters and now you are seeing the floods that I mentioned a week ago with some loss of life as well. This vision of parts of homes being carried away by a flooding river is exactly what you are witnessing currently in the middle of your country. Fast melting snow and heavy rain downpours are causing flooding in areas that were already saturated with water from previous storms. Be prepared for more floods by seeking higher ground away from rivers and coast lands. Those, who are asked to evacuate, should leave quickly and not risk losing their lives by staying behind. These rainstorms are following tornadoes, and fires that occurred earlier. Between natural disasters, recession, inflated goods, and your mortgage crisis, this year will test you like no previous year. Pray that those, who need help, will be able to find it."

Thursday, March 20, 2008: (Holy Thursday)

Jesus said: "My people, when I went to wash the feet of St. Peter, at first he refused. Then I said to him that unless I wash his feet, he could have no part in My inheritance. This changed St. Peter's mind, and he wanted Me to wash his head and hands as well. This washing of My

apostles' feet was an example to them how they needed to be My servants in helping others. This washing of the feet was also symbolic of purifying the body of its sinful soul on the inside that will heal your spiritual life. But of your own free will you must seek My forgiveness so you can be freed of your bonds of sin, and receive My abundant graces. I took on all of mankind's sin and I was offered up as a sin offering to My heavenly Father. I am the most worthy sacrifice that He accepted in payment for the price of your sins. This is how mankind was restored with his inheritance in My Kingdom. Even the good thief asked Me to remember him when I came into My Kingdom. I promised him that day that he would be with Me in paradise. (Luke 23:43) All of you can be with Me in heaven as well, if you repent of your sins and accept Me as Master of your lives."

Friday, March 21, 2008: (Good Friday)

Jesus said: "My people, the description of My Passion and death on the cross is very sad and graphic that I had to die without committing any crime. But I had a world to save and the price of your sins was very heavy. I suffered much in My scourging, carrying My cross, being nailed to the cross, and agonizing without being able to breathe. After I died, you saw the last of My Blood and water come forth when the lance pierced My side. When you have any pain in this life, it will appear as nothing compared to what I had to suffer for each of you. Now, you honor My three days in the tomb in silence and darkness, until I came forth to life in My Resurrection on Easter Sunday. I know you are in sorrow that your sins caused Me to suffer so much. I am still suffering even now for the sins of mankind. Ask My forgiveness of your sins as I renew the grace in your soul at every Confession that you make. Work on your penances as a small payment to atone for your sins. I love you in My sacrifice, and I want you to love Me in return."

Saturday, March 21, 2008: (Easter Vigil)

Jesus said: "My people, I told My apostles beforehand that I would be killed and then rise again on the third day. I kept My promise, but My apostles were still in disbelief from the women that I sent to them. So two apostles did go to My tomb and they found the stone moved and My Body was gone, just as the women had told them. They believed then in My Resurrection and the others had this confirmed when I appeared in their midst several times. My apostles had not yet received the Holy Spirit

and they did not at first grasp what My Resurrection from the dead meant. They soon realized that My death and Resurrection represented a victory over sin and death. They later realized that My purpose in My Incarnation into a man was to offer up My life as a worthy sacrifice for all of mankind's sins. This was to show God's infinite love for all of you, so you all could have the opportunity to come to heaven. By repenting of your sins and following My Commandments and My Will, you can find eternal salvation through Me to gain heaven. This Resurrection of Mine is why you are rejoicing in singing alleluia."

Sunday, March 23, 2008: (Easter Sunday)

Jesus said: "My people, there is a Scripture passage that is worth repeating after you have heard the Gospel of My Resurrection. 'As for me and my household, we will serve the Lord.' (Joshua 24:15) You have had the benefit of reading all the Scriptures that foretold of My coming and My death for all of mankind. Now, you will be reading the testimony of My apostles in how I appeared to them in the flesh and they saw, touched My wounds, and ate with Me to prove that I was not a ghost, but truly resurrected. After reading these witnesses, you too can now believe in My Resurrection and serve Me with all of your family. Easter is a beautiful family time to get together, and even more so to share your faith in Me and do good works for one another. The more that you love and believe in Me, the more you should love one another and help each other in your needs. Giving alms in Lent or any time is always helpful for the poor, and you will store treasure in heaven for your good deeds."

Monday, March 24, 2008:

Jesus said: "My people, during your Mass services, you see the priest blessing you with holy water in a sprinkling rite. There are two symbols for Easter in water and Light that are necessities of life. Without water and sunlight your crops could not exist or grow. As the Easter Season proceeds, your amount of daylight will be increasing. Also as your temperatures warm up, you will see the spring rain bring life to your early flowers. Many are anxious for spring after a long winter. The water for Easter is also a symbol for Baptism because many are brought into My Church at the Easter Vigil, whether adults or infants. The water sprinkling is also a symbol of how My graces are showered over everyone, but those, who believe in Me, will benefit the most for grace in their souls. My sacraments of

Penance, Holy Communion, and even Confirmation are shared with those who are entering My Church. Every sacrament, that you receive, bestows grace upon your souls. Give praise and glory to God for sharing His Son and His graces with all of you."

Jesus said: "My people, I have told you before that the one world people are placing viruses and bacteria into the chem trails with an eventual plan to reduce the population through pandemic diseases. All of these chem trails are having an effect not only on man, but there also will be effects on all animals and plants that could completely upset My balance of nature. These evil minded people have vaccines for these diseases, so they think that they will be immune to these viruses and bacteria. What they do not count on is the effect on the rest of nature. This in fact will not only kill people from the diseases, but it will also threaten a major famine all over the world. When man so disturbs this delicate balance on earth, I will have to intervene with a supernatural intervention. Man's hybrids, disease experiments, and DNA manipulation have so changed the direction of life on earth, that I will be forced to intervene. When I do intervene, it will be at the same time that the Antichrist has reached the top of his power. All evil will be cleansed from the earth, and I will renew the earth to its original balance, and you will see a new heavens and a new earth as I will bring about My Era of Peace. Rejoice at this intervention because man is calling on My justice to restore order where there is chaos."

Tuesday, March 25, 2008:

Jesus said: "My people, many times I have asked you to consecrate everything over to Me so I could be a Light for you, leading you through the darkness of life. Light is another Easter symbol and many, who die or have near death experiences, come to My Light for judgment. During life you are beset with many unknowns that question you in what vocation to take, whether the religious life, married, or single. You are also seeking some kind of career or trade so you can earn a living for your bare necessities. Even finding an affordable place to live is becoming more of a problem. Each major step in your life should be prayed over and discerned with My guidance. By consulting with Me in prayer, I will help guide you to use your talents in the best way to help your soul and help those around you. Once you are settled and have made these major decisions, then you may be called to help your children or others in making

their right decisions. Choosing to follow Me in faith is another life decision that should be at the center of your life. As I lead you with My Light, you will be given the knowledge of how best to serve Me and your neighbor. This life is passing away, but your soul lives on forever. This is why your life's decisions will lead you either to heaven with Me, or to hell with Satan. Love, joy, and happiness forever can be had only in heaven with Me. Hate, anger, and eternal torment will be found for the hopeless in hell for those who refuse to love Me and serve Me. So let My Light lead you through the dark unknowns of this life into the glory and Light of heaven. Trust in Me in everything, and you will have peace and rest both on earth and in heaven."

(Helen Hogan's funeral Mass) Jesus said: "My people, it is always hard to lose a mother in the family, and it was also sad that her memory changed her personality at the end, much like your own mother. She has suffered much in life, but now she is at peace with Me. She was thankful for all who cared for her in her later years. Even though she could not express her love very well at the end, she indeed loved her family, friends, and relatives very much. She was a very faithful woman both to Me, her sons, and her husband, John. Give thanks to God for the gift of her life to all whom she came in touch with."

Wednesday, March 26, 2008:

Jesus said: "My people, this vision of the devil as a wolf with many large teeth may be fearsome in appearance, but it shows you how much he wants to destroy man by leading him to hell and away from Me. In this life you will always have to fight off his temptations, but you have Me and My angels to protect you. The power of the evil one will not last much longer, when I will come and defeat him and cast all the evil spirits and evil people into hell. The second vision of the wolf without his teeth represents My victory when he will no longer tempt man. Man in his weakened nature is suffering every day to resist the evil one. That is why those, who are faithful to Me through this trial, will find a joyous reward in heaven because you had to endure more than even My angels who know of all of My love and power. I have told you before how heaven rejoices over every soul that is saved from hell by repenting of their sins and seeking My forgiveness. So when you have Me protecting your soul, you should not be afraid of the devil and all of his powers."

Wednesday, March 26, 2008:

Jesus said: "My people, there is love between people, which is most beautiful between your hearts, but there is a love that I share with you which is even greater than your earthly love. It is My agape love and your love of Me which should be at the center of your lives. I am the Creator of angels, man, and all the beauty of nature that you see. At times it is a beautiful experience to view nature in the flowers of spring, and the colored leaves of fall. Every time that you marvel at the colors and different varieties of flowers, you are giving glory and praise to My perfect creation. Man tries to make hybrids to try and make better plants, but My natural plants have more beauty in their natural form. When you love Me, you love all of My creations in the plants and animals, and all of mankind as well. See how fortunate you are to be alive and to experience all that I have created. But always worship Me alone as your Creator, and put no strange gods before Me."

Thursday, March 27, 2008:

Jesus said: "My people, when I appeared to all the apostles for the first time, I came among their midst without going through the door. They were incredulous with joy to see Me, and I wanted to prove to them that it truly was Me in a resurrected body. I allowed them to touch My wounds and I ate the fish that they gave Me, as in the vision. Up until then, they believed because of those who saw the empty tomb, and the disciples that I appeared to on the road to Emmaus. It took another visit for St. Thomas to believe by placing his hands into My wounds. I told them that they believed because they saw Me, but blessed are those who have not seen Me and still believe. Many accounts of My appearances in the flesh after My death are written down for all of My followers to believe in My death and Resurrection. All of this happened in the historical time of man as you mark your calendars before and after My birth. Not only are you to believe in My Resurrection, but one day I promise to return in victory over the Antichrist. You will see a renewed earth in My Era of Peace, and all of My faithful will also be resurrected in their glorified bodies on the day of the final judgment."

Prayer Group:

Jesus said: "My people, I am reminding you to care for the elderly when they are sick, incapacitated, or need their meals and pills. Your parents and relatives cared for you in your younger years, and now you need to return

the favor in helping them in their old age. My Blessed Mother and I had to care for St. Joseph in his dying time, so I know what each of you are going through. Be willing to assist these people without complaint, even when it is not convenient in your time."

Jesus said: "My people, every year right before spring begins, your people grow tired of cold, snow, and the lack of color in nature. You long for early flowers of spring so you can experience new life in another season of spring. In your Southern states, they already are seeing the trees blossom, but your Northern states are still languishing in the cold. Have patience, even as those who waited for My Resurrection and waited for their Messiah to come. My people of this age need patience also until I come again to make all things new and conquer the evil ones."

Jesus said: "My people, you have been patiently enduring your Lenten penances to renew your spiritual life. Now you are in a state of celebration of new life in the Spirit. You will celebrate this Easter time in joy up to My Ascension and the celebration of Pentecost with the coming of the Holy Spirit. During this time you will read many beautiful readings from the Acts of the Apostles, and you will see how My early Church had its beginnings. Even during this Octave of Easter you are praying your Novena for Divine Mercy Sunday. This is another outpouring of My graces and blessings to remove all temporal punishment due for your sins through My Divine Mercy. You honor My death every day at the 3:00 p.m. hour with your chaplet of Divine Mercy. Give thanks and praise to your God who shines His mercy and love upon all of you."

Jesus said: "My people, fighting and killing your neighbors is only helping Satan in his desire to kill humanity. All of this killing and destruction never wins anything for either side but grief, death, and more anger toward each other. It is the rich and the one world people that promote long wars to make their blood money on the weapons and control the people under them. Pray for peace and compromise instead of having more killing and a greed for power and oil. Support those who want to be peacemakers, and do not listen to those who promote perpetual fighting."

Jesus said: "My people, your Easter lilies do not last very long, but they remind you of My angels who are blowing their trumpets to announce the Good News of My Resurrection. Lilies are also white as My White Light shines upon those who come to Me in death or near death experiences. You all will see My Light when you come to Me

in your Warning experience, and you face your mini-judgment. Always keep focused on Me in Holy Communion at Mass, at Adoration, and before My Blessed Sacrament in My tabernacles. The closer you are to Me in My sacraments, as in Confession and My Eucharist, the easier it will go for you at your judgment."

Jesus said: "My people, by now you may be tired of your Easter dinner left overs, but on Easter this feast of a meal was a real celebration of My Resurrection among your family. I only pray that you can share your food with the poor and the hungry who do not have enough to eat. In America you have a land of plenty by My blessings, but other countries are not as fortunate. Pray for those who hunger, and send food to help them in their need. Even support your local food shelves, who are being strained by many who have fallen on hard times. In times of recession there are fewer donations available to help the poor. When you help the poor, maybe one day you will be returned this favor in your own need."

Jesus said: "My people, your friend, Joyce, had a deep love for Me and she opened her home for prayer groups and sharing the seal of the Eternal Father in helping you to not take the mark of the beast, and to not worship the Antichrist. You, yourself, have had this mission to prepare people for the coming tribulation and encouraging people not to take chips in the body. Joyce was always evangelizing souls and she worked diligently throughout her life to help My faithful. Now it is your time to help her in your prayers and remember her life's example for your own work. Give praise and thanks to Me for every prayer warrior that I send to help My people."

Friday, March 28, 2008:

Jesus said: "My people, you know how dangerous it can be when you are traveling on the road on a wet or snowy night. Even more so when your driving visibility is poor, there are white lines on the edge of the road, reflectors, and guard rails to protect you from getting off the road. Just as you have signs and protections on the road, I am the one to lead you and guide you spiritually so you do not fall off the path to heaven and into sin. I also give you warnings of danger and I offer opportunities to repair your soul from sin in Confession. I give you the eyes of faith so you can see clearly how to stay on the narrow road to heaven and avoid detours into sinful lifestyles and worldly distractions. See Me as your spiritual guard rail, and I send you your guardian angels to advise you in your daily

actions. By My looking out for each souls's spiritual welfare, you can again see how much I love you. It is your duty to use your free will to follow Me, love Me, and serve Me in this life."

Jesus said: "My people, this person coming up out of the ground represents My underground Church that My faithful will be a part of during the tribulation. You have already witnessed an underground Catholic Church in China where Catholics are persecuted if they are found openly professing their faith. In the increasing evil of these end days, you will be more and more persecuted for expressing a love for God in public. Your Masses and prayer meetings will eventually need to be held in secret so you are not taken off to detention center death camps. Once martial law is declared, or chips are being made mandatory in the body, then you will need to have your guardian angel lead you to a safe haven or refuge where you would be protected by My angels from the evil ones trying to kill you. The early stages of religious persecution will be the first sign of the tribulation beginning. You would rather give up your life, than give up your faith in Me. Remain true to Me and refuse to take the mark of the beast or a computer chip in your body, even if they threaten you with death. You will be in hiding at My refuges for no longer than 3 ½ years, but then I will come in victory to defeat all the evil ones, and I will establish My Era of Peace to reign for a time."

Saturday, March 29, 2008:

Jesus said: "My people, there are some people who should be in a nursing home, but they cannot afford one or they cannot get the local government to pay for it. These handicapped or sick people need people to help them with their lodging, food, and getting what financial aid they are entitled to. If they do not have children, or their children are not living in the same city, then these people need help from charity people or charity organizations. This is the vision of a kind woman helping a needy person to get food for the day. Every kind deed, that you do for someone that you are not paid to do, will store up a spiritual treasure for you in heaven. It is this storehouse of treasure that will help you at your judgment time to balance off the sins that you have committed. With enough such good deeds, you could be judged to heaven, or a shorter time in purgatory. Whenever you help My little ones, you are helping Me in them."

Sunday, March 30, 2008: (Mercy Sunday)

Jesus said: "My people, this glorious Easter Season is all about bringing people back to life again, only even better than Lazarus. I brought Lazarus back to an earthly body, but at the final judgment I will raise My faithful back into glorified bodies. I told Mary and Martha that I am the 'Resurrection and the Life' even before I died and resurrected. As you see this place of the dead in the vision, it is empty as I was raised from the tomb. Then My apostles saw Me standing in their midst in the flesh and still with My wounds. Even St. Thomas did not believe in My Resurrection when the other apostles told him of My appearance to them. St. Thomas has taken some criticism in doubting My Resurrection. Once he placed his finger into My wounds, he exclaimed 'My Lord and My God', which is what you pray at the Consecration of the bread into My Body. He then believed that I resurrected, just as My disciples of today believe in Me and some have even died for Me in martyrdom than give up their faith. You are blessed in your belief without seeing Me, and I commission you, as I did My apostles, to go out and preach My Good News of My salvation to all the nations."

Jesus said: "My people, this is a blessing of My mercy on all of mankind this day that can take away temporal punishment due for your sins. This looking through the cracks and dark narrow alleys represents all of the souls who need prayer and My mercy that have been forgotten and have fallen through the cracks. You pray for the souls in purgatory who have no one to pray for them. Now I want you to likewise pray for all the souls that are living and whom no one is praying for. I do not want one soul to be forgotten, even after their deaths. You remember to pray for your relatives and friends, but now I will give you another list to pray for. Think of all the prisoners in all of the prisons around the world, and pray for them, even if they are murderers or thieves. I allowed the thief on the cross next to Me to enter into paradise, so I can allow your prayers to save these prisoners as well. Pray for all the sick and elderly in nursing homes whom many family members have forgotten. Pray for the salvation of all souls who do not know Me, souls who have rejected Me, and the lukewarm souls. Pray for all the homeless and hungry poor people who have no one to help them. Pray for those in places of war that have been displaced from their homes. Pray for those suffering from floods and natural disasters. As you can see, there are many who are deserving of your prayers. Just as I shine My

graces and blessings of My mercy on every soul, so I want My followers to do as I do and be merciful to even those who are forgotten. I am an example to you as I washed My apostles' feet for them."

Monday, March 31, 2008: (Annunciation)

Mary said: "My dear children, this feast day of the Annunciation was the most important moment in my life, when St. Gabriel announced to me that I would be the Mother of God. I gave my fiat that I would be the handmaid of the Lord, even though this holy pregnancy could endanger my life. I did everything in faith in God, and I followed His Will in all that was asked of me. You read the Scriptures that foretold a virgin would be with child. I know that God prepared me for my birth without sin so I could be the holy tabernacle, or Ark of the Covenant for the Son of God. My Son, Jesus, was sent, as you have seen in Holy Week, to die as an unblemished Lamb in sacrifice for all the sins of mankind. God used me as His instrument to bring my Son into the world by the power of the Holy Spirit. The Church has set aside this feast nine months before Christmas in honor of this calling by St. Gabriel. You have seen by prophecy, and by historical events how God has brought about the opportunity of salvation for every soul. Give praise and glory to God that He blessed me in this role as the Blessed Mother of Jesus."

Jesus said: "My son, this vision of jets of ink aimed in your general direction represents another smear campaign to attack your credibility. You asked the source of this trouble, and I am only revealing that it is coming from the old sources that criticized you before. I will be protecting you for a while, but gradually these forces will try to block out your messages in the books and on the internet. As the schismatic church comes more into power, they will begin to shut down any distribution of messages. Further on in time the government forces will also cause you problems in traveling, and eventually you will be sought out to remove you to one of their prisons. This message is not meant to scare you, but prepare you for the attacks coming to you so you are prepared to go into hiding. Keep your full trust in My protection, and I will allow your mission to continue until the evil one's hour is upon you."
